## **Between Two Horizons Spanning New Testament Studies And Systematic Theology:**

**Between Two Horizons** Joel B. Green, Max Turner, 2000 This book constructively explores the question What effects should an interest in theology produce in the reading of Scripture Since the onset of historical consciousness in biblical studies over two centuries ago the work of biblical exegetes and systematic theologians have largely followed two paths In this book nine prominent scholars work to bridge the longstanding gap between biblical studies and theology by concentrating on the nature of a biblical hermeneutics approach to doing theology The range of concerns presented by these scholars seeks to reintegrate biblical exegesis with contemporary theology in the service of the church *The New Heaven and New Earth* Raymond R. Hausoul, 2020-04-09 There is a growing focus on the Christian confession of God's completed kingdom the new heaven and the new earth This theme has time and again seduced people into elaborate fantasies that stimulated the senses How can we talk about it meaningfully Raymond R Hausoul relates systematic theology to biblical theology by comparing three theologians the Catholic theologian Karl Rahner the Protestant Jürgen Moltmann and the Reformed Gregory Beale This leads to reflections on differences between matter space and time of the new heaven and new earth and those of our present reality The hope for renewal and resurrection is thus linked to the prophecies of the new Jerusalem the tree of life and the resurrection body **New Testament Theology and Its Quest for Relevance** Thomas Hatina, 2013-03-14 This guide to structuring and creating a New Testament theology shows students how to examine ancient texts in the modern world **Verbum Domini and the Complementarity of Exegesis and Theology** Scott Carl, 2021-09 In Verbum Domini his 2010 apostolic exhortation Pope Benedict XVI challenged the church to keep theology firmly rooted in the study of Scripture The essays collected here respond thoughtfully and concretely to that charge together demonstrating that exegesis is essential to the theological task and to faith for scholars students and the broader Church

**Contextualization in the New Testament** Dean Flemming, 2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about how to speak and live the gospel in today's traditional modern and emergent cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book

that will revitalize the conversation and refresh our speaking and living the gospel in today's cultures whether in traditional modern or emergent contexts     **A Handbook of New Testament Exegesis** Craig L. Blomberg, Jennifer Foutz

Markley, 2010-11 This accessible handbook provides sound guidance on how to study the New Testament in depth offering a step by step approach to the exegetical task     *Christ and the New Creation* Matthew Y. Emerson, 2013-04-10 In *Christ and the New Creation* Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology Although typically confined to Old Testament theology Emerson sees fruitfulness in applying this method to New Testament theology as well Instead of a thematic or book by book analysis Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape He concludes that the order of the books of the New Testament emphasize the story of Christ's inauguration commissioning and consummation of the new creation     Repentance in Christian Theology Mark J. Boda, Gordon T. Smith, 2006 This volume is a major

resource for the interpretation theology and practice of communal and individual penitence It gives teachers preachers and serious students of theology an exhaustive source of information and inspiration for renewing the initial call of Jesus to Repent and believe in the Gospel Mark 1:15     Paul's Divine Christology Chris Tilling, 2015-02-10     **Theological Exegesis in the Canonical Context** Chen Xun, 2010 Modern Christian theology has been problematic with the schism between the Bible and theology and between biblical studies and systematic theology Brevard Springs Childs is one of those biblical scholars who dismiss this iron curtain separating the two disciplines Theological Exegesis in the Canonical Context Brevard Springs Childs's Methodology of Biblical Theology analyzes Childs's concept of theological exegesis in the biblical canons Childs disregards negative influences of the historical critical method by establishing canon based theological exegesis that leads into confessional biblical theology He demonstrates forcefully the inadequacies of the historical critical method in practicing biblical theology His canonical approach establishes post critical Christian biblical theology and works within the traditional framework of faith seeking understanding Childs's biblical theology has a double task descriptive and constructive the former connects biblical theology with exegesis the latter with dogmatics He uses a comprehensive model that combines a thematic investigation of the essential theological contents of the Bible with a systematic analysis of the contents of the Christian faith Childs's theological exegesis in the canonical context offers a new interpretation in the modern history of Christian theology     Interpreting the Old Testament after Christendom Jeremy Thomson, 2021-07-23 How would you describe the Old Testament Offensive violent patriarchal archaic difficult boring obsolete Many Christians don't bother with it anymore Yet these ancient books were in Jesus' lifeblood and they provided the thought world of those early followers who wrote about him in what became the New Testament This book challenges those stereotypes of Israel's Scriptures by exploring their significance in the apostolic writings and by demonstrating the importance of whole books for nuanced interpretation It takes readers on a tour through four key books before considering the wider issues of interpretation that

readers must consider in order to hear God's Spirit speaking afresh to a range of contemporary concerns including racism and the environment

**The Eternal Generation of the Son** Kevin Giles, 2012-05-07 Theologian Kevin Giles defends the historically orthodox doctrine of the eternal generation of the Son of God. He argues on biblical, historical, and theological bases that given its fundamental meaning, this doctrinal formulation is indispensable, irreplaceable, and faithful to Christian revelation.

