Beyond The Last Blue Mountain:

Beyond the Last Blue Mountain R M Lala, 2017-10-25 An exhaustive and unforgettable portrait of India's greatest and most respected industrialist. Written with J R D Tata's co-operation, this superb biography tells the J R D story from his birth to 1993, the year in which he died in Switzerland. The book is divided into four parts. Part I deals with the early years from J R D's birth in France in 1904 to his accession to the chairmanship of Tata's India's largest industrial conglomerate at the age of thirty-four. Part II looks at his forty-six years in Indian aviation, the lasting passion of J R D's life which led to the initiation of the Indian aviation industry and its development into one of India's success stories. Part III illuminates his half-century long stint as the outstanding personality of Indian industry, and Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with such people as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi, and his association with celebrities in India and abroad. Beyond the Last Blue Mountain R. M. Lala, 1993 On the life and achievements of J R D Tata, b. 1904 industrialist. **Tata** Morgen Witzel, 2010 With a major international presence in a variety of areas including steel, tea, chemicals, communications, and software, Tata now stands 65th in the world brand valuation league. But what is the Tata brand all about? What are its values? How do people perceive it in India and around the world? In this absorbing and informed book, Morgen Witzel digs into the heart of the Tata enterprise, describes its origins, how Tata's reputation and image evolved, and how the group has worked to transform that image into a powerful and valuable brand. Publisher description. Beyond that Last Blue Mountain Margaret Livingstone, 1966 *To the Ends of the Earth* Sir Ranulph Fiennes, 1983 Account of the Transglobe Expedition 1979-1982 led by Ranulph Fiennes. This was the first expedition to circumnavigate the earth via both poles. Business Legends Gita Piramal, 2010-12-01 The Golden Age of Indian industry, as it now seems in retrospect, lasted from 1951 to '62, and industrialists of the time were not afraid to think ahead and plan big. Among the entrepreneurs who led this industrial resurgence, four were particularly outstanding: G D Birla, Walchand Hirachand, Kasturbhai Lalbhai, and J R D Tata. Gita Piramal, author of the acclaimed *Business Maharajas*, sensitively recreates the lives and times of these four titans of industry. She draws upon hitherto untapped sources of information to sketch her profiles, making this perhaps the closest look at these legends this fair thought-provoking and incisive *Business Legends* is a compelling account of ambition and achievement. *Fieldwork in Educational Settings* Sara Delamont, 2002-11-01 Extensively revised and updated, this new edition of *Fieldwork in Educational Settings* will be welcomed by researchers and academics in education and the social sciences. Embracing both sociological and anthropological approaches to qualitative research, the book covers education inside and beyond schools. It emphasises writing up ethnographic research and getting the project finished, and is packed with examples from research in progress. This new edition brings the original text right up to date for new researchers. There is an additional chapter on computer software for data handling, and attention is given to the implications of postmodernism for writing up research. The examples

given are taken from the latest research replacing those from the first edition This is an indispensable handbook by an author whose work on this subject is widely recognised as being an essential resource for the researcher in education **Joy of Achievement** R.M. Lala,1997 For six decades J R D Tata headed India s largest industrial conglomerate with uncommon success This was only one aspect of his life He was also a man of great sensitivity who suffered at the loss of friends and was pained by the poverty he saw around him a philanthropist who wanted India to be a happy country and did all that he could to make it so a man with a passion for literature fast cars skiing and of course flying This book by the author of the best selling *The Last Blue Mountain* records JRD s thoughts on a variety of subjects In these pages he speaks of the House of Tatas and his style of management about how he nearly joined the freedom struggle in the early 1940s about the thrill of living a little dangerously his love of music and wine and the writers he likes to read He speaks also with striking candour and insight about the failures of socialism the future of India and his association with stalwarts like Jawaharlal Nehru Jayaprakash Narayan Vallabhbhai Patel Indira Gandhi and Henry Kissinger Towards the end of the book in the final year of his life we see him come to terms with death God and the afterlife A spellbinding book motivation of one of the giants of Indian industry Financial Times London Few tributes have so movingly or so appositely refracted the spirit of a colossus who though born to the proverbial bold and beautiful lifestyle was to leave an indelible imprint on so many aspects of contemporary India The Pioneer **TARGET IIFT 2021 (Past Papers 2005 - 2020) + 5 Mock Tests 12th Edition** Disha Experts,2020-07-01
