## **Beyond Paradise The Life Of Ramon Novarro Hollywood Legends Series:**

**Beyond Paradise** André Soares, 2010-04-19 The first Latin American actor to become a superstar Ramon Novarro was for years one of Hollywood's top actors Born Ramon Samaniego to a prominent Mexican family he arrived in America in 1916 a refugee from civil wars By the mid 1920s he had become one of MGM's biggest box office attractions starring in now classic films including *The Student Prince* *Mata Hari* and the original version of *Ben Hur* He shared the screen with the era's top leading ladies such as Greta Garbo Myrna Loy Joan Crawford and Norma Shearer and he became Rudolph Valentino's main rival in the Latin Lover category Yet despite his considerable professional accomplishments Novarro's enduring hold on fame stems from his tragic death his bloodied corpse was found in his house on Halloween 1968 in what has become one of Hollywood's most infamous scandals A lifelong bachelor Novarro carefully cultivated his image as a man deeply devoted to his family and to Catholicism His murder shattered that persona News reports revealed that the dashing screen hero had not only been gay but he was dead at the hands of two young male hustlers Since then details of his murder have achieved near mythic proportions obscuring Novarro's professional legacy *Beyond Paradise* presents a full picture of the man who made motion picture history Including original interviews with Novarro's surviving friends family coworkers and the two men convicted of his murder this biography provides unique insights into an early Hollywood star a man whose heart was forever in conflict with his image and whose myth continues to fascinate today

**Lion of Hollywood** Scott Eyman, 2008-06-23 *Lion of Hollywood* is the definitive biography of Louis B Mayer the chief of Metro Goldwyn Mayer MGM the biggest and most successful film studio of Hollywood's Golden Age An immigrant from tsarist Russia Mayer began in the film business as an exhibitor but soon migrated to where the action and the power were Hollywood Through sheer force of energy and foresight he turned his own modest studio into MGM where he became the most powerful man in Hollywood bending the film business to his will He made great films including the fabulous MGM musicals and he made great stars Garbo Gable Garland and dozens of others Through the enormously successful *Andy Hardy* series Mayer purveyed family values to America At the same time he used his influence to place a federal judge on the bench pay off local officials cover up his stars indiscretions and on occasion arrange marriages for gay stars Mayer rose from his impoverished childhood to become at one time the highest paid executive in America Despite his power and money Mayer suffered some significant losses He had two daughters Irene who married David O Selznick and Edie who married producer William Goetz He would eventually fall out with Edie and divorce his wife Margaret ending his life alienated from most of his family His chief assistant Irving Thalberg was his closest business partner but they quarreled frequently and Thalberg's early death left Mayer without his most trusted associate As Mayer grew older his politics became increasingly reactionary and he found himself politically isolated within Hollywood's small conservative community *Lion of Hollywood* is a three dimensional biography of a figure often caricatured and vilified as the paragon of the studio system Mayer could be arrogant and tyrannical but under his leadership MGM made

such unforgettable films as *The Big Parade* *Ninotchka* *The Wizard of Oz* *Meet Me in St Louis* and *An American in Paris* Film historian Scott Eyman interviewed more than 150 people and researched some previously unavailable archives to write this major new biography of a man who defined an industry and an era     *The Valentino Mystique* Allan R.

Locey,2023-02-21 From the earliest accounts of contact with Europeans Polynesians have been perceived as sensual and sexual beings By the late 1800s publications lectures and stage plays about the Pacific became popular across Europe and often contained exotic and erotic components This book details the fusion of truth and fiction in the representation of Pacific Islanders focusing on the sexualization of Polynesians in American cinema and other forms of mass communications and commercial entertainment With messaging almost subliminal to American audiences the Hollywood media machine produced hundreds of tropical film titles with images of revealing grass skirts scanty sarongs female toplessness and glistening exposed male pectorals This critical filmography demonstrates how the concept of sex sells especially when applied on a large scale shaped American social views on Polynesian people and their culture Chapters document this phenomenon and an annotated filmography of sexualized tropes and several appendices conclude the book including a glossary of Polynesian terms and a film index **The Fixers** E.J. Fleming,2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood s golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and

Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM s biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world

**Ernst Lubitsch's The Student Prince in Old Heidelberg** John W. Fawell,2018-06-20 This book takes a close look at a film that has heretofore been significantly undervalued by film scholars Ernst Lubitsch s The Student Prince in Old Heidelberg In so doing it not only advocates for the elevation of the film within the canon of Lubitsch s films but also for an appreciation of the certain kind of filmmaking that it represents one favored in the classical era of Hollywood which is characterized by aesthetics meticulous structure and delicate understatement over explicit content or social relevance This book argues that The Student Prince in Old Heidelberg has perhaps been neglected because of the tendency in contemporary film criticism to devalue films that are not overtly serious in their subject matter The Student Prince in Old Heidelberg represents a master class in classical Hollywood technique a kind of filmmaking that is characterized by charm beauty and elegant form and which chooses not to express its ideas explicitly but to encase them in the substance structure and very experience of the film

*Queer Imaginings* David A. Gerstner,2023-03-21 Discovering the queer auteur and their seductive cinematic delights and possibilities How do we identify the queer auteur and their queer imaginings Is it possible to account for such a figure when the very terms queer and auteur invoke aesthetic surprises and disorientations disconcerting ironies and paradoxes and biographical deceits and ambiguities In eighteen eloquent chapters David A Gerstner traces a history of ideas that spotlight an ever shifting terrain associated with auteur theory and in particular queer auteur theory Engaging with the likes of Oscar Wilde Walter Benjamin James Baldwin Jean Louis Baudry Linda Nochlin Jane Gallop C el Keegan Luce Irigaray and other prominent critical thinkers Gerstner contemplates how the queer auteur in film theory might open us to the work of desire *Queer Imaginings* argues for a queer auteur in which critical theory is reenabled to reconceptualize the auteur in relation to race gender sexuality and desire Gerstner succinctly defines the contours of a history and the ongoing discussions that situate queer and auteur theories in film studies Ultimately *Queer Imaginings* is a journey in shared pleasures in which writing for and about cinema makes way for unanticipated cinematic friendships
