Beyond Rhetoric Reconciliation As A Way Of Life:

Beyond Rhetoric Samuel George Hines, Curtiss Paul DeYoung, 2011-04-01 In *Beyond Rhetoric* the late Samuel Hines and Curtiss DeYoung place reconciliation at the very center of God's agenda for humankind. In so doing they provide both inspiration and guidance for faithful Christian living that embraces a passionate pursuit of reconciliation. **Being (the**

Church) Beyond the South-North-divide Andrea Fröchtling, 2003 This book testifies to the fact that the embodiment of ideas of partnership can occur in many ways. Contributors from South Africa and Germany engage in a search for identities in othernesses and for common ground beyond the divide. Seventeen contributions address a variety of partnership related issues ranging from ecumenical hermeneutical foundations to practical applications. Andrea Fröchtling is teacher in Celle, Germany. Ndanganeni Phaswana is a bishop in the Evangelical Lutheran Church in Southern Africa Central Diocese.

Transcendence By Perspective Bryan Crable, 2014-07-15 The nine contributors to this collection examine rhetorician Kenneth Burke's understanding of transcendence applying it to a wide range of social and political issues including racial and presidential politics. **Roads to Reconciliation: Conflict and Dialogue in the Twenty-first Century** Amy Benson Brown, Karen M. Poremski, 2014-12-18 Unlike other books on conflict resolution that focus on particular places and moments in history, this original work attempts to understand the process from many different perspectives and in many different contexts, from international political conflicts to racial and religious struggles within one culture to the internal conflicts of individuals struggling with the desire for revenge in the wake of 9/11. Designed as a starting point for meaningful dialogue on the elusive concept of reconciliation, the book includes views from Christians and Muslims, scholars and politicians, and draws on religion, psychology, cultural studies, education, theory, history, and law. **Intergenerational Christian Formation** Holly

Catterton Allen, Christine Lawton, Cory L. Seibel, 2023-06-13 In a revised and updated edition, this comprehensive up-to-date text offers a framework for intentional intergenerational Christian formation. It provides the theoretical foundation of intergenerationality, then gives concrete practical guidance on how worship, learning, community, and service can all be achieved intergenerationally. **Race and Reconciliation** John B. Hatch, 2009-12-01 Hatch develops a robust rhetorical theory of reconciliation and applies it to contemporary national and global efforts to redress the racialized wounds and injustices created by slavery. What emerges from this work is a profound vision for the prospects of meaningful reparation, forgiveness, and reconciliation in American race relations. **Towards a Contextual Transformational Practical**

Theology for Leadership Education in South Africa Gordon E. Dames, 2016 *Towards a contextual transformational practical theology for leadership education in South Africa* is a courageous effort by a prominent South African practical theologian to develop a framework for the theory and practice of leadership education in an African context. Taking the harsh realities of South Africa as point of departure, the author demonstrates how an indigenous South African practical theology can be developed through a critical interaction between Western and African ideas. Prof. Jaco S. Dreyer, Professor of Practical

Theology University of South Africa **Toward a Theology of Special Education** David W. Anderson Ed D., David W. Anderson, 2012 Professor mentor author disability advocate seminar leader around the world Dr David Anderson corralled his many talents and worldwide experiences to author this important book The volume should prove invaluable to Christians concerned about disabilities especially teachers Without flinching Dr Anderson tackles the tough issues How could a good and benevolent God permit disabled children Are disabilities the result of sin How does a Christian teacher of the disabled differ from secular counterparts Especially helpful is his emphasis on the reflective teacher integrating faith and learning Certainly this is a volume that belongs on the bookshelves of anyone concerned with disabilities Steven A Kaatz PhD Graduate Programs in Special Education Bethel University St Paul Minnesota I have had the privilege of traveling with Dr Anderson as he has taught the concepts addressed in this book to educators pastors and parents in a variety of countries I've seen the material come alive as leaders discover the importance of thinking Christianly about disability This book has the potential of impacting all readers in similar ways Dr Anderson challenges all of us to come to grips with a biblical worldview and then to live it out within our spheres of influence Toward a Theology of Special Education thus encourages all readers to think Christianly about disability Such thinking will then motivate us to care with God's care and to serve with God's concern for justice and compassion Dr Richard Schoenert pastor emeritus Calvary Church Roseville Minnesota *Home Away from Home* Delroy A. Reid-Salmon, 2014-12-18 An estimated two thirds of Caribbeans live outside their homeland Home Away from Home identifies the different forms of Caribbean diasporan identity and argues that the faith Caribbean people brought with them into the diaspora plays a central role in their development The study provides a theological interpretation of the diasporan experience and outlines the principles of diasporan theology and the distinctiveness of its church Focusing on the Caribbean diaspora in the US and analysing aspects of the Caribbean British diaspora the book forges a Black Atlantic theology The volume also engages with wider discourse on the Black diaspora to offer an inclusive Caribbean diasporan ecclesiology that overcomes Black African American Euro American binaries The Living Dead Barry L. Callen, 2023-02-14 People readily form religious beliefs out of their imaginations fears fantasies and bloated egos The paranormal is now nearly the norm in the world of popular entertainment threatening traditional systems of belief Are today's walking dead real zombies Are the aliens actually here What's keeping you awake at night Are masses of overscheduled and frustrated people spiritually deceased even though still breathing Who's lurking in the shadows demons of destruction a loving God seeking our highest well being or nothing but our twisted imaginations How we fragile humans long for safety ecstasy community meaning and salvation We must beware however Numerous charlatans have it all for sale By contrast there still is the man Jesus who has paid the highest of prices and is offering all we need as a free gift In him insists the Christian faith death has died and we've been set free to be possessed by the Spirit of Jesus thus becoming the living dead Receiving this gift takes faith of course but faith not contrary to reason In fact it may be the most reasonable and satisfying thing we could ever do
