Beyond Relocation The Imperative Of Sustainable Resettlement

Victor M. Corman

Beyond Relocation The Imperative Of Sustainable Resettlement:

Beyond Relocation Renu Modi, 2009 This collection addresses various issues of development induced displacement and resettlement by offering empirical evidence from various countries mainly in Asia and Africa By presenting a comparative approach it helps the reader understand and theorise about the nature and characteristics of forced displacement

Innovating Strategies and Solutions for Urban Performance and Regeneration Cristina Piselli, Haşim Altan, Osman Balaban, Peleg Kremer, 2022-07-01 This book focuses on enhancing urban regeneration performance and strategies that pave the way toward sustainable urban development models and solutions The book at hand thoroughly examines the latest studies on the regeneration of urban areas and attempts at alleviating the negative impacts associated with high population density and urban heat effects It gathers contributions that combine theoretical reflections and international case studies on urban regeneration and transformation with the single goal of tackling existing social and economic imbalances and developing new solutions The primary audience of this book will be from the field of architecture and urban planning offering new insights on how to address the myriad of problems that our cities are facing

Land Issues for Urban Governance in Sub-Saharan Africa Robert Home, 2020-11-11 Sub Saharan Africa faces many development challenges such as its size and diversity rapid urban population growth history of colonial exploitation fragile states and conflicts over land and natural resources This collection contributed from different academic disciplines and professions seeks to support the UN Habitat New Urban Agenda passed at Habitat III in Quito Ecuador in 2016 It will attract readers from urban specialisms in law geography and other social sciences and from professionals and policy makers concerned with land use planning surveying and governance Among the topics addressed by the book are challenges to governance institutions how international development is delivered building land management capacity funding for urban infrastructure land based finance ineffective planning regulation and the role of alternatives to courts in resolving boundary and other land disputes Issues of rights and land titling are explored from perspectives of human rights law the right to development and women s rights of access to land and land tenure regularization Particular challenges of housing planning and informality are addressed through contributions on international real estate investment community participation in urban settlement upgrading housing delivery as a partly failing project to remedy apartheid s legacy and complex interactions between political power money and land Infrastructure challenges are approached in studies of food security and food systems urban resilience against natural and man made disasters and informal public transport

Land Acquisition and Tribal Development in Neoliberal Eastern India Debasree De, 2024-04-10 This book discusses the impact of land grabbing and associated displacement in the name of development in India It also analyses the prevailing land acquisition laws which are used to uproot the tribal people from their homes and livelihoods The book reveals the causes of displacement and highlights the subsequent impoverishment joblessness and trauma with special reference to the states of Odisha and Jharkhand The book is based on an in depth field

study conducted in the tribal populated areas of the two states It has a special focus on the tribal women who bear the brunt of displacement and lose their autonomy in becoming migrant labourers Policy makers law practitioners development analysts historians environmentalists political scientists sociologists and administrators will find the book useful as it deals with the rehabilitation and resettlement programs and policies related to development induced displacement

Resettlement in Asian Countries Mohammad Zaman, Reshmy Nair, Shi Guoqing, 2021-12-15 This book examines land acquisition and resettlement experience in Asian countries where nearly two thirds of the world's development induced displacement currently takes place Faced with the complexity of balancing legal frameworks and resettlement needs along with increasing demands for safeguarding displaced peoples in recent years many countries within Asia have adopted integrated land and resettlement laws This book presents a comparative review and assessment of the impact of the new land and resettlement laws and regulatory frameworks for expropriation compensation and resettlement Written by an international interdisciplinary team of experts from both practice and academia the book demonstrates the ongoing challenges and struggles associated with social and resettlement risk assessments the social and cultural exclusion of indigenous vulnerable groups in some countries and the lack of institutional capacity to adequately deal with resettlement management and administration The case studies and comparative analyses of laws and practices relating to expropriation compensation and resettlement make significant contributions to advancing resettlement knowledge and management practices The book will be useful as a reference for development practitioners and for researchers across the fields of global development political science Asian studies planning and law The book also has potential use as a resource for resettlement management training programs and graduate level courses seminars in development studies

