Leaders today understand that too much ego can be destructive and can have broad ranging consequences for a team or a company When a leader is operating purely from ego instead of focusing on what s best for the team or the company the focus is often turned to what best satisfies their own personal agenda Although most of us are aware of the damaging impacts that these patterns can have many of us lack the knowledge or awareness to identify our own ego patterns or the strategies to move beyond them This book offers a highly practical and experiential path towards identifying ego patterns and leading beyond them It introduces a unique path the Inner Compass that has been tried and tested with top level executives and senior teams around the world This path helps solve the conflict that exists between subconscious ego driven defence mechanisms and the inner self s higher purpose It s a path that starts with self awareness and then continuously expands to include the impact on both teams and entire organizations It is a path that raises awareness and enables the reader to embrace conscious leadership not just as a concept but in every interaction in their leadership role In addition to being a book about leadership development BEYOND EGO takes the reader on a journey of personal growth and self actualization It provides the reader with a self help guide to personal development leading them towards their own inner compass Along that path it suggests using mindfulness meditation and yoga exercises to develop the holistic awareness needed to stay present to our own compass Highly relevant to readers coming from the areas of leadership management team leadership and HR BEYOND EGO supports the development of a servant leadership career forming the foundation of a sustainable ESG business culture built on conscious leadership What people are saying about the book Thought provoking and life changing in many ways Beyond Ego is a must read for all aspiring leaders Mark Siva Senior Vice President at Miele Leadership has become one of the most mystified and crowded topics Beyond ego is THE Guide for every leader to go straight to the core of leadership what matters most and can be most painful you Understanding who you are and how you connect this to the purpose of your business is key to be an authentic leader today and every day Marc Makowski VP Innovation Portfolio at Adidas Changing the world begins by transforming our inner world When we drop from our heads to our hearts and figure out what we really care about we can craft our life compass Thor provides you with effective guidance for that life long journey Halla Tomasdottir CEO of the B Team Evolve Graeme Findlay,2018-10-12 Leaders work hard to develop strong leadership capabilities in today s modern organizations for the benefit of their teams and for their own careers But sometimes conventional leadership theory fails to explain why our efforts fail to make an impact and arguably are

becoming less and less successful Why would this be The answer lies in our evolutionary history Leadership is integral to our success and evolution as a species as larger better functioning groups out survived fragmented groups that did not benefit from strong leadership Leader follower relationships are therefore deeply ingrained in our brains our instincts and our behaviour But our modern world with its technology connectedness and complexity has evolved much faster than our brains and our leader follower behaviour has not caught up Evolve charts the fascinating development of our evolutionary history to provide a profound understanding of human behaviour around leadership It also establishes a framework for the modes of leadership that shape the world today Through case studies and real world examples you will gain powerful insights into the nature of leadership now More importantly these insights inform the actions you can take in your own life to enable you to become a more aware mindful impactful and successful leader

Transcendent Leadership and the Evolution of Consciousness Lisa Aldon,2005-03-03 Is there a process to provide the opportunity for people to connect in the essence of spiritual humanism to undertake great and difficult tasks provide holistic contexts from which we can create our future together and cause us to take charge of our own evolution as we transcend Could this be the true nature of leadership The purpose of this book is to suggest that leadership theories are inadequate unless they include transcendence as an essential element influencing human behavior It is believed that if transcendence is included in leadership theories an ebb and flow relationship will exist providing opportunities where introspection and reflection of one's role can cause individual transcendence to a higher level of consciousness while at the same time causing transforming change in the individual and the organization This book examines theories of the evolution of consciousness as the context for understanding transcendence Utilizing the elements of transcendence and consciousness as a foundation these concepts could help further not only the study but the practice of leadership as well

Beyond Ego A Framework For Mindful Leadership And Conscious Human Evolution: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Beyond Ego A Framework For Mindful Leadership And Conscious Human Evolution : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Beyond Ego A Framework For Mindful Leadership And Conscious Human Evolution : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
