*Mindfulness for Teen Athletes*

Roberto Dessert Werner, You re a talented athlete You ve put in countless hours of physical training Your body is primed for performance But something keeps holding you back your mind And that s exactly what this practical no nonsense workbook addresses *Mindfulness for Teen Athletes Mental Training Workbook for Peak Performance Focus and Anxiety Control* cuts through the fluff and delivers what actually works for young competitors This isn t some theoretical mumbo jumbo or watered down psychology It s a straightforward approach based on Rational Emotive Behavior principles and mindfulness techniques that have been proven effective with athletes at all levels Let me tell you about Jamie a high school soccer player who came to me practically paralyzed by performance anxiety Before important games she d tell herself I HAVE to play perfectly or I ll let everyone down This absolutist thinking created so much pressure that she d freeze up during crucial moments Through the techniques in this workbook Jamie learned to challenge these irrational beliefs and replace them with more helpful thoughts I want to play well but mistakes happen to everyone and I can handle it if I don t play my best game The result More consistent performance and actual enjoyment of the sport she loves Then there s Marcus a talented basketball player who would become completely derailed after missing shots One missed free throw would spiral into catastrophic thinking I m a horrible player I ll never improve Through mindfulness training Marcus learned to stay in the present moment rather than dwelling on past mistakes or worrying about future outcomes He discovered how to acknowledge a missed shot without harsh self judgment reset his focus and move on to the next play This workbook provides teen athletes with concrete tools to Identify and dispute the irrational beliefs creating unnecessary anxiety Develop focused attention that improves performance Accept uncomfortable thoughts and feelings without being controlled by them Build pre competition routines that optimize mental readiness Bounce back quickly from mistakes and setbacks Perform consistently under pressure Each chapter includes real life examples from teen athletes clear explanations of key concepts and most importantly practical exercises you can implement immediately The workbook format allows you to apply these strategies directly to your specific sport and situation Parents and coaches will also find valuable insights into how they can support their athletes mental training without adding to performance pressure The final section provides specific guidance for creating a mindfulness supportive environment that enhances both performance and enjoyment What sets this workbook apart is its no nonsense approach There s no magical thinking just practical techniques based on how the mind actually works The mindfulness practices are specifically tailored for the unique challenges teen athletes face from social pressure to

academic athletic balance to the emotional intensity of competition Stop letting your thoughts sabotage your athletic potential With consistent practice of these mindfulness skills you ll develop the mental toughness that allows your physical talents to shine through when it matters most THE BOTTOM LINE Your thoughts and beliefs about performance have an enormous impact on your athletic success This workbook gives you the tools to identify unhelpful thinking patterns develop present moment awareness and perform at your peak even under pressure These are the same mental training techniques used by elite athletes around the world adapted specifically for teens If you re ready to transform your mental game and take your performance to the next level this workbook provides the clear actionable roadmap to get you there     **The Unstuck Playbook: Silence Your Inner Critic, Unlearn Limiting Beliefs, & Design a Life You Love.** D.
