

The background of the entire page is a photograph of a landscape. In the foreground, a large, dark, triangular stone structure, possibly a prehistoric monument, sits on a grassy hill. Behind it, a calm lake reflects the sky. The far side of the lake is a hilly, wooded landscape under a pale, overcast sky.

the wider Medieval world This book places the Outer Hebrides at the centre of the Viking World and provides a unique contribution to our understanding of the islands importance at the critical period when Scotland was emerging as a major Medieval kingdom
