Descent Into Chaos David Page, 2011-08 El Kasar smiled and thought to himself This is just what we have been waiting for We get 100 000 troops in the country and with America s military so diluted by the king once we get organized we will

send for more troops and take over the entire country A scrambled call comes in to the leader of the Eastern Coalition from America's new king asking for help Ben El Kasar is asked to send 100 000 troops trained in crowd control to help the king's new national police force But the king's end of the telephone call is overheard by someone else As a member of the king's cleaning staff Connie always followed the unwritten policy Whatever you hear keep it to yourself But this time was different She needed help As she rushed out of the room she thought of a friend working at the Pentagon and called him to see if he could help After returning to the capitol to finish her shift Connie was never seen nor heard from again

Son of Siena

Brian Steven Lavalley, 2009-04 The eye openers begin on page 1 of Son of Siena where Roberto muses I could not help but think what the world would be like if I did not help Italy and Germany win World War II Thus begins the ride of a lifetime and what a life That life begins and ends in Siena Italy and winds through America and Europe at crucial moments of history during both World Wars and their pre and post periods with an influence that spreads throughout the world like tentacles Yes those tentacles are ominous but the creature that possesses them is also blessed with great lights that pervade the entire book Roberto is very much a man of this world but surrounding him throughout his life are people who are devout who would have him also take thought of the world to come Will Roberto do that What in this world seems more worthy of his attention and how will he use it to achieve his grand desires Will he be pleased with the results In finding the answers to those questions you will be joining Roberto and a fascinating assortment of supporting characters and be blissfully exposed to an astonishing array of historical facts that both broaden and deepen a spiritual and intellectual odyssey undertaken by a Son of Siena Beginning in 1896 Italy the first half of the story flows through the history and relationships that shape Roberto's life During these unaltered historic events the main character eventually accumulates great wealth After a seminal event changes Roberto fundamentally he decides Italy needs to be the greatest of the great powers rather than the least As Roberto begins the building of the Second Roman Empire he attempts to remain anonymous for the safety of his family This he believes can be accomplished by becoming Benito Mussolini's muse Will Roberto be able to handle Mussolini Will some parts of history not allow themselves to be altered What will the world look like and will it appear much different I am a registered nurse and work in a hospital in Massachusetts I have bachelor's degrees in nursing and biology from the University of Massachusetts at Lowell I am married with two children I was born in Lowell Massachusetts and was raised in the greater Lowell area My job is nursing but my passion has always been history My love of history began in my early teens and has grown since One thing about history is that it repeats itself because fundamentally most people's motives have not changed Whether you were a farmer in Mesopotamia or a steel worker in 1930's Germany the need to eat clothe yourself and provide shelter remained paramount The fascinating thing about people is to what extent they will go to meet those needs and how their decisions concerning the economic and social structures military and religious matters are affected I have studied history for over thirty years One day in early 2006 I was doing a dressing change on a patient We were talking about

our jobs and mutual interest in books when I mentioned my idea about writing a historic novel After listening to me the patient encouraged me to put the story on paper because he believed people would enjoy the book I thought he was a kind older man but wondered whether he knew what he was talking about When I went home that night I googled his name to see what would come up I was greatly surprised when all sorts of literary prizes and awards were associated with his name The next night I began writing *Son of Siena* I cannot say who the person was because he was a patient of mine and there are privacy laws involved though I wish I could