Land Conflicts Across Frontiers Reshmi Banerjee, 2018-11-12 Land Conflicts Across Frontiers compares Myanmar's journey with North East India on the critical and contested issue of land It examines concerns related to land in pre colonial and colonial history causes and consequences of land conflicts today the socioeconomic dynamics attached to land along with attempted community based institutional interventions and rural activism As Myanmar takes its steps towards a democratic future it becomes critical for the country to be aware of North East India's experiences as they could provide valuable lessons of what to implement and what to avoid Loss of common property resources non recognition of customary rights ambiguous land laws and inadequate attention to people's grievances have led to a rural landscape which has witnessed livelihood vulnerability displacement and conflict The book not only tries to capture cross border experiences in order to have a better understanding of land alienation agrarian discontent and peripheral marginalization but also notes recent trends in rural spaces and suggests policy measures

Land Acquisition and Resource Development in Contemporary India Shashi Ratnaker Singh, 2021-04 Looks at the nuances of land and resource politics and summarizes the long standing land acquisition and mining debate

Promoting sustainable local economic development initiatives Marius Venter, 2022 This book endeavours to outline case studies that

promote sustainable Local Economic Development LED initiatives It is generally believed that local governments are the foot soldiers of LED However this seems to be a myth as local governments in South Africa and elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives The distinctive merit of this book lies in the way it combines the South African context with the wider international development context in ways that there is a flow of information and ideas both ways The book is an essential part of this sequence of ideas development and action at a critical time for strategic action directed at a sustainable future It showcases case studies and responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for local government leadership in communities research student engagement and wider interactions

The Attempt to Stay Valerie Hänsch,2024-08-01 The construction of the Merowe Dam along the Nile in northern Sudan flooded local villages and forced thousands of inhabitants to flee to higher ground Despite the radical social and environmental transformations and an uncertain future the Manasir have tried to continue their peasant way of life and resisted relocating to state run resettlement schemes Rather than focusing on migration and resettlement the author follows the people's attempts to preserve their homeland and have meaningful lives along the emerging reservoir The book grapples with the fundamental question of how to re-establish life in a world that is falling apart

Human Rights Violations in Kashmir Piotr Balcerowicz,Agnieszka Kuszewska,2022-05-26 The book is a comprehensive study on human rights in Kashmir in relation to the dynamics of Indo Pakistani policies providing a structured and interdisciplinary approach to the subject Whilst surveying some of the most appalling case studies of human rights abuses the book offers a methodical analysis of the structural and structured human rights violations in the divided Kashmir and placing them in a much broader context of South Asian politics The book examines root causes responsible for a human rights violations prone environment and climate of impunity in which the actors perpetrate their crimes unpunished unwrapping legal and extralegal nexus behind the crimes Human Rights Violations in Kashmir will appeal to students and scholars of peace and conflict studies international relations human rights studies and South Asian studies

India in Africa: Changing Geographies of Power Emma Mawdsley,Gerard McCann,2011-09-15 In one of the first analyses of contemporary IndianAfrican relations this detailed book draws upon a collection of case studies that explore interrelated topics such as trade investment development aid civil society relations security and geopolitics While China's relationship to Africa has been thoroughly examined knowledge and analysis of India's role in Africa has until now been limited This book fills the gap and compares and contrasts India to China's role as a rising global power in the African continent

