MotorBoating, 1950-05 *Ghost Towns of Muskoka* Andrew Hind, Maria Da Silva, 2008-06-16 Ghost Towns of Muskoka explores the tragic history of a collection of communities from across Muskoka whose stars have long since faded Today these ghost towns are merely a shadow or spectre of what they once were Some have disappeared entirely having been swallowed by regenerating forests

while others have been reduced to foundations forlorn buildings and silent ruins A few support a handful of inhabitants but even these towns are wrapped in a ghostly shroud But this book isn't only about communities that have died Rather it is about communities that lived vibrantly at that if only for a brief time It's about the people whose dreams for a better life these villages represented the people who lived loved laboured and ultimately died in these small wilderness settlements And it's about an era in history those early heady days of Muskoka settlement when the forests were flooded with loggers and land hungry settlers
