## **Better Than Great A Plenitudinous Compendium Of Wallopingly Fresh Superlatives:**

**Better Than Great** Arthur Plotnik, 2012-06-26 *Better Than Great* is a unique thesaurus of praise and acclaim containing humankind's largest gathering of fresh potent and larky superlatives for anyone struggling to describe extraordinary things or experiences in ways that will do them justice. The English language has thousands of words to praise but cool, good, and great have become our default choices. In *Better Than Great*, Arthur Plotnik adds fresh and engaging new words to our vocabulary of praise, sorted into appropriate categories for easy use. As an antidote to dull and ultimately devaluing language, *Better Than Great* restores distinction, persuasiveness, and delight to our praise. The book is an entertainment in itself, drawing on all levels of expression and offering bonus lists, quotes, sidebar features, and the author's spirited advice and observations on each type of acclaim. *Better Than Great* draws its terms from slang dictionaries, contemporary writing, specialised glossaries, and various quirky sources, including the author's right brain. It presents its inventive terms not simply as fixed locutions but as springboards for further creativity. It is the must-have reference for anyone seeking to rise above tired phrases when quality matters. Critics, journalists, novelists, public speakers, sales reps, marketers, bloggers, Twitterers, any writer across the digital and literary spectrum will all find ways to recharge their acclamatory powers and the perfect alternatives to those worn-out phrases that are used too often. *Word Up! How to Write Powerful Sentences and Paragraphs*

Marcia Riefer Johnston, 2013-04-27 Want to know how to write more powerfully? You've come to the right book. *Word Up*, an eclectic collection of essays, more inspiration guide than style guide, serves up tips and insights for anyone who wants to know how to write with umph. *Word Up* does what too few writing books do: it practices while preaching, shows while telling, uses powerful writing to talk about powerful writing. *Word Up* explores the perplexities and celebrates the pleasures of the English language. It leaves you smiling and ready to conquer your next blank or blah page. [The Elements of Expression](#)

Arthur Plotnik, 2012-06-01 More than ever in this completely updated edition, *The Elements of Expression* helps word users light up the cosmos or the written page or the face across the table as they seek the radiance of expressiveness: the vivid expression of thoughts, feelings, and observations. Nothing kills radiance like the murky, generic language dominating today's talk-airwaves and posts. It tugs at our every sentence, but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity. *The Elements of Expression* offers an adventurous and inspiring flight into words that truly share what's percolating in our minds. Here, writers, presenters, students, bloggers, even well-intentioned *Mad Men* will discover language to convey precise feelings, move audiences, delight and persuade. No snob or scold, the acclaimed word maven Arthur Plotnik explores the full range of expressiveness, from playful, tough talk to finely wrought literature, with hundreds of rousing examples. Confessing that we are all like a squid in its ink when first groping for luminous expression, he shines his amiable wit on the elements leading ultimately to language of fissionable intensity. **Sad Monsters**

Frank Lesser, 2013-01-09 For too long the daily problems of monsters have been ignored. Few people take the time to understand

the secret lives of those monsters we know so well from popular culture From Godzilla's parental woes the witch worried about the calories contained in Hansel and Gretel to Big Foot's problems with Megan Fox Frank Lesser reveals just how human monsters can be How do you heal a broken heart when you are undead How does a Yeti go about getting an editorial job at Vogue If you're engaged to Frankenstein should the wedding ceremony be Methodist or Catholic Does that vampire stay in his crypt all day because sunlight will burn him to ashes or because he has social anxiety disorder With illustrations from Google's Willie Real Sad Monsters explores the secret lives of all your favourite monsters from pop culture literature and right outside your bedroom window WARNING Do not read this book if you have recently experienced monster related heartbreak Especially if that heartbreak involved a werewolf and could better be described as heart gnaw In this book you will find monsters who are sad misunderstood discouraged lonely and in many cases demonized particularly the demons Perhaps someday you will realize that inside each of them is a human or at least parts of one Because these monsters hunger for more than man flesh they hunger for love Exploring the secret lives of monsters from literature and popular culture Frank Lesser presents Godzilla facing an existential crisis a yeti longing to work for Vogue magazine while Hansel and Gretel's witch complains about her new no child diet Sad Monsters catalogues the mood swings shortcomings and neuroses of ghouls goblins and unicorns and proves that monsters are only human

**Be a Good in the World** Brenda Knight, 2015-04-14 In the hurly burly of this busy world simple kindness and goodness can get left behind in the rush to be first in line to the top of the corporate ladder and to have the most likes But what does it all mean at the end of the day Isn't being a good person and making real contributions to the world more important than anything else Author Brenda Knight part of the team who made the world a better place with Random Acts of Kindness as well as a little more thankful with The Grateful Table writes At the end of life I feel sure having lots of money fancy cars and real estate is not nearly as important as how much love you gave to the world This realization was the inspiration for Be a Good in the World a book of good days filled with ideas for making a difference