Critical Perspectives on Emerging Economies Aswini Kumar Mishra,Vairam Arunachalam,Debasis Patnaik,2021-04-09 This volume offers fresh insights into economic development and growth in emerging economies It includes contributions covering topics such as natural disasters and income inequalities the environmental impact of economic growth social preferences information and market disorder under democracy inflation targeting and its covariates

economic empowerment This book is intended for scholars in the field of economics and those interested in furthering economic development *Development Induced Displacements in Zim* CCMT,2023-07-17 Development induced displacements may lead to loss of land livelihoods shelter property and access to social facilities natural resources and cultural heritage if the affected people are not cushioned by appropriate compensation and social support mechanisms as well as integrated rehabilitation programmes to mitigate negative impact As a result communities often resist relocations and in some instances the emerging conflicts between the responsible authorities and the affected communities delay critical development projects The policies of the Government of Zimbabwe are geared towards rural development economic growth and foreign investment This calls for a complementing review and harmonisation of legislation policies and practices designed to protect the rights and livelihoods of rural communities affected and displaced by development projects In 2019 the Centre for Conflict Management and Transformation CCMT hosted a series of multi stakeholder policy dialogues on the issue of development induced displacements in Zimbabwe In addition a research symposium was held in collaboration with the Tugwi Mukosi Multidisciplinary Research Institute TMMRI Midlands State University on Zimbabwean displacement experiences and policy options This book with contributions from a wide range of researchers and practitioners presents the results of that process **China-Africa Relations in an Era of Great Transformations** Li Xing,Abdulkadir Osman

Farah,2016-05-23 This collection juxtaposes a variety of approaches about China and Africa and their interrelations seeking to go beyond early simplistic formulations Perspectives informed by Polanyi advance nuanced analysis of varieties of capitalisms and double movements It seeks to put contemporary China Africa relations in critical comparative context and in doing so it will go beyond descriptions of inter regional trade and investment large and small scale sectors to ask whether structural change is underway Already it is apparent that the growing presence of China in Africa presents the latter with some novel options but whether these will generate a new embeddedness remains problematic Highlighting the varieties of capitalisms in the new century given the undeniable difficulties of extreme neo liberalism in the US and UK by contrast to the apparent ebullience of the emerging economies in the global South this book examines such implications for international relations international political economy development studies and policies **African Studies Centres Around the World**

Ute Fendler,Doris Löhr,2022-02-15 The book African Studies Centres Around the World A Network Based Inventory compiles a selection of contributions by the directors of eleven African Studies centres from four continents They comprise Africa s oldest centre on the continent at the University of Cape Town the European centres in Bordeaux Lisbon and Hradec Kr lov and the two North American Universities of Florida and Indiana Central and South America s contributions to African Studies is represented by the centres in San Jos Costa Rica Santiago de Cuba and Salvador da Bahia Brazil The Asian centres are located at Jawaharlal University in Mumbai India and at Hankuk University of Foreign Studies in Seoul South Korea The eleven chapters show the very diverse history of the centres explaining their different structures underpinning the need for

more exchange and collaborative research The volume presents some aspects of the ongoing critical reflections on the historical and political development of African Studies in various parts of the world disseminating first hand knowledge while the chapters encourage to open the exchange and collaboration across regional disciplinary and academic boundaries With contributions from Akintunde Akinyemi Carlos Almeida Aparajita Biswas Rina Caceres Yongkyu Chang Marta E Cordies Jackson Ute Fendler John H Hanson Doris L hr Lungisile Ntsebeza Livio Sansone Jose da Silva Horta Petr Skalnik Celine Thiriot *China's Maritime Ambitions and the PLA Navy* Sandeep Dewan,2013-01-16 China s Maritime Power dates back thousands of years China has one of the oldest naval traditions in the world dating from at least the end of the Warring States period in 221 BC Nonetheless China has historically been a continental state with a large ground force and only a coastal navy with limited blue water capability The rise of modern day China raises considerable regional and security concerns besides economic and political competition towards finding a rightful place in power politics of the South Asian Region and hence needs a critical analysis There is a need to focus future strategies to deal with such challenges both in the medium and long term An effort to achieve the same has been undertaken in this book The book is sure to stimulate further discussions on China s navy and its ambitions Foreword by Srikanth Kondapalli *Society and Politics of Jammu and Kashmir* Serena Hussain,2020-11-27 Kashmir is one of the longest standing conflicts yet to be resolved by the international community In 2000 Bill Clinton declared it the most dangerous place in the world and since then the situation continues to escalate Positioned between India Pakistan and China three nuclear powers Kashmir is the most militarized zone on the planet Against this backdrop the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased This book not only helps readers navigate subtleties in a complex part of the world but is the first of its kind written for a global audience from local perspectives which to date have been sorely lacking

