**Spiritual Warfare Volume Two - Battling Against Carnality**, *Counterfeit Kingdom* Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In

Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith. They also offer practical suggestions for readers who are already influenced by the NAR, curious about it, or concerned about loved ones who have been swept up in the movement. What used to be on the fringes of the church is now mainstream, and many are being influenced by it unaware. This book is a wake up call.

**The Other Spouse** Pamela Williams, 2011-04-01 My name is Pamela Williams, my reason for writing this book called *The Other Spouse* is a character role that I was portraying unwarily during a lengthy season of being connected, joined, and knitted together, not with just any man, but one I wanted to spend a lifetime loving that became a stronghold called a soul tie. As I later learned, I of course didn't understand the reasons my life went in the direction it did due to my rebellion, for one, because it surely wasn't a path I would have chosen, but after thinking long and hard about the things people and situations God covered and protected me from, that should have literally taken my life, it put me in a very grateful position to appreciate the lessons learned and growth from the painful experiences to understand the real purpose of why I had to go through and the assignment I must accept because of it. And for that reason alone, I started listening versus hearing the messages God had to say about me, my life, and the relationship that I had put more value and trust in over the one I never really gave a chance, effort, or time spent with Him. So here I was, twenty-some years old and already married, in my heart comfortable and secure, never giving thought or discussion as to where this relationship is going or will he ask for my hand in marriage, just being okay with the way things are because I'm finally with someone who is nothing like the others, and I trust him. And the moment that statement was made in my heart, God began to remove the scales from my eyes and reveal things to me through the women and men in my family as I observed their behavior and character to understand why and how I was willing to stay connected to this, meanwhile finding it difficult but very possible to disconnect from something you didn't know was capable of such hurt until God allowed it to turn against me while turning back to HIM, my first love ever. Because without any of our acknowledgment and intelligence, we think to have we are only operating and portraying a role played by women who raised us, and those we have befriended or associated ourselves with that are known, and I call *The Other Spouse*.
