Francis Palgrave, 2013-12-05 The third volume of the collected works of distinguished English historian solicitor and antiquarian Sir Francis Palgrave 1788 1861 National Heroes and National Identities Linas Eriksonas, 2004 This book investigates the concept of the heroic questions what it is that makes the national hero an indispensable appendage to any possible interpretation of national identity and asks why scholars stop short before coming to terms with this elusive phenomenon It finds answers by following heroic traditions in Scotland Norway and Lithuania from the early modern period to the twentieth century The book argues that heroic traditions prevailing trends in situating heroes in national history owe much to the early modern state Both national heroes and the nation state had been conceived with a similar moral political mindset that looked for new ways to identify sources for commonality The confluence of political theory and Realpolitik attested to three classical types of polities i.e. civitas popularis democracy regnum kingship and optima-tium aristocracy as found at that time in Scotland Norway and Lithuania respectively The author shows the varied impact these patterns had on heroic traditions The

long record of national heroes in Scotland is explained as a vestige of the legacy of civic humanism the continuing traditions of the heroic king lines in Norway are seen as a result of long standing absolutism while the belated arrival of national heroes in Lithuania is excused by the country s aristocratic if at times oligarchic past **American Book Publishing Record**,2006 **Emigrant Homecomings** Marjory Harper,2005 This book analyzes the motives experiences and impact of returning migrants in a wide range of locations since 1600 and examines the mechanisms and technologies which enabled their return **Catalog of Copyright Entries.
