Chamber's Journal of Popular Literature, Science and Arts ,1856 **Contemporary Gay American Poets and Playwrights** Emmanuel S.

Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne

Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies

The Serpent and the Walking Stick Lucille Delgado Bridges,2018-12-17 When Alma became deaf from an accident as an infant her life became a torrent of tribulations and abuse Her constant struggle for survival was epic and without a miracle she was doomed In this book of the Delgado family saga you will learn of the incredible miracles witnessed and brought to life in this unbelievable true story This life changing episode will bring you to the edge of your seat and touch every emotion you have ever experienced You will be shocked at how family and mankind can be so cruel and merciless toward the less fortunate The constant battle between good and evil can take many unexpected and dangerous turns Not even man s best friends are immune to the devil s hidden depth within those who are possessed Only God can change the outcome and the direction of those who set out to harm and destroy the innocent In this incredible book you will learn that with God all things are possible Because when the Lord has your back you can become safely bulletproof But sometimes the emotional damage left behind can be just as crippling and painful You won t want to miss the conclusion of this heart pounding episode in *The Serpent and the Walking Stick 2* and witness even more great miracles that God has in store for this dysfunctional family
