Catalan Culture, 2018-03-28 This volume presents studies of some of the key artistic manifestations in Catalonia in recent times a period of innovation and experimentation and addresses issues concerning literature film theatre and performance art From the creation of a new popular theatre in the work of the Valencian playwright Rodolf Sirera or the conception of landscape myth and memory in the late work of the novelist Merc Rodoreda and the urgency of memory and remembrance in the writings of Jordi Coca the effects of censorship in Catalonia appear to have proved a spur and a challenge to writers Desiring to occupy illegal spaces performance groups have manifested both literally and metaphorically the international dimension of Catalan culture in the modern period posed in the present volume by the instances of La Cubana and Els Joglars and further evidenced in the cross fertilization in the work of contemporary Catalan playwrights and filmmakers to foreground issues of national plurality and tensions arising between the periphery Catalonia and the centre Spain and Castile

Seville, Córdoba, and Granada Elizabeth Nash, 2005-10-13 Spain's southern city of Seville basks in romantic myths and legends evoking the scent of jasmine and orange blossom But there is an ascetic core to its sybaritic spirit For all their fame as passionate performers the poet Unamuno called Sevillanos finos y frios refined and cool Once Europe's most cosmopolitan metropolis bridging cultures of East and West and hub of a sea borne empire Seville was defined by Spain's great seventeenth century playwright Lope de Vega as port and gateway to the Indies The city retains both the swagger of its seafaring heyday and the sensual flavor of Moorish al Andalus Seville produced Spain's lowest ruffians grandest grandees and a seductive gypsy culture that colors our wider perception of Spain Elizabeth Nash explores the palaces the mosques the patios fountains and wrought iron balconies of Seville Córdoba and Granada cities celebrated for centuries by Europe's finest painters poets satirists and travel writers for their voluptuous beauty and vibrant cultural mix

Bibles and Baedekers Michael Grimshaw, 2014-12-05 Contemporary tourism and travel have become a form of religion a new opiate of the masses However could Church and theology be religious forms of tourism and travel Bibles and Baedekers offers a theology of tourism and exile for a modern and postmodern world It examines the ways in which location identity and movement have made use of religious texts and metaphor and questions the relative absence of secular texts and ideas in theology The theology of the tourist and traveller is

one of new experiences the acquisition of identity through movement Bibles and Baedekers uniquely applies this to the postmodern Christian embodying the fulfilment of Bonhoeffer's religionless Christianity dislocated from both a secular and religious world

The Memory of Architecture in Edith Wharton's Travel Writings Ágnes Zsófia Kovács, 2024-09-13 Edith Wharton was not only the author of novels and short stories but also of drama poetry autobiography interior decoration and travel writing This study focuses on Wharton's symbolic representations of architecture in her travel writings It shows how a network of allusions to travel writing and art history books influenced Wharton's representations of architectural and natural spaces The book demonstrates Wharton's complex relationship to works of art historians John Ruskin mile M le Arthur C Porter and travel authors Wolfgang Goethe Henry Adams Henry James in the trajectory of her travel writing Kovács surveys how the acknowledgment of Wharton's sources sheds light both on the author's model of aesthetic understanding and scenic architectural descriptions and how the shock of the Great War changed Wharton's travel destinations but not her symbolic view of architecture as a mediator of things past Wharton's symbolic representations of architecture provide a new key to her travel writings

Andalucia Andrew Edwards, Suzanne Edwards, 2016-09-23 Andalucia is the quintessence of Spain and yet historically and culturally it is surprisingly unlike the rest of the country Its literary history began to develop with the Romans and reached an early flowering when Arabic poets drew on centuries of literary tradition together with the landscapes and passions of Moorish Spain Later Prosper Mérimée Byron and Washington Irving forged legends of exotic southern Spain that persist to this day

and Spanish writers themselves captured the rich tapestry of Andalusian culture from Cervantes Seville to the Córdoba of Baroque poet Luis de Góngora and Lorca's hidden Andalusia. With the advent of the Civil War a new generation flocked to Andalusia and were inspired to write some of the twentieth century's most iconic works of literature from Hemingway's *For Whom the Bell Tolls* to Gerald Brenan's *The Spanish Labyrinth* and Laurie Lee's trilogy of books. As vibrant and compelling as the region itself, Andalusia: A Literary Guide for Travellers illuminates the very soul of Spain.

