Twenty-Five Women Who Shaped the Ottoman Empire Ruth Miller, 2025-03-26 *Twenty Five Women Who Shaped the Ottoman Empire* is a tale of how women s triumphs as well as their failures shaped a global society not despite but because of gender The Ottoman Empire was among the longest lived polities in history stretching between the thirteenth and twentieth centuries across three continents several seas and scores of cities deserts mountain ranges rivers and forests This volume provides a compendium of idiosyncratic life stories and explores how women from these eras and regions understood the shape of the world in which they lived and how they brought their consciousness of their gender to their efforts to re shape it Among the questions explored in the book are how women have negotiated and constructed the public and private spheres how to define women s speech in a world mediated by men and male dominated genres and institutions and how women experienced their bodies as sites of politically inflected reproduction death and decay The book is thus an accessibly offbeat feminist overview of the field of Ottoman History that provides students scholars general readers and non specialists with insights into the lives and work of both ordinary Ottoman women and celebrated Ottoman women women who failed despite their best efforts and women who succeeded against all odds suicides spies and murderers as well as queens scientists and poets

Dervishes and Islam in Bosnia Ines Aščerić-Todd, 2015-01-27 In *Dervishes and Islam in Bosnia* Ines Aeri Todd explores the involvement of Sufi orders in the formation of Muslim society in the first two centuries of Ottoman rule in Bosnia 15th 16th centuries C E Using a wide range of primary sources Aeri Todd shows that Sufi traditions and the activities of dervish orders were at the heart of the religious cultural socio economic and political dynamics in Bosnia in the period which witnessed the emergence of Bosnian Muslim society and the most intensive phase of conversions of the Bosnian population to Islam In the process she also challenges some of the established views regarding Ottoman guilds and the subject of futuwwa Sufi code of honour The Oxford Handbook of the Theory of International Law Anne Orford, Florian Hoffmann, Martin Clark, 2016 *Histories Approaches Regimes and doctrines Debates* Empires of Islam in Renaissance Historical Thought Margaret MESERVE, Margaret Meserve, 2009-06-30 Renaissance humanists believed that the origins of peoples could reveal crucial facts about their modern political character Margaret Meserve explores what happened when European historians turned to study the political history of a faith other than their own Meserve investigates the methods and illuminates the motives of scholars negotiating shifting boundaries between scholarly research and political propaganda between a commitment to critical historical inquiry and the pressure of centuries of classical and Christian prejudice between the academic ideals of humanism and the everyday demands of political patronage Drawing on political oratory diplomatic correspondence crusade propaganda and historical treatises Meserve shows how research into the origins of Islamic empires sprang from and contributed to contemporary debates over the threat of Islamic expansion in the Mediterranean Humanist

histories of the Turks were sharply polemical portraying the Ottomans as a rogue power But writings on other Muslim polities include some of the first positive appraisals of Muslim statecraft in the European tradition This groundbreaking book offers new insights into Renaissance humanist scholarship and the longstanding European debates over the relationship between Christianity and Islam Encyclopedia of the Ottoman Empire Gábor Ágoston, Bruce Alan Masters, 2009 Presents a comprehensive A to Z reference to the empire that once encompassed large parts of the modern day Middle East North Africa and southeastern Europe Origins of the Ottoman Dynasty Kemal Silay, 2024-06-11 Ahmedi s History of the Kings of the Ottoman Lineage and Their Holy Raids against the Infidels is the foundation text for the study of the rise of the Ottoman State Virtually every scholarly work dealing with the subject refers to his versified account of the early Ottomans Even though it encompasses only a limited period of the Ottoman dynastic history its importance derives from the fact that it is the oldest annalistic account of Ottoman history that has come down to us Because the earliest Ottomans left no accounts of themselves Ahmedi s work became the key source though almost always without a proper reading of the text for subsequent theories regarding the social and political structure of the early Ottoman State *Architecture and Hagiography in the Ottoman Empire* Zeynep Yürekli, 2016-04-15 Based on a thorough examination of buildings inscriptions archival documents and hagiographies this book uncovers the political significance of Bektashi shrines in the Ottoman imperial age It thus provides a fresh and comprehensive account of the formative process of the Bektashi order which started out as a network of social groups that took issue with Ottoman imperial policies in the late fifteenth century was endorsed imperially as part of Bayezid II s r 1481 1512 soft power policy and was kept in check by imperial authorities as the Ottoman approach to the Safavid conflict hardened during the rest of the sixteenth century This book demonstrates that it was a combination of two collective activities that established the primary parameters of Bektashi culture from the late fifteenth century onwards One was the writing of Bektashi hagiographies they linked hitherto distinct social groups such as wandering dervishes and warriors with each other through the lives of historical figures who were their patron saints idols and identity markers such as the saint Hac Bekta and the martyr Seyyid Gazi while incorporating them into Ottoman history in creative ways The other one was the architectural remodelling of the saints shrines In terms of style imagery and content this interrelated literary and architectural output reveals a complicated process of negotiation with the imperial order and its cultural paradigms Examined in more detail in the book are the shrines of Seyyid Gazi and Hac Bekta and associated legends and hagiographies Though established as independent institutions in medieval Anatolia they were joined in the emerging Bektashi network under the Ottomans became its principal centres and underwent radical architectural transformation mainly under the patronage of raider commanders based in the Balkans In the process they thus came to occupy an intermediary socio political zone between the Ottoman empire and its contestants in the sixteenth century **Rethinking Architectural Historiography** Dana Arnold, Elvan Altan Ergut, Belgin Turan Ozkaya, 2006-09-27 Rather than subscribing to a single position

this collection informs the reader about the current state of the discipline looking at changes across the broad field of methodological theoretical and geographical plurality Divided into three sections Rethinking Architectural Historiography begins by renegotiating foundational and contemporary boundaries of architectural history in relation to other fields such as art history and archaeology It then goes on to critically engage with past and present histories disclosing assumptions biases and absences in architectural historiography It concludes by exploring the possibilities provided by new perspectives reframing the discipline in the light of new parameters and problematics This timely and illustrated title reflects upon the current changes in historiographical practice exploring potential openings that may contribute further transformation of the disciplines and theories on architectural historiography and addresses the current question of the disciplinary particularity of architectural history Turkish Public Administration Naim Kapucu, Hamit Palabıyık, 2008 *Ottomans, Hungarians, and Habsburgs in Central Europe* Pál Fodor, Géza Dávid, 2000-01-01 This unique comparative description of the Hungarian Habsburg and Ottoman military frontiers in the fifteenth seventeenth centuries provides fascinating reading to those interested in military history It concentrates on the administration finance manpower problems and aspects of the military revolution in the marches
