Beyond Consolation [New York Review Excerpt] Joseph Brodsky, 1974 *Sense and Sensibility*: Jane Austen, 1811 *On Consolation* Michael Ignatieff, 2025-04-29 Elegant humane and intensely rewarding Kwame Anthony Appiah author of *The Lies That Bind* At once illuminating moving and consoling Stephen Greenblatt author of *The Swerve* From the internationally renowned historian of ideas and Booker Prize finalist Michael Ignatieff a timely and profound meditation on where to find solace in the face of tragedy and crisis When someone we love dies when we suffer loss or defeat when catastrophe strikes

war famine pandemic we go in search of consolation Once the province of priests and philosophers the language of consolation has largely vanished from our modern vocabulary and the places where it was offered houses of religion are often empty Rejecting the solace of ancient religious texts humanity since the sixteenth century has increasingly placed its faith in science ideology and the therapeutic How do we console each other and ourselves in an age of unbelief In a series of lapidary meditations on writers artists musicians and their works from the books of Job and Psalms to Albert Camus Anna Akhmatova Elisabeth Kubler Ross and Primo Levi esteemed writer and historian Michael Ignatieff shows how men and women in extremity have looked to each other across time to recover hope and resilience Recreating the moments when great figures found the courage to confront their fate and the determination to continue unafraid On Consolation brings those stories into the present movingly contending that we can revive these traditions of consolation to meet the anguish and uncertainties of our precarious twenty first century

The Crooked Mirror Louise Steinman, 2013-11-05 A lyrical literary memoir that explores the exhilarating discomfiting and ultimately healing process of Polish Jewish reconciliation taking place in Poland today Although an estimated 80 percent of American Jews are of Polish descent many in the postwar generation and those born later know little about their families connection to their ancestral home In fact many Jews continue to think of Poland as a bastion of anti-Semitism since nearly the entire population of Polish Jewry was killed in the Holocaust The reality is more complex although German occupied Poland was the site of great persecution towards Jews it was also the epicenter of European Jewish life for centuries Louise Steinman sets out to examine the burgeoning Polish Jewish reconciliation movement through the lens of her own family's history joining the ranks of Jews of Polish descent who are confronting both Poland's heroism and occupation afflicted atrocities and who are seeking to reconnect with their families Polish roots

Gaertner, 2007-02-28 Exile and displacement are central topics in classical literature Previous research has been mostly biographical and has focused on the three most prominent exiles Cicero Ovid and Seneca By shifting focus to a discourse of exile and displacement in early Greek poetry Greek historiography Cynicism consolatory literature Latin epic Greek literature of the empire and Medieval Latin literature the present volume questions the notion of a distinct psychologically conditioned genre or mode of exile literature It shows how ancient and medieval authors perceive and present their exile according to pre-existent literary paradigms style themselves or others as typical exiles and employ exile as a powerful trope to express estrangement elicit readerly sympathy and question political power structures

Modernism and Mourning Patricia

Rae,2007 The essays in *Modernism and Mourning* examine the work of mourning in modernist literature or more precisely its propensity for resisting this work Drawing from recent developments in the theory and cultural history of mourning its contributors explore the various ways in which modernist writers repudiate Freud s famous injunction to mourners to work through their grief endorsing instead a resistant or melancholic mourning that shapes both their themes and their radical experiments with form The emerging picture of the pervasive influence of melancholic mourning in modernist literature casts new light on longstanding critical arguments especially those about the politics of modernism It also makes clear the pertinence of this literature to the present day in which the catastrophic losses of 9 11 of retaliatory war of racially motivated genocide of the AIDS epidemic have made the work of mourning a subject of widespread interest and debate Patricia Rae is Head of the Department of English at Queen s University

Beyond Innocence & Redemption Marc H. Ellis,2016-04-25 After the Gulf War and amidst the ongoing peace process this timely book speaks to the need to address the deeper issues of Israel and Palestine issues that concerned Jews Arabs and Christians must face if the legitimate rights of the Palestinians and the moral integrity of the State of Israel are to survive the rush to a new world order in the Middle East *The Poetry of Loss* Judith Harris,2023-05-15 The Poetry of Loss Romantic and Contemporary Elegies presents a renewed look at elegy as a long standing tradition in the literature of loss exploring recent shifts in the continuum of these memorial poems This volume investigates the tensions arising in elegiac formulations of grief through detailed analyses of seminal poets including Wordsworth Keats and Plath using psychoanalytic precepts to reconceptualize consolation through poetic strategies of inner representation and what it might mean for personal and collective experiences of loss Tracing the development of elegy beyond extant readings this volume addresses contemporary constructs of mourning and their attendant polemics within the wider culture as extensions of elegiac longings and the tendency to refuse consolation and cede to the endlessness of grief Furthermore this book concludes that contemporary

elegies break with conventions of poetic structure and expression rather than the poets seeking resolution to grief through compensation they often find themselves dwelling within the loss rather than externalizing and transcending it The Poetry of Loss Romantic and Contemporary Elegies examines these developing psychoanalytic concepts pertaining to a poetics of loss providing readers with a new appreciation of mourning culture and contemporary attitudes towards grief
