Beyond The Great Divide Coeducation Or Single Sex:

Beyond the Great Divide Judith Gill, 2004 Author and educator Judy Gill addresses the ongoing debate between coeducation or single sex schooling She starts by giving a brief overview of schooling in Australia and its various school systems and then follows with an examination of the rationale for single sex schooling and the cases for and against

UNSW Press a History, 1962-2012, 2012 **BEYOND THE GREAT DIVIDE** JUDITH. GILL, 2016 *Gender-Class Equality in Political Economies* Lynn Prince Cooke, 2011-03-17 *Gender Class Equality in Political Economies* offers an in depth analysis of gender class equality across six countries to reveal why gender class equality in paid and unpaid work remains elusive and what more policy might do to achieve better social and economic outcomes This book is the first to meld cross time with cross country comparisons link macro structures to micro behavior and connect class with gender dynamics to yield fresh insights into where we are on the road to gender equality why it varies across industrialized countries and the barriers to further progress **Gender Inclusive Engineering Education** Julie Mills, Mary Elizabeth Ayre, Judith Gill, 2011-02-09 Women continue to comprise a small minority of students in engineering education and subsequent employment despite the numerous initiatives over the past 25 years to attract and retain more women in engineering This book demonstrates the ways in which traditional engineering education has not attracted supported or retained female students and identifies the issues needing to be addressed in changing engineering education to become more gender inclusive This innovative and much needed work also addresses how faculty can incorporate inclusive curriculum within their courses and programs and provides a range of exemplars of good practice in gender inclusive engineering education that will be immediately useful to faculty who teach engineering students **Challenging Knowledge, Sex and Power** Julie Mills, Suzanne Franzway, Judith Gill, Rhonda Sharp, 2013-07-18 Women in the developed world expect to work in the labour force over the course of their lives On finishing school more girls are entering universities and undertaking professional training for careers than ever before Males and females enter many high status professions in roughly equal numbers However engineering stands out as a profession that remains obstinately male dominated Despite efforts to change little progress has been made in attracting and retaining women in engineering This book analyses the outcomes of a decade long investigation into this phenomenon framed by two questions Why are there so few women in engineering And why is this so difficult to change The study includes data from two major surveys accounts from female engineers in a range of locations and engineering fields and case studies of three large engineering corporations The authors explore the history and politics of several organisations related to women in engineering and conclude with an analysis of a range of campaigns that have been waged to address the issue of women s minority status in engineering *Challenging Knowledge Sex and Power* will be of great interest to students of feminist economics and is also relevant to researchers in women s studies and engineering education Gender and Diversity: Concepts, Methodologies, Tools, and Applications Management Association, Information

Resources,2018-08-03 Today gender inequality and diversity are at the forefront of discussion as the issue has become an international concern for politicians government agencies social activists and the general public Consequently the need to foster and sustain diversity and inclusiveness in the interactions among various groups of people is relevant today more than ever Gender and Diversity Concepts Methodologies Tools and Applications provides a critical look at gender and modern day discrimination and solutions to creating sustainable diversity across numerous contexts and fields Highlighting a range of topics such as anti discrimination measures workforce diversity and gender inequality this multi volume book is designed for legislators and policy makers practitioners academicians gender studies researchers and graduate level students interested in all aspects of gender and diversity studies

Mary Wollstonecraft Susan Laird,2014-10-23 Best known as author of A Vindication of the Rights of Woman 1792 if not also as mother of Frankenstein s author Mary Shelley Mary Wollstonecraft survived domestic violence and unusual independent womanhood to write engaging letters fiction history critical reviews handbooks and treatises Her work on coeducational thought was a major early modern influence upon the development of a post Enlightenment tradition and continues to have vital relevance today Celebrated as an early modern feminist abolitionist and socialist philosopher Wollstonecraft had little formal schooling but still worked as a governess school teacher and educational writer This succinct critical account of that prolific research begins by recounting her revolutionary self education Susan Laird explains how Wollstonecraft came to criticize moral flaws in both men s and women s private education based on irrational assumptions about sexual character under the Divine Right of Kings It was to remedy those moral flaws of monarchist education that Wollstonecraft theorized her influential but incomplete concept of publicly financed universal egalitarian coeducation

Strategies for Increasing Diversity in Engineering Majors and Careers Gray, Monica,Thomas, Ken D.,2017-01-10 Underrepresentation of minorities is present in the field of engineering both in education and practice As in every profession diversity and inclusion needs to be incorporated in order to provide the same opportunities for all people Strategies for Increasing Diversity in Engineering Majors and Careers is an essential reference work for the latest research on the need for diversity and inclusion within the engineering workforce and provides approaches to restructure engineering education to achieve this goal Featuring expansive coverage on a broad range of topics including minority recruitment experiential education systems and study abroad programs this book is ideally designed for students professionals academic advisors and recruitment officers seeking current research on ways to diversify engineering education and careers

