Beyond Belief Two Thousand Years Of Bad Faith In The Christian Church:

Beyond Belief James McDonald, 2011 Starting from a neutral position this book looks at claims made by Christian leaders over the centuries and analyses them in the light of modern scholarship Erudite yet mischievous the book's scope is wide from early history to the present day from America to China and spanning many different disciplines Many of the conclusions reached will shock devout believers though all of them can be verified with reference to sympathetic works by biblical scholars and theologians A recurring theme is that of open secrets facts well known to historians and other academics in the Church but kept from the faithful masses These open secrets are not actively denied just avoided so as not to cause offence to those who are familiar only with the Sunday School version of events Many Christians see their system of belief as dating from the earliest times but this idea becomes difficult to sustain in the light of when and how key doctrines were established Many ordinary Christians would be shocked to discover for example the prominent role played by violence and forgery in developing and promoting Christian doctrine Whatever one's own religious beliefs the Christian Churches provide huge amounts of material for the enquiring mind Repercussions from crusades that happened over 900 years ago are still in evidence today The division of the Roman Empire in early Christian times also reverberates to the present day To a large extent the history of the Western World over the last 2 000 years is the history of the Christian Church Without a proper understanding of the role of the Church it is not possible to truly understand the history of Europe the Middle East or indeed the Americas

24 Reasons to Abandon Christianity Charles Bufo, 2022-05-01 Taking up where Christopher Hitchens *God Is Not Great* left off *24 Reasons to Abandon Christianity* reveals Christianity's cruelty dishonesty fear mongering hypocrisy misogyny homophobia dogmatism and authoritarianism and all of the misery destruction and death caused by these things *24 Reasons to Abandon Christianity* also reveals the roots of these characteristics and why Christianity leads to all of these evils While the book treats serious topics its tone much like Hitchens book is analytical but also breezy and biting

No Sacred Place Ivan Hugh Walters, 2011-09-12 *No Sacred Place* offers a critical study of social injustice done at the behest of law and religion in the context of cultural politics in Christianized societies Author Ivan Walters theorizes the causes of social injustice and oppression of marginalized peoples as found in the law and Christian theology in both modern and post modern cultural politics He advances a theory of redemption through a transgressive discourse that challenges most of the traditional assumptions of Eurocentric Christianity and jurisprudence Walters sees law and religion as two powerful politico cultural institutions that must be kept in check in order to protect the rights of those who are marginalized by the society History reveals a litany of horrors that have been perpetrated on marginalized peoples by both religious bigotry and the law Through theological and jurisprudential theoretical inquiries Walters advocates a thesis of at one ment through the historical Christus instead of the Christianity's bastardized version of the Christus His thesis then is grounded in a theory of challenge and resistance to oppression and the advocacy of the possibilities for redemption from

oppression No Sacred Place challenges the church in particular and society in general to create a new social order and right the wrongs of the current system

The Christians, Their First Two Thousand Years, 2002 The Christians is the history of Christianity told chronologically epoch by epoch century by century beginning at Pentecost and concluding with Christians as we find ourselves in the twenty first century It will consist of approximately twelve volumes produced over a 10 year period at the beginning of the third Christian millennium It is written and edited by Christians for Christians of all denominations Its purpose is to tell the story of the Christian family so that we may be knowledgeable of our origins may well know and wisely profit from the experiences of our past both good and bad and may find strength and inspiration to face the challenges of our era from the magnificent examples set for us by those who went before Back cover Bad Faith Paul A Offit, 2015-03-10 In recent years there have been major outbreaks of whooping cough among children in California mumps in New York and measles in Ohio s Amish country despite the fact that these are all vaccine preventable diseases Although America is the most medically advanced place in the world many people disregard modern medicine in favor of using their faith to fight life threatening illnesses Christian Scientists pray for healing instead of going to the doctor Jehovah s Witnesses refuse blood transfusions and ultra Orthodox Jewish mohels spread herpes by using a primitive ritual to clean the wound Tragically children suffer and die every year from treatable diseases and in most states it is legal for parents to deny their children care for religious reasons In twenty first century America how could this be happening In Bad Faith acclaimed physician and author Dr Paul Offit gives readers a never before seen look into the minds of those who choose to medically martyr themselves or their children in the name of religion Offit chronicles the stories of these faithful and their children whose devastating experiences highlight the tangled relationship between religion and medicine in America Religious or not this issue reaches everyone whether you are seeking treatment at a Catholic hospital or trying to keep your kids safe from diseases spread by their unvaccinated peers Replete with vivid storytelling and complex compelling characters Bad Faith makes a strenuous case that denying medicine to children in the name of religion isn t t just unwise and immoral but a rejection of the very best aspects of what belief itself has to offer

An exposition upon the Epistle of Jude delivered in Christ Church William Jenkyn, 1863 **The Truth Seeker**, 1893 **Deep Church Rising** Andrew G. Walker, Robin A. Parry, 2014-07-01 The major cultural changes in Western societies since the Reformation have created a serious challenge for the church Modernity in particular has been inhospitable to Christian orthodoxy and many have been tempted to reject classical versions of the faith This has led to a division within churches that Walker and Parry name the third schism a divide between those who believe and practice the central tenets of Christian tradition and those who do not The authors have adopted and adapted C S Lewis phrase deep church to highlight the necessity of remembering our past in order to recover historic Christian orthodoxy This book is a call to deep church to remember our future to make a half turn back to premodernity not in order to repeat or relive the past but in order to draw on its rich yet often forgotten resources for the

The Pursuit of Belief Christian Classics Collection is a profound anthology that explores the timeless quest for faith and understanding within the Christian tradition. Encompassing a vast range of literary styles from philosophical treatises and theological discourses to narrative prose and earnest reflections, this collection offers readers an insight into the diverse approaches to Christian thought and belief. Among its standout entries are works that challenge the mind, comfort the soul, and inspire the spirit, illustrating the vast spectrum of perspectives unified by a common pursuit of divine wisdom and insight. This anthology brings together the works of legendary figures such as Goethe, Dostoevsky, Aquinas, and Augustine, among others, whose contributions have significantly shaped the theological and philosophical landscape. These authors hail from a myriad of backgrounds and eras, creating an enriching tapestry that captures various historical and cultural movements from the Reformation to the Enlightenment and beyond. The collection encapsulates the efforts of these eminent figures to articulate and question the very essence of faith, combining to form a comprehensive dialogue on the human experience in relation to the divine. The Pursuit of Belief invites readers on a contemplative journey through the ages, offering a unique chance to engage with a multiplicity of perspectives on Christianity in a single volume. This collection not only serves as an educational trove of insights but also fosters a dynamic conversation among the included works. Through its exploration of faith, reason, and personal conviction, it promises to enrich the reader's understanding and appreciation of Christian thought, making it an indispensable resource for anyone intrigued by the profound questions of belief and spirituality. In this enriched edition, we have carefully created added value for your reading experience. An Introduction draws the threads together, discussing why these diverse authors and texts belong in one collection. Historical Context explores the cultural and intellectual currents that shaped these works, offering insight into the shared or contrasting eras that influenced each writer. A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces, helping readers grasp the anthology's overall scope without giving away essential twists. A collective Analysis highlights common themes, stylistic variations, and significant crossovers in tone and technique, tying together writers from different backgrounds. Reflection questions encourage readers to compare the different voices and perspectives within the collection, fostering a richer understanding of the overarching conversation.
