Hoard, 2025-07-25 For too long Christianity has been distorted by an overapplied purity disgust metaphor fueling exclusion
reinforcing fear and enabling Christian Nationalism Eucontamination challenges this toxic framework arguing that Jesus did
not retreat from impurity but transformed it This interdisciplinary work weaves together psychology psychoanalysis theology
and sociology to expose how disgust has shaped Christian witness from theological education to church exclusion and social
scapegoating But there is a better way The authors propose that Christ is not fragile in the face of sin but a good infection a
force that spreads healing and redemption Instead of protecting a brittle purity true faith embraces eucontamination a
sanctifying engagement with the world not a retreat from it For Christians seeking a faith that resists exclusion and
embraces radical love Eucontamination offers a vision of transformation one where Truth Life and the Way are not delicate
things to be defended but powerful forces moving through and within us all *Wolves of the Beyond Collection: Books 1-3*