Development-Induced Displacement and Resettlement Bogumil Terminski,2014-05-01 This book explores the issue of development induced resettlement with a particular emphasis on the humanitarian legal and social aspects of this problem Today so called development induced displacement and resettlement DIDR is one of the dominant causes of internal spatial mobility worldwide Each year over 15 million people are forced to abandon their homes to make space for economic development infrastructure The construction of dams and irrigation projects the expansion of communication networks urbanization and re urbanization the extraction and transportation of mineral resources forced evictions in urban areas and population redistribution schemes count among the many possible causes Terminski aims to present the issue of development caused displacement as a highly diverse global social problem occurring in all regions of the world As a human rights issue it poses a challenge to public international law and to institutions providing humanitarian assistance A significant part of this book is devoted to the current dynamics of development caused resettlement in Europe which has been neglected in the academic literature so far The Materiality of Lake Kariba Joshua Matanzima,2024-06-11 This book is an exploration of

one of the world's largest man-made reservoirs Lake Kariba created along the Zambezi River in central Africa Originally built for electricity generation as the lake reached its full capacity in 1963 it attracted other socioeconomic activities such as tourism recreation fisheries and conservation The material properties of the waterscape including waves strong winds water volumes deities and aquatic species have shaped these socioeconomic activities since its creation Community interpretations of the reservoir feature stories of fear death income generation livelihoods illegal cross border trade religion and everyday conflicts with wild animals Drawing on extended ethnographic research and the author's personal experience growing up around Lake Kariba this empirically rich book provides a nuanced discussion of the ways in which the waterscape shapes people's lives and livelihoods Additionally the book explores the challenges of sustaining and preserving Lake Kariba's unique ecosystem amidst environmental pressures and competing demands for resources Readers will gain a nuanced perspective of the significance of the lake its relationship with neighboring communities and its evolution over time

Organizing Resistance and Imagining Alternatives in India Rohit Varman, Devi Vijay, 2022-11-10 This volume examines the political economy of neoliberalism in India and offers cases of resistance and alternative organizing It departs from existing conversations that focus on the state's policies and decisions and focuses on the violence unleashed by corporate forces It should be of interest to anyone curious about the collapse of crucial infrastructures such as healthcare and the news media or the rhetoric of corporate social responsibility and why there are people's movements and organizations rising from different geographies While offering in depth case studies of organisations within India such as The Wire The People's Archive of Rural India Kudumbashree and Left Word Books it also informs conversations across the world on alternative forms of organizing These accounts have two imperatives first to train our attention on corporations and where capitalism produces its vast waste lands Second to imagine the possibilities of another world The contributors to this volume write to resist the status quo explore alternative ways of organizing re-imagine social relations and rekindle hope

Beyond Relocation The Imperative Of Sustainable Resettlement Introduction

In today's digital age, the availability of Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Beyond Relocation The Imperative Of Sustainable Resettlement versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Beyond Relocation The Imperative Of Sustainable Resettlement books and manuals for download and embark on your journey of knowledge?

FAQs About Beyond Relocation The Imperative Of Sustainable Resettlement Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Beyond Relocation The Imperative Of Sustainable Resettlement is one of the best book in our library for free trial. We provide copy of Beyond Relocation The Imperative Of Sustainable Resettlement in digital format, so the resources that you find are reliable.