both the living and the dead Sammy's story tells us that even though the world is full of ghosts and scary things kindness and friendship are the best and most lasting magic of all His memory lives on in the minds of everyone who knew him and brings love laughter and eternal joy to Whispering Pines Here's how the story starts Everyone knew that Sammy was a nice and helpful ghost who lived in Whispering Pines a beautiful town that seemed to be stuck in twilight forever Sammy wasn't like any other ghost To say he was unique would be an insult His ghostly nature gave off a nice feeling which made him a respected figure among the people who lived in Whispering Pines Sammy's ethereal life was focused on one positive goal linking with the living and bringing happiness to them like stardust Every night when there was a full moon he would come out of the ethereal world his translucent body shining with an extraordinary light that made the night's chill seem like nothing Sammy's eyes sparkled with mischief and his constant grin was both peaceful and mysterious On one of these lovely nights as Sammy slid easily through Whispering Pines fate told him something interesting He heard older more experienced ghosts meeting in secret while he was floating near the shady eaves of an old oak tree Their voices sounded like they were coming from a long time ago because of how old and worn they sounded Their ghostly figures moved softly and the spiritual light that surrounded them danced to the beat of their stories Their talk which was full of ghostly secrets was mostly about a place that made Sammy's spine shiver the famous Spooky Ghost School Even just mentioning this mysterious place seemed to bring up an uneasy feeling that hung in the air like a spell Sammy was mesmerized as the older ghosts told stories and whispered secrets about the cool school It was said to be a place where ghosts and other magical things got together to work on their skills and figure out how to do their jobs Sammy's spirit heart was both scared and excited about what was going to happen How old are the walls of this Spooky Ghost School What tales do they hold What secrets and wonders did it hold for those who were brave enough to walk through its ghostly gates As Sammy listened to every whispered word and story about the Spooky Ghost School he felt a strong pull toward this land he had never seen His never ending spirit of adventure made him want to know more and more This made his interest shine brighter than the moon which was the only light on his path He knew with all of his soul that he had to start on this wonderful journey Sammy's life as a friendly ghost has always been marked by his never ending thirst for knowledge and his never ending need for company It looked like fate had added a new thread to the fabric of his ghostly life leading him into the unknown Sammy's trip to the Spooky Ghost School started under the watchful eyes of the moon and the bright stars He didn't know that this way would lead him to a world beyond the veil of the living where scary secrets and ghostly wonders awaited him Every night Sammy's transparent body floated closer to the school's huge gates He could feel the tendrils of fate wrapping around him and tying him to the strange place that held the key to the world's haunting secrets Sammy asked himself The Spooky Ghost School His ghostly voice was hard to hear over the rustling of the stars His ghostly form floated in the stillness of the night bathed in the pale silvery light of the moon that ran through the canopy of Whispering Pines whispering trees As he thought about the mysterious word a strange light

danced in his ghostly eyes like two circles of moonlight His airy hand could only touch the threads of interest that entangled his own existence but he reached out as if to touch the idea that had formed in the night air It was a name that was wrapped in mystery a riddle that called with a strong pull Sammy had a golden heart and was known for being very curious and always wanting to make friends with living people He d spent a lot of starry nights making people in Whispering Pines happy his happy personality a bright spot in the town s creepy darkness Still just the thought of the Spooky Ghost School made him more interested than even his constant ghostly grin Sammy couldn t help but wonder what secrets were behind the big gates of the Spooky Ghost School as he floated there listening to the crickets and the wind In its abstract form the name made me think of a cold but exciting feeling like the touch of cold air on a winter night What was this place and how come he had never heard of it Thoughts like ghostly wraiths flew through his phantom mind and the more he thought about it the greater the pull toward the unknown became It was a pull on his spirit existence that made him want to go into parts of the otherworldly he hadn t seen yet Sammy made a secret promise to himself at that moment a promise that would lead him on an amazing trip into the heart of the Spooky Ghost School He had no idea that this choice would lead him on an adventure that would show him not only the secrets of the ghost business but also how good he was at being a ghost himself The Spooky Ghost School was waiting for him shrouded in mystery and steeped in magic While the moon continued to watch over Whispering Pines from the sky Sammy s ghostly form began its trip into the unknown led by whispers of the mysterious school s name The Spooky Ghost School was a place with a lot of history and mystery It was hidden somewhere in the ethereal areas beyond the living world Few ghosts knew it existed and even the most experienced ghosts shivered when they heard its name whispered The school s history had been lost to time and its beauty was covered by layers of phantom magic The school was a large impressive mansion made of moonlight and starlight It was in a spectral dimension that linked to the mortal realm Its design was a strange mix of Gothic towers and Victorian elegance and the walls sparkled like mist The huge gates were made of airy iron and the beautiful writing on them seemed to move and change with every ghostly breeze
