Beyond Patriarchy Essays By Men On Pleasure Power And Change:

Beyond Patriarchy Michael Kaufman, 1987 This is a frank and original analysis of patriarchy by men from all walks of life living on three continents Starting with the basic assumption that the breakdown of the patriarchal system is a good and necessary step towards creating a better society the contributors examine the origins of male domination the institutions that perpetuate it and its manifestations in the thoughts and lives of men A male feminist perspective is offered on a broad range of issues from fatherhood to the organization of the workplace to homosexuality the political structure and the male role in advertising sports and film Written by men living in Canada the United States Britain France and Australia and coming from a wide variety of backgrounds from anthropology to physics the articles here make an important contribution to feminism

Challenging Macho Values Jonathan Salisbury, David Jackson, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

Masculinity, Law and Family Richard Collier, 2002-11 An incisive exploration of representations in law of male sexuality authority paternity and men's violence in the family This book is of central importance to our understanding of the social and political dimension of masculinity

Constructing Masculinity Maurice Berger, Brian Wallis, Simon Watson, 2012-09-10 This anthology takes us beyond the status of masculinity itself questioning society's and the media's normative concepts of the masculine and considering the extent to which men and women can transcend these stereotypes and prescriptions

Research Anthology on Inclusivity and Equity for the LGBTQ+ Community Management Association, Information Resources, 2021-09-24 For many decades the LGBTQ community has been plagued by strife and human rights violations Members of the LGBTQ community were often denied a right to marriage healthcare and in some parts of the world a right to life While these struggles are steadily improving in recent years disparities and discrimination still remain from the workplace to the healthcare that this community receives There is still much that needs to be done globally to achieve inclusivity and equity for the LGBTQ community The Research Anthology on Inclusivity and Equity for the LGBTQ Community is a comprehensive compendium that analyzes the struggles and accomplishments of the LGBTQ community with a focus on the current climate around the world and the continued impact to these individuals Multiple settings are discussed within this dynamic anthology such as education healthcare online communities and more Covering topics such as gender homophobia and queer theory this text is essential for scholars of gender theory faculty of both K-12 and higher education professors pre-service teachers students human rights activists community leaders policymakers researchers and academicians

Feminist Approaches for Men in Family Therapy Michele Bograd, 2014-01-14 This book is the first of its kind to address the treatment of men in marital and family therapy from a political or feminist perspective *Feminist Approaches for Men in Family Therapy* is an important and provocative addition to the field of family therapy and

psychotherapy and works to deepen the understanding of men by using more traditional approaches Timely and relevant to today's interest in men's issues this book develops and demonstrates applications of treatment methods in straightforward prose from a variety of family therapy models These techniques and methods enable anyone working with men beginning and advanced clinicians regardless of clinical preference or loyalty to have a more effective practice with men Truly reflecting its title this provocative volume offers new ways of conceptualizing male development and the dilemmas of men in therapy while providing exemplars of the wide range of clinical work this perspective enriches Chapters concisely summarize the major benefits and limitations of conventional approaches to treating men and provide beginning conceptualizations of treatment issues with men that are grounded in social theory sensitivity to power issues and the social context and shifting cultural definitions of masculinity femininity and the nature of marriage Other chapters employ the exciting and germane concepts of social constructionism to analyze belief systems about men and how cultural ideals shape and limit the personal development of men An ideal resource for all therapists striving for excellence in treating men

The Gender Knot Allan Johnson, 2014-10-19 New Third Edition The Gender Knot Allan Johnson's response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn't how it works and what gets in the way of understanding and doing something about it Johnson's simple yet powerful approach avoids the paralyzing trap of guilt blame anger and defensive denial that often results from conversations about gender This edition features Updated references data resources and examples especially in relation to issues of sexual orientation and gender identity e.g. gay marriage transgender cisgender A glossary of terms A new chapter What Changes and What Does Not Manhood and Violence that provides an extended analysis of the causes of men's violence as a patriarchal phenomenon

When Frankie Went to Hollywood Karen McNally, 2008-03-06 Illuminating the cinematic career of a male pop icon

No Less a Man Douglas Robinson, 1994 Through close readings of these three figures Robinson argues that more is going on among American men than meets the casual eye and that much of what is going on is reflected in the most popular of our art forms detective novels action movies and rock music

Men's Bodies, Men's Gods Bjorn Krondorfer, 1996 Men's Bodies Men's Gods explores the intersection of body religion and culture from the specific perspective of male identities How are male bodies constructed in different historical periods and contexts How do race ethnicity and sexual preference impact on the intersection of male bodies and religious identity Does

