Beyond The Lectionary A Year Of Alternatives To The Revised Common Lectionary:

Beyond the Lectionary David Ackerman, 2013-06-28 *Beyond the Lectionary* gives preachers a new year of Biblical texts that are not found on Sundays or other mainline Protestant holy days in the three year cycle of the Revised Common Lectionary. It provides readings from the Hebrew Bible, Psalms, Epistles, New Testament and Gospels for each Sunday of the liturgical year along with several midweek observances. The texts have been selected with an eye toward continuity, progressing in order and complementarity, textual completion or harmony, and they are accompanied by commentaries and prayers. Written in language that is accessible to both lay people and professionals, *Beyond the Lectionary* has the potential to transform congregational culture by bringing more of the content of scripture to people's awareness. **UnCommon**

Preaching Susan Cartmell, 2015-07-24 There is a spiritual hunger in the world today. Many people are seeking answers to life's hard questions. Many people come to church seeking inspiration, help for personal problems, or faith's perspective on life. They come seeking things you cannot find in a search engine. The church has exactly what they need, but too often there is a gap between our message and our ability to send it. Each week as people pause to learn about faith and get a word of hope, a lot rides on the sermon. Susan Cartmell took a journey across the country to visit churches with great preaching and lively worship. What she discovered was that Evangelical Christians and Unitarian Universalists were using themed preaching effectively to attract new members. Working in her church over the last five years, she has designed a new system for preaching with themes in mainline Protestant churches. She shares her method and her journey in a story that invites you to consider new ways to preach faithfully without using the lectionary. [Surviving the Bible 2019](#) Christian Piatt, 2018-09-01

Resuscitate your relationship with the Bible. A lot of us have tried to read the Bible, and we've failed. Christian Piatt has too. But now, using the annual lectionary as his guide, he has put together a devotional that allows us to read through major parts of the Old and New Testaments and finally understand them in plain English. Every week has several Scripture readings, explanations of confusing terms, a story, a deeper dive into interesting themes, and a closing prayer. You can use it as a weekly study or browse a thematic list for something you're curious about. It's an ideal resource to use with a friend or small group, but it's set up to be accessed by anyone who has enough curiosity, openness, and desire to grow. Start anywhere. Set it down and come back to it. There's no wrong way to use *Surviving the Bible*. Engage ancient texts in new ways that make sense here and now, maybe for the first time. Any way you use it, it's sure to challenge and inspire. **Liturgical Music for the Revised**
