**The Multigenerational Church Crisis** Bryan Chapell, 2025-05-06 Harness the strengths of every generation to create a church that endures open the lines of communication appreciate the experiences that shaped each generation in your church unite in one mission to impact your community and the world It may seem hard for younger Christians to believe that people over 50 were raised during an era when 90 percent of Americans identified as Christian These older believers were once part of a majority group that understood the mission of the church was to take control of our culture to halt its evils At the same time Christians under 50 have lived their entire lives perceiving themselves as a minority that needs to make credible their faith to a secular pluralistic culture These distinct experiences and perceptions have a profound impact on the priorities different generations have for church ministry It s no wonder that younger and older believers don t always see eye to eye But imagine what could be accomplished in the name of Christ if we could better understand each other and turn that understanding into shared purpose and aligned priorities Backed by thorough research this eminently practical and hopeful book from pastor and scholar Bryan Chapell shows you how to open the lines of communication appreciate the experiences that shaped each

generation in your church and unite in one mission to impact your community and the world **Peloubet's Select Notes on the International Bible Lessons for Christian Living**, 1883 **Better Together Success Pack** Carole Lewis, First Place 4 Health, 2011-07-12 Everything members and participants need to engage with First Place 4 Health's 2011-2012 theme Better Together created to maximize effective support groups a key to healthy lasting change Includes Better Together Bible Study Better Together Devotional and a Better Together Inspirational CD which contains a Better Together message from FP4H National Director Carole Lewis **Faith with Benefits** Jason Edward King, 2017 Hookup culture has become widespread on college campuses and Catholic colleges are no exception Indeed despite the fact that most students on Catholic campuses report being unhappy with casual sexual encounters most studies have found no difference between Catholic colleges and their secular counterparts when it comes to hooking up Drawing on a survey of over 1000 students from 26 institutions as well as in depth interviews Jason King argues that religious culture on Catholic campuses can in fact have an impact on the school's hookup culture but when it comes to how that relationship works it's complicated In Faith with Benefits King shows the complex way these dynamics play out at Catholic colleges and universities There is no straightforward relationship between orthodoxy and hookup culture some of the schools with the weakest Catholic identities also have weaker hookup cultures And not all students define the culture in the same way Some see a hookup as just a casual encounter where others see it as a gateway to a relationship Faith with Benefits gives voice to students revealing how their faith the faith of their friends and the institutional structures of their campus give rise to different hookup cultures In doing so King addresses the questions of students who don't know where to turn for practical guidance on how to navigate ever shifting campus cultures reconciling their faith with their relationships Students parents faculty administrators indeed anyone who cares about Catholic teenagers and young adults will find much of value in this book [The Worry-Free Parent](#) Sissy Goff, 2023-08-22 Worry is contagious but you can stop its spread Anxiety has an amazing ability to spread Time and time again when veteran counselor and parenting expert Sissy Goff has an anxious child or teen in her office she's found they have at least one very well intentioned but anxious parent Anxiety is contagious and it's likely affecting your kids distracting you in the present and making you feel like it will define your family's future It doesn't have to be this way With over 30 years of experience helping both children and adults Sissy offers you practical well researched tools that will make a difference in your life and the lives of your children Learn how to uncover the roots of your own anxiety process anxiety in healthy ways rather than passing it on model bravery discover a place of deeper freer connection to your kids Here is the help you need to experience freedom from anxiety raise confident courageous kids and become a worry free family in an increasingly anxious world Also available [The Worry Free Parent Workbook](#) a companion resource that provides clinically proven exercises to help you pinpoint the best anxiety fighting tools for you and your family *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, 1880
