

Whispers From Beyond The Grave

*In the silence of the night
Amidst the graves, there's a fright
A whisper, soft and out of sight
That fills the air with chilling might*

*It comes from places far away
Beyond the veil, where spirits play
A haunting voice that seems to say
"I'll be with you, come what may"*

*The whispers from beyond the grave
Are echoes of a life that's saved
A message from the great beyond
A love that's never quite gone*

*They speak of things we cannot see
Of life and love and destiny
Of things we wish could always be
And things we'll never quite believe*

*And yet, the whispers carry on
A message from the great beyond
A love that never can be gone
A hope that always will respond*

*So let the whispers fill your heart
And guide you through the darkened part
For though they seem so far apart
They'll always be with you, from the start.*
