## **Between River And Sea Encounters In Israel And Palestine:**

**Between River and Sea** Dervla Murphy, 2015 None of Dervla Murphy's journeys have been easy but with *Between River and Sea* she has kept her most difficult destination till last. In cramped Haifa high rises in homes in the settlements and in a refugee camp on the West Bank Dervla Murphy talks with whomever she meets. She tries to understand the attitudes of both Palestinians and Jewish Israelis with her customary curiosity, her acute ear and mind, her empathy and her moral seriousness. While she keeps an open mind, her sympathies are clearly with the Palestinians, remorselessly dispossessed of and cut off from their lands and frustrated and humiliated on a daily basis. Clinging to hope, she comes to believe that despite its difficulties the only viable future lies in a single democratic state of Israel/Palestine based on one person, one vote. The One State Solution Book jacket

**The House Divided** Barnaby Rogerson, 2024-07-02 An incisive look at the past, present and future of the religious divide that lies at the heart of the Middle East. At the heart of the Middle East with its regional conflicts and proxy wars is a 1400 year old schism between Sunni and Shia. To understand this divide and its modern resonances we need to revisit its origins which go back to the death of the Prophet Muhammad in 632, the accidental coup that set aside the claims of his son Ali and the slaughter of Ali's own son Husayn at Karbala. These events, known to every Muslim, have created a slender faultline in the Middle East. *The House Divided* follows these narratives from the first Sunni and Shia caliphates through the medieval empires of the Arabs, Persians and Ottomans to the contemporary Middle East. It shows how a complex range of identities and rivalries, religious, ethnic and national, have shaped the region jolted by the seismic shift of the Iranian Revolution of 1979. Rogerson's original approach takes the modern chessboard of nation states and looks at each through its particular history of empires and occupiers, minorities and resources, sheikhs and imams. The result is wide-ranging empathy, understanding and insight, a book that is vital for anyone wishing to understand many of the current tensions in the Middle East today.

**Civil Society, Post-Colonialism and Transnational Solidarity** Marie-Violaine Louvet, 2016-06-28 Civil Society Post Colonialism and Transnational Solidarity originates from Louvet's observation of the strong commitment of a layer of Irish civil society from the man on the street to political parties associations and trade unions to the defence of one antagonist or the other in the Israeli Palestinian conflict beginning with the Six Day War in 1967 and increasingly so after the Lebanon Wars at the start of the 1980s and the Second Intifada 2000 2005 This book observes how this phenomenon is particularly striking in Northern Ireland where Israeli and Palestinian flags have been flown by Unionists and Nationalists as signs of solidarity and identification Louvet sheds light on the dynamics and strategies at play in the Middle East conflict in Northern Ireland but also in the Republic of Ireland a country considered to be widely sympathetic to the Palestinian cause With an overarching perspective highlighting the influence of Irish colonial history over the motives and discourse of the different levels of mobilization in civil society this book shows the global movement towards the fragmentation and specialization of transnational solidarity actions in Ireland

**Arab-Jewish Activism in Israel-Palestine** Marcelo Svirsky, 2016-04-15 Applying the insights of Deleuze and Guattari's works to Israel Palestine Arab Jewish Activism in Israel Palestine sets out to re conceptualise the relationship between resistance and power in ethnically segregated spaces in general and the Israeli Palestine context in particular Combining many years of ethnographic study and political and social activism with a solid theoretical conceptual framework Marcelo Svirsky convincingly argues that successful efforts to decolonise the region depend on taking the struggle beyond self determination and making it collaborative Decolonisation depends on political and cultural changes that elaborate on the historical partition of social life in the region that have been an issue since the early twentieth century This elaboration means producing a civil struggle aimed at the destabilisation of the Zionist supremacy and resulting in a democratic political community from the Mediterranean Sea to the Jordan River Simply not just another book on Israel and Palestine Arab Jewish Activism in Israel Palestine provides refreshingly new empirical evidence and theoretical analysis on the connection between resistance intercultural alliances civil society and the potential for actualising shared sociabilities in a conflict ridden society An indispensable read to all scholars wishing to gain original insights into the transversal connections which transcend ethnicity

