careful revisiting of the historical foundations of women's studies

The Anthology in Portugal Patricia Anne Odber de Baubeta, 2007 This book breaks new ground in considering the nature and function of anthologies of poetry and short stories in twentieth century Portugal It tackles the main theoretical issues identifies a significant body of critical writing on the relationship between anthologies literary history and the canon and proposes an approach that might be designated Descriptive Anthology Studies The author aims to achieve a full understanding of the role of anthologies in the literary polysystem Moreover this study considers anthologies published in Portugal in the early years of the twentieth century the influential figures who made them the works they selected and who read them It also focuses on the principal publishing houses of the 1940s and 50s and how their literary directors shaped public taste and promoted intercultural transfer The author reveals tensions between conservative nostalgic anthologies that promote an idyllic vision of rural Portugal and collections of poems that question and challenge the status quo whether in respect of the colonial wars or repressed female sexuality The last part of the book explores anthology production in the period following the Revolution of 1974 observing the co existence of traditional anthologising activity with new trends and innovations and noting the role of women both as anthologists and anthology items

The Entremés for Performance Kerry Wilks, Ian M. Borden, 2024-02-29 This bilingual anthology brings together a collection of Spanish entremeses the comic interludes that were performed between the acts of a comedia Penned by authors such as Lope de Rueda Cervantes Calderón Quevedo and Quiñones de Benavente many of these plays appear here for the first time in English Translated for performability these plays create a panoramic view of one act plays from Spain's classical theater period Presented with discussions of dramaturgical and performance possibilities and difficulties including relevant historical cultural and social information for the plays the collection opens with two precursors to the entremés moves through the breadth of the entremés form and concludes with works from the 18th century including a sainete There are also examples of trans adaptation that show how these works can be interpreted through strong directorial concepts that relocate the plays in historical time and location The selected titles raise challenges to social mores and expectations surprise with their humor and delight with their stagecraft Whether aimed at the classroom or the stage the collection is valuable for research pedagogy and performance

Historicist Essays on Hispano-Medieval Narrative Barry Taylor, Geoffrey West, 2005 In this volume seventeen scholars from Great Britain Ireland Spain and the US pay tribute to the memory of Roger M Walker Professor of Spanish at Birkbeck College London His publications were chiefly in the field of Old Spanish narrative epic romance hagiography and the Libro de buen amor and the editors have sought to assemble contributions on these topics Versions of some of the papers were presented at the symposium held in Professor Walker's memory at Birkbeck College in October 1999

Great Walls of Discourse and Other Adventures in Cultural China Haun Saussy, 2020-03-23 China and the West us and them the subject and the non subject these and other dualisms furnish China watchers both inside and outside China with a pervasive ready made set of definitions immune to empirical disproof

But what does this language of essential difference accomplish The essays in this book are an attempt to cut short the recitation of differences and to answer this question In six interpretive studies of China the author examines the ways in which the networks of assumption and consensus that make communication possible within a discipline affect collective thinking about the object of study Among other subjects these essays offer a historical and historiographical introduction to the problem of comparison and deal with translation religious proselytization semiotics linguistics cultural bilingualism writing systems the career of postmodernism in China and the role of China as an imaginary model for postmodernity in the West Against the reigning simplifications these essays seek to restore the interpretation of China to the complexity and impurity of the historical situations in which it is always caught The chief goal of the essays in this book is not to expose errors in interpreting China but to use these misunderstandings as a basis for devising better methodologies for comparative studies

The Medieval Lyric Peter Dronke,1996 He shows the men and women who sang and played in medieval Europe as the heirs of both a Roman and a Germanic lyric tradition united but differentiated from country to country he introduces the scholars and musicians from the Byzantine world and the Paris schools the German courts and Italian city states and he brilliantly presents their work both sacred and profane

The Moral Resonance of Arab Media Flagg Miller,2007 This book studies contemporary Arab political poetry providing insights into how modern Arab media forms are shaped by language and culture By examining lives and works of individual poets singers and audiences it shows how tribalism is a resource for critical reform when expressed in tropes of community place person and history

Travellers' Visions Akane Kawakami,2005-01-01 Travellers Visions adds another perspective to ongoing debates over colonialism with an examination of the intercultural relations between France a major colonial empire for nearly three centuries and Japan a country that has remained mostly autonomous throughout its existence In this analytic history of French literary images of Japan from soon after its reopening to the West to the present day Kawakami examines the work of many of France s most revered authors including Marcel Proust Paul Claudel and Roland Barthes along with other lesser known writers and artists such as Loti and Farr re as they embarked on journeys literary and real to this exotic land Authors are discussed according to type journalists diplomats or collectors for example and the close readings are accompanied by G rard Mac s beautiful and rarely seen photographs Travellers Visions offers new clarity to current intellectual debates and will be a valuable resource to students and scholars of French literature and Asian history alike

A Century of British Medieval Studies Alan Deyermond,2007-11-29 This is an authoritative guide to the full range of medieval scholarship undertaken in twentieth century Britain history archaeology language culture Some of the twenty nine essays focus on changes in research method or on the achievements of individual scholars others are personal accounts of a lifetime s work

Iberian and Translation Studies Esther Gimeno Ugalde,Marta Pacheco Pinto,Ângela Fernandes,2021 Iberian and Translation Studies Literary Contact Zones brings together a variety of essays by multilingual scholars whose conceptual and empirical research places itself at

the intersection of translation and literary Iberian studies thus opening up a new interdisciplinary field of enquiry Iberian translation studies A Gil Vicente Bibliography, 1995-2000 Constantine Christopher Stathatos, 2001 **Forthcoming Books** Rose Arny, 1994-02 **CURRENT CONTENTS**, 1997 **A Comparative History of Literatures in the Iberian Peninsula** Fernando Cabo Aseguinolaza, Anxo Abuín González, César Domínguez, 2010 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus published by the Coordinating Committee of the International Comparative Literature Association As its predecessor for East Central Europe this two volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter literary relations Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested Written by an international team of researchers who are specialists in the field this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo cultural account of literary inter systems which cannot otherwise be explained **Lorca, Poet and Playwright** J. M. Aguirre, 1992
