Be the Change Rita Verma, 2010 At a time when teachers are the scapegoats for all that is wrong with education Rita

Verma and colleagues push back by illuminating the critical and creative roles that teachers and youth are playing to make education impactful. The examples in this book model the possibilities for anti-oppressive activism through education and inspire Kevin Kumashiro, author of *The Seduction of Common Sense: How the Right has Framed the Debate on America's Schools*. Integrating Technology into the Curriculum 2nd Edition Kathleen N. Kopp, 2015-01-01. This updated edition provides teachers with practical information and the support they need to navigate the ever-changing advancements in technology which affects the learning environment for students. Featuring great tips, suggestions, and lesson ideas, this resource supports the purposeful infusion of technology into instruction across all content areas. Teachers will find resources and websites with free tools to help every educator navigate the often-intimidating technological landscape. A useful guide for all grades, this book will cut through the clutter and get the essential information needed to capitalize on the benefits technology has to offer 21st Century classrooms. U.S. News & World Report, 1992. *Forthcoming Books* Rose Arny, 2003. *Qualities of Sound Christian Education* Kevin F. Brownlee, 2014-03-20. Christian educators: What does God require of teachers? Are you integrating God's Word into every subject taught? Are you training your students' heart, and do you know how to teach honorable character, self-discipline, and godly decision-making? Christian school trustees: Do you know God's criteria when hiring teachers or administrators? Are your school's policies, statement of faith, and curricula based on sound biblical doctrine? Do you know what that doctrine is? Do you know how to recognize and battle attacks from the enemies of your school? Would you like advice and suggestions on fundraising Christian parents? Do you know what to look for when choosing a Christian school? Are you holding your children's school accountable to what God requires? Is the school teaching the truth? Can you distinguish truth from error? Christian homeschoolers: Are you obedient to God's education requirements? Do you know how to choose curricula with godly principles? Are you effectively training your children for lives of serving and glorifying God in whatever they do? If you are looking for answers to any of the above, then this book is for you. Titus 2:1 says to teach what is in accord with sound teachings. In this book, Christian school trustee Kevin F. Brownlee unpacks the word sound and explains God's requirements for educating precious children in a commonsense style that will enlighten educators and parents and invigorate Christian education. *Parents*, 1997.
