**Judgment and Salvation** Dustin G. Burlet, 2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i e salvation not judgment The focus of the Genesis flood is acutely bent towards God s salvific rather than punitive purposes The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God s intention for creation is not thwarted and secondly God commits himself to his intentions of creation God s intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle *Christian Dogmatics* Carl E. Douglas Green, Geoffrey Thomas, Caroline S. Kelly, Michael Tuuri, Peter Leithart, This issue of the Journal of Christian Reconstruction focuses on the specific and immediate application of Christian Reconstruction in our society today Our major concern in this symposium is not with long term future scenarios such as a vast revival although we pray for it every day or some type of economic crisis although this is likely enough but with what we can trace of the blessed work of the Holy Spirit in applying the transforming Gospel of grace to all areas of our contemporary life and society here and now We conservative Christians have been fairly adept at discerning and describing the evils and impending disasters of our time Calling evil by its true name is after all an important part of any biblically based prophetic ministry Diagnosis is an essential part of the curative process in medicine theology and every other field But at the same time many of us have so tended to focus on the diagnosis of evil that we have failed to look up and see the widespread healing and impartation of new life that is going on all around us

**Adventism Confronts Modernity** Robert J. Mayer, 2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible's inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance Adventism Confronts Modernity describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible's inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy

Shiell,2011-09-16 When the New Testament was read publicly what effect did the performances have on the audience In *Delivering from Memory* William Shiell argues that these performances shaped early Christian paideia among communities of active engaged listeners Using Greco Roman rhetorical conventions Shiell s groundbreaking study suggests that lectors delivered from memory without memorizing the text verbatim and audiences listened with their memories in a collaborative process with the performer The text functioned as a starting place for emotion paraphrase correction and instruction In the process the performances trained and shaped the character of the reader and the formation of the audience The lector s performance functioned as a mirror for the audience to examine themselves as children of God These conventions shaped the ways lectors performed Jesus Just as the New Testament reflects many titles for Jesus so the canonical form of the Gospels offers many ways Jesus was performed in the ancient world By interpreting through the eyes of performance we join a conversation that has existed since the formative stages of the Christian movement By performing with the ancient audience we shape the character of reader and audience through the emotions rhetorical figures and memories in the text We raise new questions about audiences in the ancient world and interpret stories through the ears of performance Text and Canon of the Hebrew Bible Shemaryahu Talmon,2010-06-30 The essays by Shemaryahu Talmon 1920 December 15 2010 presented in this fourth volume of his collected studies in English were written against the background of the momentous manuscript finds at various sites in the Judean Desert including approximately 200 biblical or Bible related manuscripts and manuscript fragments discovered at Qumran These discoveries date from the crucial period of the turn of the era and afford scholars unprecedented information on the early transmission history of the biblical text Talmon likens the transmission process in agreement with Paul Kahle and contrary to Paul de Lagarde to a confluence of variant pristine traditions that Judaism Christianity and the Samaritan communities severally channeled into one fixed and closely circumscribed text form It is his thesis that at least some of the biblical manuscripts and fragments from Qumran preserve original variants of the wording in the Masoretic Text which eventually was recognized and transmitted in Judaism

as the acclaimed and exclusively binding wording of the Hebrew Bible These manuscripts and fragments evidence a textual strategy consisting of the interaction of the original authors and the transmitters of their work Scribes and editors were minor partners of the authors They did not refrain from occasionally changing wordings within a given range of poetic license often adapting literary techniques and patterns that had been used by the primary creators of the texts that they copied The 18 essays reprinted in this volume relate to a variety of phenomena that affected the biblical literature in the stages of transition from oral tradition to hand written transmission initially in Paleo Hebrew then in the square alphabet and ultimately in the promulgation of the Masoretic version in print Talmon s articles published herein initially appeared over a period of about 50 years thus giving expression to his developing thought regarding the transmission history of the biblical text up to the present time The papers have undergone revision in the process of preparing the present volume Scholars and students alike will benefit from owning and using this superb comprehensive collection of studies
