Betrayal Never Waste A Soldier:

Betrayal James Mobley, 2015-11 The author presents his tale within the context of what is now known to history things we could not know in the period between 1965 and 1973 during which the levels of American ground combat forces in Vietnam exceeded half a million troops The war is now widely seen as a ghastly mistake claiming 60 000 of America s best He includes many historical references in the book to give the reader context for a war most don t understand **Hollywood's Imperial Wars**

Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in *Hollywood s Imperial Wars* The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter* *Apocalypse Now* and *Platoon* As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts **Worship and Waste** Daniel J. D.

Stulac, 2025-08-14 *Worship and Waste* is the third installment in Stulac s *Christological Companion* series which focuses on the books of Judges Gift of the Grotesque 1 Samuel Tragedy of the Commons and now 2 Samuel As the first two volumes demonstrate Stulac s refreshing approach to biblical interpretation combines hard won exegetical insights with poignant memoir and incisive reflections on culture art and Christian spirituality Picking up the biblical storyline where *Tragedy* left off *Worship and Waste* invites readers to sink deeply into the Bible s paradoxical portrait of King David a rapist murderer caught between God s unconditional love and his own brutality Carefully avoiding moralisms Stulac guides his readers through 2 Samuel s graphic depictions of sin by insisting that the text continually looks forward to Jesus Christ the ultimate Davidic King David s Punishment thoroughly penetrates God s Promise observes Stulac but at the same time God s Promise

still governs the execution of his Punishment The two forevers of 2 Samuel are forever mixed Will David s tragedy transform into comedy before the final curtain falls Will hope survive Can a ruined House asks Stulac find within its suffering the durable Promises of God **An Endless Exile** Mary Lancaster,2005-10 The story of Hereward the Wake the 11th century hero who was the only Englishman to have defied and defeated William the Conqueror and the mystery behind his brutal murder at the hands of his Norman guests **Severed Heart** Kate Stewart,2025-06-24 An unexpected ride If you love suspense mystery and action these books are the ones to read Cosmopolitan Go deeper with the Ravenhood Legacy in this second installment of the sizzling darkly seductive internationally bestselling series spin off Here at last and in his own words is Tyler s story Once upon a time There lived an ambitious boy determined to become a man before his time And a woman a battered soldier who recognized the scars that marred his soul scars that mirrored her own Determined to help shape the warrior within him it was their inexplicable bond that would for ever alter his heart And the loss of that love that would redefine his destiny After all nothing has ever been fair in love and war Severed Hearts is the second novel in the Ravenhood Legacy series the prequel romance of fan favourites Tyler and Delphine Kate Stewart s the Ravenhood Legacy series is an irresistibly edgy spin off series shedding a new light on the secret morally grey brotherhood from Robin Hood inspired Ravenhood Trilogy *The Polish - American* Edward Jesko,2007-04 The author came to United States for the first time in 1943 He was then ten years old A US Navy ship brought him to San Diego California straight from a concentration camp Unfortunately the United States government did not let him remain So he went to Mexico where he lived in a refugee camp for five years When the camp was terminated he was compelled to struggle In order to survive he held many jobs At fifteen he worked as a roofer a logger and a sawmill helper neglecting his formal education because of lack of time and opportunity He immigrated to USA in 1951 This time he was allowed to stay Here because of his Polish origin he suffered rejection degradation and discrimination Here for the first time in his life he was called a Dumb Polak and a White Nigger Here he was subjected to the so called offensive Polish jokes This plus discrimination rejection and degradation made his life a never ending torment a hell on earth This autobiography was written in the form of a novel and it is a continuation of author s first book A Journey Into Exile the first part of his life **I Could Never Be a Succubus!
