

BEYOND AZTLAN

Ethnic Autonomy in Comparative Perspective

MARIO BARRERA

Beyond Aztlan Philosophy

**Rudolfo Anaya, Francisco A.
Lomelí, Enrique R. Lamadrid**

Beyond Aztlan Philosophy:

Beyond Aztlan Mario Barrera, 1990-08-31 **Creating Aztlán** Dylan Miner, 2014-10-30 Creating Aztlán interrogates the important role of Aztlán in Chicano and Indigenous art and culture Using the idea that lowriding is an Indigenous way of being author Dylan A T Miner Metis discusses the multiple roles that Aztlán has played at various moments in time engaging pre colonial indigenities alongside colonial modern and contemporary Xicano responses to colonization *A Philosopher in Aztlán* Reyes Roberto García, 1992 *Aztlán* Rudolfo Anaya, Francisco A. Lomelí, Enrique R. Lamadrid, 2017-04 This expanded new edition of the classic 1989 collection of essays about Aztlán weighs its value **Popular Culture and the Civic Imagination** Henry Jenkins, Gabriel Peters-Lazaro, Sangita Shresthova, 2020-02-04 Winner 2021 Ray and Pat Browne Edited Collection Award given by the Popular Culture Association How popular culture is engaged by activists to effect emancipatory political change One cannot change the world unless one can imagine what a better world might look like Civic imagination is the capacity to conceptualize alternatives to current cultural social political or economic conditions it also requires the ability to see oneself as a civic agent capable of making change as a participant in a larger democratic culture Popular Culture and the Civic Imagination represents a call for greater clarity about what we're fighting for not just what we're fighting against Across more than thirty examples from social movements around the world this casebook proposes civic imagination as a framework that can help us identify support and practice new kinds of communal participation As the contributors demonstrate young people in particular are turning to popular culture from Beyoncé to Bollywood from Smokey Bear to Hamilton from comic books to VR for the vernacular through which they can express their discontent with current conditions A young activist uses YouTube to speak back against J K Rowling in the voice of Cho Chang in order to challenge the superficial representation of Asian Americans in children's literature Murals in Los Angeles are employed to construct a mythic imagination of Chicano identity Twitter users have turned to BlackGirlMagic to highlight the black radical imagination and construct new visions of female empowerment In each instance activists demonstrate what happens when the creative energies of fans are infused with deep political commitment mobilizing new visions of what a better democracy might look like **Borderlands and Liminal Subjects** Jessica Elbert Decker, Dylan Winchok, 2017-11-15 Borders are essentially imaginary structures but their effects are very real This volume explores both geopolitical and conceptual borders through an interdisciplinary lens bridging the disciplines of philosophy and literature With contributions from scholars around the world this collection closely examines the concepts of race nationality gender and sexuality in order to reveal the paradoxical ambiguities inherent in these seemingly solid binary oppositions while critiquing structures of power that produce and police these borders As a political paradigm liminality may be embraced by marginal subjects and communities further blurring the boundaries between oppressive distinctions and categories *Renaissance Futurities* Charlene Villaseñor Black, Mari-Tere Álvarez, 2019-11-05 At publication date a free ebook version of this title will be available through Luminos University of

California Press's Open Access publishing program Visit www.luminosoa.org to learn more Renaissance Futurities considers the intersections between artistic rebirth the new science and European imperialism in the global early modern world Charlene Villaseor Black and Mari Tere Alvarez take as inspiration the work of Renaissance genius Leonardo da Vinci 1452 1519 prolific artist and inventor and other polymaths such as philosopher Giulio Delmino Camillo 1480 1544 physician and naturalist Francisco Hernández de Toledo 1514 1587 and writer Miguel de Cervantes 1547 1616 This concern with futurity is inspired by the Renaissance itself a period defined by visions of the future as well as by recent theorizing of temporality in Renaissance and Queer Studies This transdisciplinary volume is at the cutting edge of the humanities medical humanities scientific discovery and avant garde artistic expression *Making Aztlán* Juan Gómez-Quiñones, Irene Vásquez, 2014-04-30 This book provides a long needed overview of the Chicana and Chicano movement's social history as it grew flourished and then slowly fragmented The authors examine the movement's origins in the 1960s and 1970s showing how it evolved from a variety of organizations and activities united in their quest for basic equities for Mexican Americans in U.S. society Within this matrix of agendas objectives strategies approaches ideologies and identities numerous electrifying moments stitched together the struggle for civil and human rights Gómez Quiñones and Vásquez show how these convergences underscored tensions among diverse individuals and organizations at every level Their narrative offers an assessment of U.S. society and the Mexican American community at a critical time offering a unique understanding of its civic progress toward a more equitable social order **Beyond the Borderlands** Debra Lattanzi Shutika, 2011-07-08 Over the last three decades migration from Mexico to the United States has moved beyond the borderlands to diverse communities across the country with the most striking transformations in American suburbs and small towns This study explores the challenges encountered by Mexican families as they endeavor to find their place in the U.S. by focusing on Kennett Square a small farming village in Pennsylvania known as the Mushroom Capital of the World In a highly readable account based on extensive fieldwork among Mexican migrants and their American neighbors Debra Lattanzi Shutika explores the issues of belonging and displacement that are central concerns for residents in communities that have become new destinations for Mexican settlement Beyond the Borderlands also completes the circle of migration by following migrant families as they return to their hometown in Mexico providing an illuminating perspective of the tenuous lives of Mexicans residing in but not fully part of two worlds **New Visions of Aztlán**, 1990 Beyond Text Jennifer Buckley, 2019-10-09 Taking up the work of prominent theater and performance artists Beyond Text reveals the audacity and beauty of avant garde performance in print With extended analyses of the works of Edward Gordon Craig German expressionist Lothar Schreyer the Living Theatre Carolee Schneemann and Guillermo Gómez-Peña the book shows how live performance and print aesthetically revived one another during a period in which both were supposed to be in a state of terminal cultural decline While the European and American avant gardes did indeed dismiss the dramatic author they also adopted print as a theatrical medium altering the status form and function of

