The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.] Thomas GOODWIN (D.D.),1683 **Face to Face** Marty Folsom,2016-08-31 Like falling in love this book argues that a relationship with God begins with surprise proceeds with discovery and shapes a life that comes to share a story of love This book does not describe God but pursues the nature of personally relating with the triune God Consequently it also engages how we relate with humans made in God s image We finish the Face to Face series with this most mysterious and fulfilling encounter a personal engagement with the Relational God known as a community of persons who invite us to share in their life **Straight to the Pointlessness** Mark Hart,2011-01-13 **The God who Speaks** Ben Campbell Johnson,2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voce of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God s voice in daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God s language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of GodSpeech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson s discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God s voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks **Theology as Discipleship** Keith L. Johnson,2015-11-09 In this fresh and engaging text Keith Johnson examines how the discipline of theology not only leads to discipleship but is itself a way of following after Christ in faith Unlike other introductions that overview doctrines according to the Apostles Creed Johnson presents theology by describing the Christian life being in Christ hearing God s Word and sharing the mind of Christ