The Journey of Hope Patricia Hope, 2003-04-23 The Journey of Hope presents the author's struggles to uncover personal history long hidden by the Tennessee Children's Home Society (TCHS). Beginning chapters describe why she was taken from her mother and handed over to Georgia Tann at TCHS in 1936 at the age of four. Early memories include riding in the big black car that took her from Memphis to Odessa, Texas, to a family that added the name Patricia and gave her a new life. In 1987 she decides to confront her past and search for her birth parents and the truth behind her legal abduction and illegal adoption. What she discovers is both joyous and harrowing. She tells of the process of finding siblings and visiting the graves of her parents and Tann. Her work discusses her rejuvenated commitment to God and faith and how she forgave Tann, who sold children for profit and the judge that facilitated her efforts. Crafted from personal experiences, this is a moving account that has a strong authorial voice that resonates throughout. The work is confidently written, drawing the reader into the fabric of the story. The pain and emotion is subtly woven into the richly textured narrative, making for affecting reading. *From Tragedy to Triumph* explores how her devotion has guided her through the emotional process and helped her see the hope in an unfortunate situation.

Nationalism and the Nation in the Iberian Peninsula Clare Mar-Molinero, Angel Smith, 2020-08-20 Nationalism has recently been the focus of considerable interest, but relatively little is known about nation building and competing identities in Spain and Portugal. In examining the roots of Iberian nationalism and the conflicts and tensions which have come to the fore in the twentieth century, this timely collection offers a broad interdisciplinary base and socio-historical context through which to understand the region's nationalist challenges. Topics include how nationalism is constructed and used as a tool by political groups; how language is used as a nationalist emblem; and how cultural representations of nationalism manifest themselves at both a popular level and at the level of elites. This book will provide a welcome addition to Iberian studies and invaluable insights for students and specialists alike.

Contesting Art Jeremy MacClancy, 2020-08-27 Art is a major political weapon of our times. Today peoples around the world use art to boost their own identity and to attack the ways others represent them. At a time of increasing intercultural exchange, art has become a primary means through which groups reinforce their challenged sense of culture. This pioneering book breaks with the tradition of the anthropology of art as the depoliticized study of aesthetics in exotic settings. Transcending artificial distinctions between the West and the Rest, it examines the increasingly significant relations among art, identity and politics in the modern world. Among the themes investigated by the contributors: how African painters undermine racist stereotypes yet remain dominated by the Western art

market the role of anthropology museums in the perpetuation of the Western market in tribal art the internal and external political disputes underlying the repatriation of cultural property **London Magazine** ,1994 *British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain* ,2002 **Hope** Pope Francis,Jorge Mario Bergoglio,2025-01-14 NEW YORK TIMES BESTSELLER Pope Francis originally intended this exceptional book to appear only after his death but the needs of our times and the 2025 Jubilee Year of Hope have moved him to make this precious legacy available now Hope vividly recreates the colorful world where the young Jorge Mario Bergoglio grew up The New York Times Hope is the first autobiography in history ever to be published by a Pope Written over six years this complete autobiography starts in the early years of the twentieth century with Pope Francis s Italian roots and his ancestors courageous migration to Latin America continuing through his childhood the enthusiasms and preoccupations of his youth his vocation adult life and the whole of his papacy up to the present day In recounting his memories with intimate narrative force not forgetting his own personal passions Pope Francis deals unsparingly with some of the crucial moments of his papacy and writes candidly fearlessly and prophetically about some of the most important and controversial questions of our present times war and peace including the conflicts in Ukraine and the Middle East migration environmental crisis social policy the position of women sexuality technological developments the future of the Church and of religion in general Hope includes a wealth of revelations anecdotes and illuminating thoughts It is a thrilling and very human memoir moving and sometimes funny which represents the story of a life and at the same time a touching moral and spiritual testament that will fascinate readers throughout the world and will be Pope Francis s legacy of hope for future generations The book is enhanced by remarkable photographs including private and unpublished material made personally available by Pope Francis himself
