**Friederike Reents**

## **Beyond Nihilism Gottfried Benns Postmodernist Poetics Studies In Modern German Literature:**

Beyond Nihilism Susan Ray, 2003 The ideas underlying Benn s Ausdruckswelt not only anticipate and parallel many of the assumptions now current in recent trends in literary criticism they also disclose their ultimate limitations Benn s poetics were founded on the intellectual crises of the early years of the twentieth century Following Nietzschean leads Benn sought to achieve in his person and his work a return to a primitive archetypal mode of perception which he felt would restore a purer more natural mentality to modern man whom he portrayed as being far ahead of his syntax By focusing on Benn s early Expressionist prose and what this study calls his fictive self the author traces the relationship between Benn s Weltanschauung and later critical theory Building upon the latest scholarship she analyses Benn s poetics as precursor of certain postmodernist ideas concerning language meaning and polysemy aesthetics personal identity authorial intention versus reader reception intertextuality and the role of art in society By paying specific attention to the concept of the autonomous self and its relation to language this study demonstrates that Gottfried Benn s aesthetic theories do not represent the end of German Expressionism but rather the beginning of the present post modernist period "Ein Schauern in den Hirnen" Friederike Reents, 2009 *Jahrbuch für internationale Germanistik* , 2004 American Book Publishing Record , 2004 **Bibliographie der deutschen Sprach- und Literaturwissenschaft** , 2004 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Arts & Humanities Citation Index , 1991 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Beyond Nihilism Dominic Kelly, 2022-08-25 Martin Heidegger s 1889 1976 criticism of Friedrich Nietzsche s nihilism represented a turn in his thought In this new and perceptive book Dominic Kelly explores nihilism through the work of two relatively modern and much studied philosophers Heidegger and Nietzsche and shows how Heidegger began to think in a way that was not solely philosophical and instead used poetry to achieve a new relation to being In doing so Heidegger was able to move past Nietzsche s concepts and thus nihilism itself Through his exploration of Heidegger s journey to a form of thinking beyond the philosophical then Kelly exposes nihilism s crucial place in Continental philosophy and has written a book that is essential for students and academics working in Heidegger studies Kelly s engagement with Heidegger s more poetic philosophy also benefits students of metaphysics the philosophy of art and aesthetics and visual culture more widely By putting nihilism into its historical context and examining its Ancient Greek origins Kelly s book will also be of use to those studying early philosophical thought a requirement for all philosophy courses and provides a valuable account of nihilism s historical trajectory *Heidegger, Art, and Postmodernity* Iain D. Thomson, 2011-04-29 Heidegger Art and Postmodernity offers a radical new interpretation of Heidegger s later philosophy developing his argument that art can help lead humanity beyond the nihilistic ontotheology of the modern age Providing pathbreaking readings of Heidegger s *The Origin of the Work of Art*

and his notoriously difficult Contributions to Philosophy From Enowning this book explains precisely what postmodernity meant for Heidegger the greatest philosophical critic of modernity and what it could still mean for us today Exploring these issues Iain D Thomson examines several postmodern works of art including music literature painting and even comic books from a post Heideggerian perspective Clearly written and accessible this book will help readers gain a deeper understanding of Heidegger and his relation to postmodern theory popular culture and art      **The End of Modernity** Gianni Vattimo, 1988

*The End of Modernity* Gianni Vattimo, 1991-10-01 Gianni Vattimo reexamines the roots of modernism and postmodernism in Nietzsche Benjamin and Heidegger Exploring the links between concepts of nihilism and destiny in nineteenth century humanism Vattimo follows these trends in aesthetic and scientific theory from Benjamin to Bloch Ricoeur and Kuhn

As recognized, adventure as competently as experience practically lesson, amusement, as without difficulty as contract can be gotten by just checking out a ebook **Beyond Nihilism Gottfried Benns Postmodernist Poetics Studies In Modern German Literature** along with it is not directly done, you could take even more on the order of this life, nearly the world.

We manage to pay for you this proper as well as easy exaggeration to get those all. We come up with the money for Beyond Nihilism Gottfried Benns Postmodernist Poetics Studies In Modern German Literature and numerous ebook collections from fictions to scientific research in any way. accompanied by them is this Beyond Nihilism Gottfried Benns Postmodernist Poetics Studies In Modern German Literature that can be your partner.
