

George snapped back, "No, I came on your bus because I had a flat tire."

"You can choose to look at it that way, George, or you can see the big picture here. Everything happens for a reason. Don't forget that. Every person we meet. Every event in our life. Every flat tire happens for a reason. You can choose to ignore it or ask what that reason is and try to learn from it. Every problem has a gift for you in its hands as my man Richard Bach says. You can choose to see the curse or the gift. And this one choice will determine if your life is a success story or one big soap opera. And while I love soap operas, George, I don't like seeing real life people like you living them. And George, I got to tell you that from the look of you, you're not making the right choice. So choose wisely, George, *choose wisely.*"

At that the bus stopped and George got off as fast

like he had been hit by a bus
