Between the Lines Orel Hershisier, 2001 **Smart Baseball** Buddy Bell, Neal Vahle, 2013-10-22 A fascinating and informative look at what goes on in the psyche of professional baseball players as they play the game Smart Baseball is a unique chance for baseball fans to see what it takes for ballplayers to succeed at the Major League level What goes on in a baseball player's mind is critical to the outcome of the game Since most major leaguers are in peak physical condition the difference between success and failure on the field often depends on a player's mental approach Looking at everything from a player's confidence to his leadership skills instincts and hunches Smart Baseball uses entertaining anecdotes to get inside the mind of baseball's greats and show fans what goes through a player's head when he steps onto the field Smart Baseball presents the knowledge and accumulated experience of one of the few three generation baseball families the Bells In addition this book is full of insights from more than one hundred of Major League Baseball's greatest players from Willie Mays to Barry Bonds to Ferguson Jenkins **The Most Important Place on Earth** Robert Wolgemuth, 2006-10-01 Many people did not grow up in a Christian home and many more do not consider their childhood experience a good model Robert Wolgemuth presents this inspiring practical book for people who want to have a Christian home So what's so great about a Christian home There's redemption There's forgiveness There's hope Laughter and genuine happiness There's discipline and purpose there And there's grace lots of grace The Most Important Place on Earth covers eight answers to the question What does a Christian home look like It's filled with stories and practical ideas that will convince any reader that a Christian home is not an elusive stereotype It's something that really can be achieved And it's something worth having You'll see **Chicken Soup for the Baseball Fan's Soul** Jack Canfield, Mark Victor Hansen, 2012-08-28 Play Ball These words resonate with special meaning in the minds of anyone who has ever enjoyed a game of baseball Every fan will be amused and touched by stories of sportsmanship and victory gathered from the clay diamonds of America **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, **Coherence, Continuity, and Cohesion** Kim Sydow Campbell, 2013-10-18 There is a need for general theoretical principles describing explaining effective design those which demonstrate unity and enhance comprehension and usability Theories of cohesion from linguistics and of comprehension in psychology are likely sources of such general principles Unfortunately linguistic approaches to discourse unity have focused exclusively on semantic elements such as synonymy or anaphora and have ignored other linguistic elements such as syntactic parallelism and phonological alliteration They have also overlooked the non linguistic elements visual factors such as typography or color and auditory components such as pitch or duration In addition linguistic approaches have met with criticism because they have failed to explain the relationship between semantic cohesive elements and coherence On the other hand psychological approaches to discourse comprehension have considered the impact of a wider range of discourse elements typographical cuing of key terms to enhance comprehension but have failed to provide general theoretical

explanations for such observations This volume uses Gestalt theory to provide general principles for predicting one aspect of coherence that of continuity across the entire range of discourse elements and also to outline the relationship between cohesion and coherence The theoretical core of this book argues that the cognitive principles that explain why humans sense unity in a succession of sounds a whole musical piece or in a configuration of visual shapes a complete object are the basis of principles which explain why we sense unity in oral written and electronically produced documents *Media Review Digest* C.
