Gerstenberger,2021-02-02 Israel s conceptions of God changed argues Gerstenberger over the millennium witnessed in Hebrew Scriptures Contrary to widespread opinion the author shows that historical and biblical evidence points to an active early participation of women in cultic life especially in the domestic realm when in the sixth century the status of women underwent a change Social upheaval political and economic stress and the growing influence of priestly circles converged to redefine God in male terms This book explores the religious role of women in these different periods and social organizations How did women lose a strong position in Israelite house cult as attested in Scriptures and through archaeological findings Why did Yahweh who once had a consort Asherah turn into a lone and militantly male deity
