Better A Shrew Than A Sheep Better A Shrew Than A Sheep:

Better a Shrew than a Sheep Pamela Allen Brown, 2018-08-06 In a study that explodes the assumption that early modern comic culture was created by men for men Pamela Allen Brown shows that jest books plays and ballads represented women as laugh getters and sought out the laughter of ordinary women Disputing the claim that non elite women had little access to popular culture because of their low literacy and social marginality Brown demonstrates that women often bested all comers in the arenas of jesting gaining a few heady moments of agency Juxtaposing the literature of jest against court records sermons and conduct books Brown employs a witty entertaining style to propose that non elite women used jests to test the limits of their subjection She also shows how women s mocking laughter could function as a means of social control in closely watched neighborhoods While official culture beatified the sheep like wife and disciplined the scold jesting culture often applauded the satiric shrew whether her target was priest cuckold or rapist Brown argues that listening for women s laughter can shed light on both the dramas of the street and those of the stage plays from *The Massacre of the Innocents* to *The Merry Wives of Windsor* to *The Woman s Prize* taught audiences the importance of gossips alliances as protection against slanderers lechers tyrants and wife beaters Other jests ballads jigs and plays show women reveling in tales of female roguery or scoffing at the perverse patience of Griselda As Brown points out some women found Griselda types annoying and even foolish better be a shrew than a sheep

Shakespeare's Shrews Beatrice Righetti, 2024-12-12 Shakespeare s *Shrews* Italian Traditions of Paradoxes and the Woman s Debate investigates the echoes of two early modern discourses paradoxical writing and the woman s question or querelle des femmes in the representation of the Shakespearean shrew in *The Taming of the Shrew* *Much Ado About Nothing* and *Othello* This comparative cross cultural study explores the English reception of these traditions through the circulation translation and adaptation of Italian works such as Ludovico Ariosto s *Orlando Furioso* Baldassare Castiglione s *Il libro del cortegiano* and Ercole and Torquato Tasso s *Dell ammogliarsi* The enticing interplay of these two discourses is further complicated by their presence in the writing of early modern male and female authors The examination of Shakespeare s adaptation of these traditions in his shrew character highlights two key findings the thematic fragmentation of the woman s question and the evolving role of paradoxes from figures of speech to figures of thought both influenced by the gender of the speaker

Five Hundred Pointes of Good Husbandrie Thomas Tusser, 1878

fiue hundred pointes of good husbanrie thomas tusser, 1878 **Marriage and Violence** Frances E. Dolan, 2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented

or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward s Private Lives and Barbara Ehrenreich s assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other Boleyn Girl and documents about Anne Boleyn s fatal marriage and her daughter Elizabeth I s much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition

A Collection of English Proverbs John Ray,1670 Cruelty and Companionship A. James Hammerton,2002-09-11 Cruelty and Companionship is an account of the intimate but darker sides of marriage in Victorian and Edwardian England Hammerton draws upon previously unpublished material from the records of the divorce court and magistrates courts to challenge many popular views about changing family patterns His findings open a rare window onto the sexual politics of everyday life and the routine tensions which conditioned marriage in middle and working class families Using contemporary evidence ranging from prescriptive texts and public debate to autobiography and fiction Hammerton examines the intense public scrutiny which accompanied the routine exposure of marital breakdown and charts a growing critique of men s behaviour in marriage which increasingly demanded regulation and reform The critical discourse which resulted ranging from paternalist to feminist casts new light on the origins and trajectory of nineteenth century feminism legal change and our understanding of the changing expression of masculinity **Publications** Hunterian club, Glasgow,1880 Shakespeare's Domestic Tragedies Emma Whipday,2019-01-03 Reassess the relationship between Shakespeare s Hamlet Othello Macbeth and the emerging genre of domestic tragedy by other early modern playwrights

A Compleat Collection of English Proverbs John Ray,1768 *Prose* Nicholas Breton,1879 *The Works in Verse and Prose of Nicholas Breton: Prose* Nicholas Breton,1879 Chertsey Worthies Library ,1879 Virtuous Necessity

Jessica Murphy,2015-08-25 A new way of looking at behavioral expectations for women in early modern England **Fiue Hundred Pointes of Good Husbandrie** Thomas Tusser,2022-05-29 In his seminal work Fiue Hundred Pointes of Good Husbandrie Thomas Tusser presents a meticulously structured guide to agricultural practices encapsulated in a rich tapestry of verse Using five hundreds of pithy couplets Tusser conveys practical wisdom and moral lessons to the yeomanry of 16th

century England The poem not only serves as an instructional text but also reflects the socio economic landscape of Tudor agriculture emphasizing sustainable farming techniques alongside ethical considerations of stewardship and domestic management Its didactic tone and accessible style make it a pivotal text bridging the gap between literary expression and agrarian pragmatism Thomas Tusser an accomplished poet and farmer embodies the Renaissance spirit of blending art with practical knowledge His own experiences in farming particularly during the agricultural tumult of his time shaped his insights on rural life Tusser s familiarity with the challenges faced by the working class evident through his detailed observations translates into a genuine desire to educate and uplift his readers tethering his poetic craft to his lived realities *Fiue Hundred Pointes of Good Husbandrie* is an essential read for historians agronomists and literature enthusiasts alike offering a profound understanding of Tudor agricultural life Tusser s blend of poetry and practicality invites modern readers to reflect on their relationship with the land making it a timeless resource in the dialogue surrounding sustainability and ethics in agriculture

The Patient Griselda Myth Madeline Rüegg, 2019-06-04 From the 14th until the 19th century the last novella of Boccaccio s *Decameron* also known as the *Griselda* story has been translated and adapted countless times in many European languages This story s success can be explained by considering it a myth and analysing how this myth engages with contemporary discourses such as the definition of the ideal wife the *querelle des femmes* the socio political consequences of social exogamy and tyranny

Some Other Note Ross W. Duffin, 2018 English comedy from the fifteenth to the early seventeenth century abounds in song lyrics but most of the original tunes were thought to have been lost until now By deducing that playwrights borrowed melodies from songs they already knew Ross W Duffin has used the existing English repertory of songs both popular and composed to reconstruct hundreds of songs from more than a hundred plays and other stage entertainments Thanks to Duffin s incredible breakthrough these plays have been rendered performable with period music for the first time in five hundred years Some Other Note not only brings these songs back from the dead but tells a thrilling tale of the investigations that unraveled these centuries old mysteries Publisher description