text and image in ways that continue to impact both the performing arts and the book arts Beyond Text participates in the ongoing critical effort to unsettle conventional historical and theoretical accounts of text performance relations which have too often been figured in binary chronological from page to stage or hierarchical terms Across five case studies spanning twelve decades Beyond Text demonstrates that print as noun and verb has been integral to the practices of modern and contemporary theater and performance artists

Beyond Machismo Áida Hurtado, Mrinal Sinha, 2016-03-29 Long considered a pervasive value of Latino cultures both south and north of the US border machismo a hypermasculinity that obliterates any other possible influences on men's attitudes and behavior is still used to define Latino men and boys in the larger social narrative Yet a closer look reveals young educated Latino men who are going beyond machismo to a deeper understanding of women's experiences and a commitment to ending gender oppression This new Latino manhood is the subject of Beyond Machismo Applying and expanding the concept of intersectionality developed by Chicana feminists Aída Hurtado and Mrinal Sinha explain how the influences of race class ethnicity sexuality and gender shape Latinos' views of manhood masculinity and gender issues in Latino communities and their acceptance or rejection of feminism In particular the authors show how encountering Chicana feminist writings in college as well as witnessing the horrors of sexist oppression in the United States and Latin America propels young Latino men to a feminist consciousness By focusing on young high achieving Latinos Beyond Machismo elucidates this social group's internal diversity thereby providing a more nuanced understanding of the processes by which Latino men can overcome structural obstacles form coalitions across lines of difference and contribute to movements for social justice

Aztlán Arizona Darius V. Echeverría, 2014-03-27 Aztlán Arizona is the first thorough examination of Arizona's Chicano student movement providing an exhaustive history of the emergence of the state's Chicano Movement politics and its related school reform efforts Darius V Echeverría reveals how Mexican American communities fostered a togetherness that ultimately modified larger Arizona society by revamping the educational history of the region

Gender, Self, and Society Renate von Bardeleben, 1993 This collection is comprised of 35 critical articles as well as selected poems presented during the IV International Conference on the Hispanic Cultures of the United States The symposium was organized by Renate von Bardeleben in cooperation with Juan Bruce Novoa Erlinda Gonzales Berry and María Herrera Sobek and held at the University of Mainz in Gernersheim in 1990 Under the central theme of Gender Self and Society the volume focuses on the intricate interplay of gender in the process of individuation and socialization The spectrum of topics includes gender and genre theory the writing of a gendered literary history the poetic quest of men and women writers sexual stereotyping in fiction the emergence of the male female self as man woman and writer interracial sexual relations intergenerational gender relations gender and the sense of place the frontier heroine the use of literary motifs and folkloric elements in female writings the impact of the literary tradition and the crosscultural influence of gender concepts The focus on gender unmasks subtle submerged and subversive developments in the interaction

between the sexes in these traditionally male oriented cultures New light is shed on topics ranging from politics and sociology to literature linguistics and the arts **Aztlán and Arcadia** Roberto Ramón Lint Sagarena,2014-08-22 In the wake of the Mexican American War competing narratives of religious conquest and re conquest were employed by Anglo American and ethnic Mexican Californians to make sense of their place in North America These invented traditions had a profound impact on North American religious and ethnic relations serving to bring elements of Catholic history within the Protestant fold of the United States national history as well as playing an integral role in the emergence of the early Chicano a movement Many Protestant Anglo Americans understood their settlement in the far Southwest as following in the footsteps of the colonial project begun by Catholic Spanish missionaries In contrast Californios Mexican Americans and Chicana os stressed deep connections to a pre Columbian past over to their own Spanish heritage Thus as Anglo Americans fashioned themselves as the spiritual heirs to the Spanish frontier many ethnic Mexicans came to see themselves as the spiritual heirs to a southwestern Aztec homeland **Mexicano Political Experience in Occupied Aztlan** Armando Navarro,2005-07-14 This exciting new volume from Armando Navarro offers the most current and comprehensive political history of the Mexicano experience in the United States He examines in depth topics such as American political culture electoral politics demography and organizational development Viewing Mexicanos today as an occupied and colonized people he calls for the formation of a new movement to reinvigorate the struggle for resistance and change among Mexicanos Navarro envisions a new political and cultural landscape as the dominant Latino population Re Mexicanizes the U S into a more multicultural and multiethnic society This book will be a valuable resource for political and social activists and teaching tool for political theory Latino politics ethnic and minority politics race relations in the United States and social movements **Aztlán and Viet Nam** George Mariscal,1999-03 A collection of writings that explores the experiences of Mexican Americans during the Vietnam War both on the warfront and at home featuring over sixty short stories poems speeches and articles **Movements in Chicano Poetry** Rafael Pèrez-Torres,1995-01-27 Studies the central concerns addressed by recent Chicano poetry **Mexican American Religions** Gastón Espinosa,Mario T. García,2008-07-08 A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature art politics and popular culture **Print** Martha T. Mooney,1995 Excerpts from and citations to reviews of more than 8 000 books each year from 109 publications Electronic version with expanded coverage and retrospective version available see p 5 and p 31 Pricing Service Basis Books