A Girl's Education Judith Gill,Katharine Esson,Rosalina Yuen,2016-07-10 This book argues that educators and the general public have become complacent about girls education as a consequence of the more recent fuss about problems for boys After an analysis of persistent disquiet about girls lifestyles it uses theories of gender and education to demonstrate that girls are being produced in contradictory ways in current schooling Many girls develop a sense of themselves through close connection with friendship groups but schooling processes typically require them to adopt

the position of competitors in the end of school rankings and to act out their individualized positions in imagining themselves into the future Ultimately the work offers insight and understanding leading to a less divisive educational pathway for girls

Journal of Economic Literature ,2005 **Australian Book Review** ,2004 **Frontiers** ,2008 A journal of women studies **Book Review Index** ,2006 Every 3rd issue is a quarterly cumulation **Exploring Masculinities** Professor Martha Albertson Fineman,2013-12-28 Written by leading experts in the area this volume investigates the ways in which emerging masculinities theory in law could inform feminist legal theory in particular and law in general As many of the chapters in this collection illustrate law is constantly in a dynamic interaction with masculinities it has both influenced existing masculinities and has been influenced by those masculinities The contributions focus feminist and critical theoretical attention on masculinities and consider the implications of masculinities theory for law and legal theory **Ethnicity and Englishness** Ikhtlaq Din,2009-05-27 In an age of globalisation the most pressing concerns are with matters of identity personal and collective This book explores the culture of nationality groups and religions through the inner lives of second generation immigrants in England The young people studied reveal surprising and sophisticated as well as complex attitudes They reveal the contradictions the opportunities and the dangers of their collective identities and reveal how they are able to make use for good or ill their position in society What they say relates closely to the experiences of any identifiable group The book also relates the experience of one community to the development of prejudice and the way in which people form their sense of self The notions of nationality and nationalism of tribal and religious loyalty are all covered The book does not just describe or give a voice to minorities but analyses some of the reasons for the suspicions of groups for each other for the development of prejudice as well as suggesting the ways in which to deal with it *Exploring Masculinities* Martha Albertson Fineman,Michael Thomson,2016-04-15 While masculinities theory has had much to say on relationships of subordination few feminist legal scholars have examined the implications of masculinities theory for feminist legal theory This volume investigates the ways in which emerging masculinities theory in law could inform feminist legal theory in particular and law in general As many of the chapters in this collection illustrate law is constantly in a dynamic interaction with masculinities it has both influenced existing masculinities and has been influenced by those masculinities The contributions focus feminist and critical theoretical attention on masculinities and consider the implications of masculinities theory for law and legal theory The book sets out the theoretical trajectory of masculinities studies as a field and its application in law and uses insights from a masculinities approach to study socio political construction of gender identities in specific settings It also explores how understanding historical construction of gender identities can inform more effective public policy and activism Written by leading experts in the area the book poses important questions about the development of the relationship between feminisms and masculinities theory and will be essential reading for those working in law and gender and related areas Education World ,2006 **Teacher Education for Transformative Agency** Carina

America, Nazeem Edwards, Maureen Robinson, 2021-01-19 Many teacher education programs globally are undergoing significant changes in response to government policy imperatives driven by global competitiveness as well as local conditions This is particularly relevant in the South African context where teacher education seeks to navigate from the ravages of apartheid education towards addressing the developmental needs of the majority of its citizens This book records and explores efforts by academic staff members within the Faculty of Education at Stellenbosch University South Africa responding to the demands of a new program in initial teacher education It brings together diverse views seeking to present a coherent program in the Postgraduate Certificate in Education PGCE It examines how curriculum design unfolds across disciplines in the program and crucially the commonalities in the presentation of course material Lecturers examine the purpose structure and content of their teaching as they engage with putting democratic policy goals into practice in the core as well as subject specific modules of the program

Double Lover Anonymous, 2013-08 Miss you re also a boy exclaims a startled gynecologist when Millie Nemos is sixteen Her poetic memoirs with extraordinary sexual recollections reveal a life propelled from a sensitive girl who wants only her brother s love to a Harvard Man who impregnates himself by accident to a controversial archaeologist who finds Ice Age skeletons in scandalous positions to a double sexed CEO who wants the whole country s love Double Lover is a hoot an erotic comedy a ribald hugely entertaining tale of sexual encounters and torrid love affairs in far flung locales Wanders hilariously all over the sexual landscape Kirkus Review

Beyond The Great Divide Coeducation Or Single Sex: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Beyond The Great Divide Coeducation Or Single Sex : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