Christianity provide models to cope with the aging and ailing male body Does it provide models for intimacy between men and women Between men and men And how do men reflect the carnal dimensions of power abuse and justice The Changing Consumer Alison Anderson, Kevin Meethan, R Steven Miles, Steven Miles, 2005-07-08 In a world undergoing rapid change this essential collection discusses why consumption has become so important and what role if any it plays in underpinning social economic and political transformation *Interconnecting the Violences of Men* Kate Seymour, Bob Pease, Sofia Strid, Jeff Hearn, 2024-11-04 This book aims to expand and enrich understandings of violences by focusing on gendered continuities interconnections and intersections across multiple forms and manifestations of men's violence In actively countering both the compartmentalisation of studies of violence by type and form and the tendency to conceptualise violence narrowly it aims to flesh out not delimit understandings of violence Bringing together cross disciplinary indeed transdisciplinary perspectives this book addresses how what are often seen as specific and separate violences connect closely and intricately with wider understandings of violence how there are gendered continuities between violences and how gendered violences take many forms and manifestations and are themselves intersectional Grounded by the recognition that violence is itself a form of inequality the contributors to this volume traverse the intersectional complexities across both experiences of violent inequality and what is seen to count as violence The international scope of this book will be of interest to students and academics across many fields including sociology criminology psychology social work politics gender studies child and youth studies military and peace studies environmental studies and colonial studies as well as practitioners activists and policymakers engaged in violence prevention *The Nature of Masculinity* Steve Garlick, 2016-10-11 Social theorists have argued that as the complexity of our ecosystems becomes more apparent the line between nature and culture human and nonhuman and technology and bodies becomes less distinct Yet contemporary masculinity studies has generally failed to incorporate this new way of thinking In this penetrating analysis of the relationship between gender and nature Steve Garlick proposes that masculinity is best understood as a technology that shapes both our engagement with the natural world and how we define freedom Extending the work of the Frankfurt School and Heidegger's critique of modern technology *The Nature of Masculinity* draws on case studies and new materialist theories to argue that the essence of technology is not in mechanical devices but in a particular relationship to natural forces Within this critical framework masculinity is a technology of embodiment and freedom does not lie in the domination of nature but rather in fostering a new relation to it

Masculinities and Management in Agricultural Organizations Worldwide Professor Barbara Pini, 2012-11-28 Using contemporary gender theory to examine gender and rurality beyond that of simply women femininities this illuminating book accurately locates the subject of masculinities within the rural agricultural context While there has been a wealth of literature on men and masculinities published in recent years the climate of ideas has been typically experienced through an urban lens This book therefore investigates new conceptual territory Embedded in the literature on gender and rurality as

well as the scholarship on gender and organizations management the book draws on an in depth ethnographic study of gender relations in Australian agricultural politics It will speak to academic audiences in rural social sciences gender studies and management organization studies **Changing Men and Masculinities in Latin America** Matthew C. Gutmann,2003-01-20 Essays drawn from a variety of disciplines both review and challenge current understandings of masculinity in Latin America **Taking Food Public** Psyche Williams Forson,Carole Counihan,2013-09-13 The field of food studies has been growing rapidly over the last thirty years and has exploded since the turn of the millennium Scholars from an array of disciplines have trained fresh theoretical and methodological approaches onto new dimensions of the human relationship to food This anthology capitalizes on this particular cultural moment to bring to the fore recent scholarship that focuses on innovative ways people are recasting food in public spaces to challenge hegemonic practices and meanings Organized into five interrelated sections on food production consumption performance Diasporas and activism articles aim to provide new perspectives on the changing meanings and uses of food in the twenty first century **Morality and Masculinity in the Carolingian Empire** Rachel Stone,2011-10-20 What did it mean to be a Frankish nobleman in an age of reform How could Carolingian lay nobles maintain their masculinity and their social position while adhering to new and stricter moral demands by reformers concerning behaviour in war sexual conduct and the correct use of power This book explores the complex interaction between Christian moral ideals and social realities and between religious reformers and the lay political elite they addressed It uses the numerous texts addressed to a lay audience including lay mirrors secular poetry political polemic historical writings and legislation to examine how biblical and patristic moral ideas were reshaped to become compatible with the realities of noble life in the Carolingian empire This innovative analysis of Carolingian moral norms demonstrates how gender interacted with political and religious thought to create a distinctive Frankish elite culture presenting a new picture of early medieval masculinity *Responsibility, Law and the Family* Jo Bridgeman,Craig Lind,2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children s responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field **Memory Studies in the Digital Age** D Sudha Rani,Rachel Irdaya Raj,2025-02-25 This interdisciplinary volume attempts to gauge the individual and social issues related to memory with an understanding of memory studies as an independent body of scholarship It draws on multiple fields of knowledge like popular
