,2018-11-30 The Apocalypse of Enoch and Bhu unda The Apocalypse of Enoch and Bhu unda challenges the underlying assumptions of the classical roots of civilization by restoring the original context of creation mythology In this second volume of A Chronology of the Primeval Gods and the Western Sunrise ancient myths from multiple geographies are correlated to spikes in cosmic rays over the past 120 000 years as documented in ice core data The chronology and content of these myths tell us that the primary forces behind these cataclysms were the most ancient gods hyper nova at the Galactic Center associated with Sgr A The Dragon Sgr West The Beast and Sgr East Hirany ksha and Hiranyakas ipu with secondary supernova seen as the birth of new destructive gods Ancient myth has documented the cataclysmic destruction of the world on at least twenty occasions with four major geo polar migrations which has resulted in a shift of the earth s equator on at least one occasion Multiple myths are shown to represent a view of the sky that can only be seen from the Antarctic region Multiple versions of the myths of Orion are analyzed showing clear linkages between the Vedic myth of Trisanku the Book of Genesis Senmut s Tomb and the myths of Praj pati Daksa representing the oldest version of the Orion myth older than Trishanku and Genesis by 20 000 years The stunning conclusion explains how the Watchers of Enoch were the Vedic descendants of Ila and Ikshvaku These descendants of the seventh Manu had been observing and recording the stars as a source of cataclysm for at least 15 000 years prior to Enoch thus allowing Enoch to prophesize a new heaven That prophecy became the foundation for St John s Book of Revelations which is shown to be a description of a series of cataclysms attributed to Sgr West The book offers a new theory for explaining geo polar migration That theory suggests small shifts in the location of the earth s center of gravity underlie each migration but that there are multiple causes for the shifts The Oxford Handbook of the Book of Revelation Craig R. Koester,2020 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research **The Enochian Apocalypse Show** Lisa Silverthorne,2023-09-03 Can Jack and Talia save the world And their happily ever after From Lucifer s deadly vengeance Lucifer s nefarious plan materializes after he breaks the seven seals and unleashes the Seven Hell princes on Earth triggering the apocalypse With High House in ruins and the Gates of Hell open Jack and Talia must fight for their lives and the fate of Heaven and humanity Forced to wage separate battles Jack fights to stop the Seven Travelers from unleashing their demonic payloads on Earth while Talia takes to the skies in a

fierce air battle to stop Lucifer's Dark army from taking control of Heaven When Lucifer sets his sights on destroying the Maker's Thrones and killing the Maker Jack and Talia must defend the uppermost reaches of Heaven to prevent the destruction of all existence As the clock ticks down to the end of the world Jack and Talia must fight for their happily ever after and battle Lucifer to save everything from the King of Hell's deadly vengeance The Enochian Apocalypse Show is the eleventh book in A Game of Lost Souls Dark irreverent and always romantic this action packed 13 book fantasy romance stars two lovers entangled in a mythic battle between good and evil that begins with a simple wager with the King of Hell All Power to the Lamb James R. Johnson, 2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7:7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Occasional sermons preached in Westminster Abbey.
