of matter and agency It further introduces a new reading strategy an attentive reading that aims to unfold the various shades of colour s material discursive doings in colour writings Such an attentive reading follows a postcritical tradition and is developed in close dialogue with texts by Nan Shepherd By attentively describing the entanglements between colour matter text and reader this study explores how colour matter makes itself felt in the reading process and how colour writings entangle the reader with their unique coloursapes *The Whedonverse Catalog* Don Macnaughtan, 2018-06-04 Director producer and screenwriter Joss Whedon is a creative force in film television comic books and a host of other media This book provides an authoritative survey of all of Whedon s work ranging from his earliest scriptwriting on Roseanne through his many movie and TV undertakings Toy Story Buffy the Vampire Slayer Angel Firefly Serenity Dr Horrible The Cabin in the Woods and Agents of S H I E L D to his forays into the Marvel Cinematic Universe The book covers both the original texts of the Whedonverse and the many secondary works focusing on Whedon s projects including about 2000 books essays articles documentaries and dissertations *Literary News* , 1897 **The Literary News** Frederick Leypoldt, 1898 **Thailand's Longest & Deepest Caves** Martin Ellis, 2015-10-03 This is a guide to the twenty longest and twenty deepest caves in Thailand For each cave full location and access information passage descriptions and surveys are provided *The Arly Hanks Mysteries Volume One* Joan Hess, 2017-10-03 Police chief Arly Hanks investigates murder in her Ozark hometown in three books of a beloved series by an Agatha Award winning author Her marriage and career over Arly Hanks heads home to Maggody Arkansas for a fresh start Not much ever happens in a village this size so Arly figures her new job as chief of police will be pretty quiet But the seemingly peaceful Maggody residents have a few secrets of their own Malice in Maggody Something stinks and it s not the polluted fishing hole An escaped convict is coming home to roost an infamous EPA agent has disappeared and there s a corpse with an arrow in its neck at a nearby seedy motel Now it s up to Arly and her half witted deputy Paulie to discover the source of the rot Mischief in Maggody Maggody s population is suddenly booming and among its new residents are a doom obsessed psychic and a handsome high school guidance counselor But after a local moonshiner and prostitute are found dead in a booby trapped field of cannabis Arly must root out the killer before they make another deadly deduction Much Ado in Maggody The bank president s playboy son Brandon Bernswallow is now the head teller and his sexist behavior has women ready to tell him off When the bank burns down with Bernswallow inside Arly must quickly uncover what really happened if she hopes to cool the town s tensions *The ^AErotics of Talk* Carla Kaplan, 1996-12-12 Is feminism in crisis With many feminists now questioning identification and focusing on differences between women what is the fate of feminist criticism s traditional imperative to rescue women s stories and make their voices heard In this provocative rereading of the classic texts of the feminist literary canon Carla Kaplan takes a hard look at the legacy of feminist criticism and argues that important features of feminism s own canon have been overlooked in the rush to rescue and identify texts African American women s texts she demonstrates often dramatize their distrust of their readers

their lack of faith in the cultural conversation through strategies of self silencing and self talk At the same time she argues the homoerotics of women s writing has too often gone unremarked Not only does longing for an ideal listener draw women s texts into a romance with the reader but there is an erotic excess which is part of feminist critical recuperation itself Drawing on a wide range of resources from sociolinguistics and anthropology to literary theory Kaplan s highly readable study proposes a new model for understanding and representing talk She supplies fresh readings of such feminist classics as Jane Eyre The Yellow Wallpaper Incidents in the Life of a Slave Girl Their Eyes Were Watching God and The Color Purple revealing how their erotics of talk works as a rich political allegory and form of social critique