As Christ Submits to the Church Alan G. Padgett, 2011-08 The Inferno has Evolved. Lana Harvey is a reaper and a lousy one at that. She resides in Limbo City, the modern capital of the collective afterlives, where she likes to stick it to the man, the legendary Grim Reaper himself, by harvesting the bare minimum of souls required of her. She'd much rather be hanging out with Gabriel, her favorite archangel, at Purgatory Lounge. But when a shocking promotion falls in her lap, Lana learns something that could unravel the very fabric of Eternity. If the job isn't completed, there could be some real hell to pay.

**Psalms** Geoffrey Grogan, 2008-04-22 Geoffrey Grogan evaluates the different scholarly approaches to Psalms and analyses their contemporary relevance. He provides an exegesis of each psalm and incorporates a full survey of Psalter's theological themes.

**Trinitarian Interpretation in Light of the Identity of YHWH as the Triune God** Alias K. Eldhose, 2024-01-10 Have you ever wondered how to maintain an understanding of monotheism in light of the Christian understanding of the triune Godhead? Have you ever wondered about the identity of YHWH in the Old Testament? Have you identified YHWH as the first person of the Trinity, as many in the Christian tradition have? If so, this book is for you. Many of the early Trinitarian heresies stemmed from a misunderstanding of YHWH in the Old Testament, especially identifying YHWH as one person and not multiple persons. This book addresses issues relating to the identity of YHWH in the Old Testament and makes the bold claim that YHWH is multiple persons in the OT, and therefore Father is YHWH, Jesus is YHWH, and the Holy Spirit is YHWH. This conclusion is based on sound exegesis of OT/NT passages, the early Christian understanding of God in the Old Testament, and the New Testament's identification of Jesus in the identity of YHWH. If identified thus, a Christian reading of the entirety of Scripture will take on new meaning, resulting in a robust Trinitarian interpretation of Scripture.

**Best Bible Books** John Glynn, Michael H. Burer, 2019-03-21 There are thousands of excellent resources in the field of New Testament studies. But which tools are best for sermon preparation, topical study, research, or classroom study? In *Best Bible Books*, the authors review and recommend hundreds of books, saving pastors, students, and scholars time, effort, and money. Glynn and Burer examine commentaries on every book of the New Testament, describing their approach, format, and usability; they then rank them on a scale of good, better, and best. Other chapters survey special studies for each New Testament book, as well as books in related disciplines such as historical background, language resources, and hermeneutics. Also included are helpful chapters on building a must-have personal library and identifying books that comprise the ultimate New Testament commentary collection. This is an indispensable resource for any serious student of the Bible.

**The Characterisation of Jesus the Davidic Shepherd in Mark's Gospel** Edmund Yiu-ming Leung, 2025-03-17 *A Distinct*

*Twenty-First Century Pentecostal Hermeneutic* Harlyn Graydon Purdy, 2015-06-22 Why another book about biblical interpretation hermeneutics First this is not just another book about hermeneutics It deals specifically with hermeneutics as practiced by Pentecostals rather more accurately as hermeneutics should be practiced by Pentecostals The book presents a distinct Pentecostal hermeneutic that moves away from exclusive use of historical grammatical methodology The hermeneutic presented here employs an eclectic methodology and a quadratic strategy Scripture Spirit trained leader and community in the proposed hermeneutic are shown to work together to produce an interpretation that engages both creative imagination and authorial intent The text offers pastors professors and laity alike a method and approach that will allow them to interpret Scripture from a clearly Pentecostal perspective An important addition to the book is an outline for an undergraduate course instructing students in this distinct Pentecostal hermeneutic      **Inductive Bible Study** David R.

Bauer, Robert A. Traina, 2011-04-01 Following up Robert Traina's classic *Methodical Bible Study* this book introduces the practice of inductive Bible study to a new generation of students pastors and church leaders The authors two seasoned educators with over sixty combined years of experience in the classroom offer guidance on adopting an inductive posture and provide step by step instructions on how to do inductive Bible study They engage in conversation with current hermeneutical issues setting forth well grounded principles and processes for biblical interpretation and appropriation The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms

Because You Bear This Name Bonnie Howe, 2006 This study uses conceptual metaphor theory and methodology to analyze the cultural logic and symbolic context moral content and ethical implications of 1 Peter Conceptual metaphor study helps explain how people generate ethical understandings it can help us recognize and account for lively moral discourse between the NT and contemporary readers
