## **Between By Jessica Warman:**

**Between** Jessica Warman, 2011-08-02 Elizabeth Valchar pretty popular and perfect wakes up the morning after her eighteenth birthday party on her family's yacht where she'd been celebrating with her six closest friends. A persistent thumping noise has roused her. When she goes to investigate what she finds will change everything she thought she knew about her life, her friends, and everything in between. As Liz begins to unravel the circumstances surrounding her birthday night, she will find that no one around her, least of all Liz herself, was perfect or innocent. Critically acclaimed author Jessica Warman brings readers along on a roller coaster ride of a mystery, one that is also a heartbreaking character study, a touching romance, and ultimately a hopeful tale of redemption, love, and letting go.

**Bad Girls and Transgressive Women in Popular Television, Fiction, and Film** Julie Chappell, Mallory Young, 2017-07-03 This collection of essays focuses on the representations of a variety of bad girls, women who challenge, refuse, or transgress the patriarchal limits intended to circumscribe them in television, popular fiction, and mainstream film from the mid twentieth century to the present. Perhaps not surprisingly, the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women. From the beginning, for good or ill, women have been depicted as insubordinate. Today's popular manifestations include such widely known figures as Lisbeth Salander, the girl with the dragon tattoo, *The Walking Dead*'s Michonne, and the queen bees of teen television series. While the existence and prominence of transgressive women has continued uninterrupted, however, attitudes towards them have varied considerably. It is those attitudes that are explored in this collection. At the same time, these essays place feminist/postfeminist analysis in a larger context, entering into ongoing debates about power, equality, sexuality, and gender.

**Persephone's Underground** Rickey Pittman, 2025-07-20 *Persephone's Underground* is a novel of approximately 71,000 words using a modern setting after 9/11, the date when disappearing in America became more difficult. Through her eyes, the reader will encounter a collage of characters who exist in the New Orleans underground. Along with Cora, the reader will discover many surprising secrets of the underbelly of New Orleans. The novel blends the genres of crime, mystery, legend, and romance.

**Breathless** Jessica Warman, 2010-08-31 At boarding school, Katie tries to focus on swimming and becoming popular instead of on the painful memories of her institutionalized schizophrenic older brother.

*Beautiful Lies* Jessica

Warman,2012-08-07 Rachel and Alice are an extremely rare form of identical twins so identical that even their aunt and uncle whom they've lived with since their parents passed away when the girls were nine can't tell them apart. The sisters are connected by an intense bond that goes way beyond their surfaces and borders on the supernatural when one experiences pain the other exhibits the exact same signs of stress too. So when troubled Alice disappears mysteriously one night good girl Rachel knows something is wrong especially when Rachel starts experiencing serious physical traumas even though nobody has touched her. What Rachel can't tell anyone is that she and Alice sometimes switched places reveling in the possibility of being the good one or the bad one for a day. And that Rachel is really Alice continuing to masquerade as her twin. So then what happened to her sister. Could whoever abducted her sister really have meant to take her instead. And can she find the real Rachel before it's too late for both of them.     *Repeat After Me* Jessica Warman,2024-09-03 She's about to have a serious temporal tantrum. In retrospect I probably should have passed on the ceviche. It was already a weird Friday. My class is stuck on an eerily remote island for our senior trip. I'm pretty sure Mr. D. call me Max is hiding something from us. My ex best friend turned nemesis keeps stealing my candy and tonight's plan for my boyfriend and me to finally lose our virginity to each other is going hellishly. I mean ceviche is delicious don't get me wrong. But a dish made from a supposedly immortal octopus should really come with a warning label. Caution consuming a telepathic sea creature of unknown origin may result in immortality no consequences to any actions and getting stuck in a time loop for all of eternity. Now every morning I wake up and it's the same Friday all over again. Same annoying classmates. Same island suspended in time by an evil oyster farmer with a God complex. Same outrageous candy theft. The only person I can count on to keep me from losing my grip on this new reality is Louis my best friend who knows me better than anyone else in this world. This should be a cephalopod induced nightmare but somehow in some ridiculous way I feel like I'm experiencing the extraordinary the gift of endless opportunities to get things right. But when I wake up every morning and it's Friday again sometimes it feels more like a never ending prison sentence. They say some things are worse than death guess I'm about to find out. At *Entangled Teen* we care about our readers experience. Please be advised that this title is intended for ages 17 and may not be suitable for all audiences.     *The Last Good Day of the Year* Jessica Warman,2015-05-19 Ten years ago seven year old Samantha and her next door neighbor Remy watched helplessly as Sam's little sister was kidnapped. Later Remy and Sam identified the man and he was sent to prison. Now Sam's shattered family is returning to her childhood home in an effort to heal. As long buried memories begin to surface she and Remy wonder what they really saw. The more they re-examine the events of that fateful night the more questions they have about what happened to Turtle and they become more certain that Turtle's killer is still out there hidden amongst the members of their tight knit community. Master storyteller Jessica Warman keeps readers guessing in an arresting page turner that questions whether the potential for evil lurks within us all.     *Blink* Sasha Dawn,2024-05-07 When Josh was four a little girl named Rachel was kidnapped and never found.