Bentley, Herbert F. Ziegler, 2006 On the basis of a superficial inspection Traditions Encounters might look similar to several other textbooks that survey the world's past Like other books for example Traditions Encounters examines the historical development of societies in Asia Europe Africa the Americas and Oceania Yet Traditions Encounters differs from other works in two particularly important ways First it relies on a pair of prominent themes to bring a global perspective to the study of world history it traces the historical development of individual societies in all world regions and it also focuses attention systematically on interactions between peoples of different societies Second it organizes the human past into seven eras that represent distinct and coherent periods

of global historical development Preface Page xvi      **Everywhere a Guest, Nowhere at Home** Kim Chernin, 2009 The title of this book is a phrase often used to describe the fate of the Jewish people in the world and invokes one of the central arguments for the creation of the state of Israel In this thoughtful collection of essays Kim Chernin suggests that the Zionist struggle has left the Palestinian people in a similar predicament now they too are merely guests in their former homeland Confronting her own uncritical support of Israel Chernin tries to reconcile her desire for a Jewish homeland with the reality of the violence carried out in order to secure it Following an in depth examination of the perspectives of both Jews and Palestinians Chernin writes eloquently of the process by which she gradually learned to hear once ignored Palestinian voices By combining her knowledge of Jewish history with her insights as a psychotherapist Chernin discovers the psychological mechanisms that have kept her and other Jews from fully comprehending the suffering of both parties in this seemingly endless conflict She argues persuasively that by overcoming the mental blocks that prevent so many from seeing the Palestinian point of view Jews can learn to feel empathy for them without diminishing their love and support for Israel

Espiritu Gandhi, 2022-04-26 A free open access ebook is available upon publication Learn more at [www.luminosoa.org](http://www.luminosoa.org) What happens when refugees encounter Indigenous sovereignty struggles in the countries of their resettlement From April to November 1975 the US military processed over 112 000 Vietnamese refugees on the unincorporated territory of Guam from 1977 to 1979 the State of Israel granted asylum and citizenship to 366 non Jewish Vietnamese refugees Eryn L. Espiritu Gandhi analyzes these two cases to theorize what she calls the refugee settler condition the fraught positionality of refugee

subjects whose resettlement in a settler colonial state is predicated on the unjust dispossession of an Indigenous population This groundbreaking book explores two forms of critical geography first archipelagos of empire examining how the Vietnam War is linked to the US military buildup in Guam and unwavering support of Israel and second corresponding archipelagos of trans Indigenous resistance tracing how Chamorro decolonization efforts and Palestinian liberation struggles are connected through the Vietnamese refugee figure Considering distinct yet overlapping modalities of refugee and Indigenous displacement Gandhi offers tools for imagining emergent forms of decolonial solidarity between refugee settlers and Indigenous peoples     Ephemeral Coast: Visualizing Coastal Climate Change Celina Jeffery,2022-08-02 Ephemeral Coast

*Israel Victory* ,2024-06-18 A leading historian applies his deep understanding of the Middle East to the Palestinian Israeli conflict the most intractable emotive clash of the past century Daniel Pipes argues that this long struggle pits two unique and doomed mentalities that exist outside of normal politics against each other making it so difficult to comprehend One mentality consists of rejectionism or the Palestinians negation of Jews Judaism Zionism and Israel Rejectionism accounts for their enduring goal of genocide their refusal to take yes for an answer their unwillingness to seek improved living circumstances and their determination to defame the Jewish state The other mentality consists of conciliation or the Zionists attempt to win Palestinian acceptance not by defeating their enemy but by enriching and placating it Pipes argues against

this anomalous Zionist approach advocating instead the traditional method of ending a war through victory Palestinians give up Israel wins In a brilliant essay that brings surprisingly fresh insights and original policy recommendations to a well worn topic Pipes draws lessons from past peace process failures delves into the universal nature of defeat and victory and offers practical advice on how Israel can win through minimal violence and maximal messaging Both sides need an Israel Victory to break with the static pull of outdated mentalities For Israel it means acceptance especially among Muslims and on the global Left For the Palestinians Israel Victory means liberation from a destructive obsession enabling them finally to build a polity economy society and culture worthy of their skills and ambitions      **Encounters with God** Rodney Castleden,2020-07-01
