Beyond The Last Blue Mountain The Authorised Biography Of Jrd Tata:

Beyond the Last Blue Mountain R M Lala, 2017-10-25 An exhaustive and unforgettable portrait of India's greatest and most respected industrialist. Written with J R D Tata's co-operation, this superb biography tells the J R D story from his birth to 1993, the year in which he died in Switzerland. The book is divided into four parts. Part I deals with the early years from J R D's birth in France in 1904 to his accession to the chairmanship of Tata's India's largest industrial conglomerate at the age of thirty-four. Part II looks at his forty-six years in Indian aviation, the lasting passion of J R D's life which led to the initiation of the Indian aviation industry and its development into one of India's success stories. Part III illuminates his half-century long stint as the outstanding personality of Indian industry, and Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with such people as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi, and his association with celebrities in India and abroad.

Jrd Tata: A Complete Biography - The Father of Indian Civil Aviation Vinod Sharma, 2023-08-26 Explore the legacy of an industrialist with JRD Tata A Complete Biography where the life and achievements of the father of Indian civil aviation unfold, shaping the course of Indian industry. JRD Tata A Complete Biography: The Father of Indian Civil Aviation. J R D Tata, often called Jehangir Ratanji Dadabhoy Tata, is known as the Father of Indian civil aviation. He was born in Paris in 1904 and became a famous entrepreneur and aviation pioneer in India. He played a big role in India's industrial growth. From a young age, J R D had big ideas and worked hard to achieve them. He was part of the Tata Group, a family business, and eventually became its leader. He transformed the Tata Group from a regular company into a huge global company that did many things like making steel and running airlines. J R D Tata started Air India, the first airline in India that connected the country to the rest of the world. He didn't stop at business; he also cared about helping people. He started organizations that did good things for society. This biography tells the story of J R D Tata. He wasn't just a businessman; he was a leader who changed many things. He believed in simplicity and did great things that still inspire people today.

Business India, 1992 **The Creation of Wealth** R M Lala, 2017-10-25 When Jamsetji Tata started a trading firm in 1868 few could have guessed that he was also starting an important chapter in the making of modern India Jamsetji saw that the three keys to India's industrial development were steel hydroelectric power and technical education and research A century and a half later the Tatas can claim with justice to have lined up to the vision of their founder This edition includes the story of how the Tatas with Ratan Tata at the helm have had to grapple with change in the post 1992 era of economic reforms when the opening up of India to the world came as both a challenge and a blessing In a frank epilogue Ratan Tata talks about the difficulties he faced in implementing change including resistance from his colleagues This new edition also has a postscript on the Nano which has given the most global prominence to the Tata brand

The Creation of Wealth is R M Lala's bestselling account of how the Tatas have been at the forefront in the making of the Indian nation not just by their phenomenal achievements as industrialists and entrepreneurs but also by their significant contributions in areas like factory reforms labour and social welfare medical research higher education culture and arts and rural development

India in Search of Glory Ashok Lahiri, 2023-01-23 India and the Indians have made some progress in 75 years after Independence The number of literates has gone up The Indians have become healthier and their life expectancy at birth has gone up The proportion of people below the poverty line has also halved But the shine from the story fades when India is compared with that of the East Asian Tigers and China It looks good but not good enough India looks far away from the glory it seeks This issue forms the core subject matter of this book It tries to argue why India could not achieve more and what all it could have achieved It paints a picture of its possible future and highlights the areas that need immediate attention

Partition Kamlesh Kapur, 2022-09-05 This book traces the history of India's struggle for freedom from circa 1915 to present day Salient events from the 17th to 19th century are included to provide context to later events The account narrated here is evidence based covering the four decades after M K Gandhi's return from Africa This is a historical narrative based on the facts and events that happened backed by public domain records These are further corroborated by Gandhi's speeches articles and letters written to the British authorities with the ultimate aim of demystifying Gandhi's Mahatmaship The book highlights the series of missed opportunities and poor decisions made by the Indian leadership primarily Gandhi and Nehru during the course of independence and thereafter These events and decisions have already affected the four generations of people While there were several noteworthy freedom fighters who tried to steer

things in more opportune directions they were stymied by Gandhi's authoritarian stance and his often obstinate stand on social economic and political developments This book looks critically at the decisions Gandhi made and their impact on modern day India Divided in seven sections the first four sections discuss Gandhi's leadership and his actions during the freedom struggle the fifth section gives a detailed analysis of the 60 years of post independence Congress regimes during which Nehru and his dynasty's policies destroyed the five pillars of democracy Finally the epilogue suggests a road map for the way forward
