

"A clever Japanese Ruse masked Howitzer in action".

(From Sketch by Walter Kirton by permission of the Daily Graphic.)

The Russojapanese War

D. Wells, S. Wilson

The Russo-Japanese War :

The Origins of the Russo-Japanese War Ian Nish, 2014-09-25 The Russo Japanese war of 1904-5 has been seen as the turning point of the development of the modern world Written by a specialist in Japanese diplomacy this book has been described by the Times Higher Education Supplement as diplomatic history at its very best **The Russo-Japanese War in Global Perspective** John Steinberg, 2006-12-01 Like Volume one Volume two of *The Russo Japanese War in Global Perspective* examines the Russo Japanese War in its military diplomatic social political and cultural context In this volume East Asian contributors focus on the Asian side of the war to flesh out the assertion that the Russo Japanese War was in fact World War Zero the first global conflict of the 20th century The contributors demonstrate that the Russo Japanese War largely forgotten in the aftermath of World War I actually was a precursor to the catastrophe that engulfed the world less than a decade after the signing of the Treaty of Portsmouth This study also helps us better understand Japan as it emerged at the beginning of its fateful 20th century **A Diary of the Russo-Japanese War ,1904** *The Russo-Japanese War in Cultural Perspective, 1904-05* D. Wells, S. Wilson, 1999-08-24 The Russo Japanese War of 1904-05 has been widely seen as a historical turning point For the first time in modern history an Asian and a European country competed on equal terms overturning the prevailing balance of power Based on a wide range of original source material in Russian Japanese and other languages this book goes beyond the military and international political grand narratives to examine the war's social cultural literary and intellectual impact in their historical context In Japan the war reinforced the country's self image as a coming nation while in Russia combined with the revolution of 1905 and later political and social upheaval it was seen as separating the old regime from the new Throughout the world spirit was seen to be a decisive factor and cultural considerations determined the war's interpretation Featuring contributions by established scholars in the fields of military history and the history and literature of both Russia and Japan this book offers for the first time a comparative perspective on the symbolic meaning of the conflict *Reporting the Russo-Japanese War, 1904-5* Peter Slattery, 2021-10-01 Large numbers of British military and naval officers as well as journalists and others observed the Russo Japanese War from close quarters But there was one journalist in particular the Times correspondent Lionel James who made war reporting history by gaining access to the conflict zone of the war at sea and reporting by wireless from a specially chartered ship as the action happened The full details of this remarkable and highly dangerous exploit have been carefully pieced together from official Times records and other sources by Peter Slattery and recorded here for the first time including the story of how the vital 180 foot timber wireless mast was built on the British leased treeless promontory of Weihaiwei on the China coast James's first report was published in The Times on 15 March 1904 he subsequently went on to file many other despatches including the sinking of the Russian flag ship the Petropavlovsk The World Powers however were not ready to accept that a mere journalist should be allowed to exploit the new wireless technology to gain reporting advantage and forced James to give up causing him to move

inland into Manchuria to continue his reporting of the war From there he was to send a 5000 word story on one of the major land battles of the war at Liaoyang the longest cable ever filed There was also the matter of James special deal with the Japanese Imperial Navy which only now has come to light **A Diary of the Russo-Japanese War** ,1904 *The Russo-Japanese War 1904-1905* Geoffrey Jukes,2002 The Russo Japanese war saw the first defeat of a major European imperialist power by an Asian country When Japanese and Russian expansionist interests collided over Manchuria and Korea the Tsar assumed Japan would never dare to fight However after years of planning Japan launched a surprise attack on the Russian Port Arthur on the Liaoyang Peninsula in 1904 and the war that followed saw Japan win major battles against Russia This book explains the background and outbreak of the war then follows the course of the fighting at Yalu River Sha ho and finally Mukden the largest battle anywhere in the world before the First World War Bloomsbury Publishing *The Official History of the Russo-Japanese War* Great Britain. Committee of Imperial Defence,1908 *The Russo-Japanese War in Global Perspective: edited by David Wolff [and others* , **The Russo-Japanese War 1904-1905** Geoffrey Jukes,2014-06-06 The Russo Japanese war saw the first defeat of a major European imperialist power by an Asian country When Japanese and Russian expansionist interests collided over Manchuria and Korea the Tsar assumed Japan would never dare to fight However after years of planning Japan launched a surprise attack on the Russian Port Arthur on the Liaoyang Peninsula in 1904 and the war that followed saw Japan win major battles against Russia This book explains the background and outbreak of the war then follows the course of the fighting at Yalu River Sha ho and finally Mukden the largest battle anywhere in the world before the First World War **The Russo-Japanese War in Cultural Perspective, 1904-05** D. Wells,S. Wilson,1999-11-25 The Russo Japanese War of 1904 05 has been widely seen as a historical turning point For the first time in modern history an Asian and a European country competed on equal terms overturning the prevailing balance of power Based on a wide range of original source material in Russian Japanese and other languages this book goes beyond the military and international political grand narratives to examine the war s social cultural literary and intellectual impact in their historical context In Japan the war reinforced the country s self image as a coming nation while in Russia combined with the revolution of 1905 and later political and social upheaval it was seen as separating the old r gime from the new Throughout the world spirit was seen to be a decisive factor and cultural considerations determined the war s interpretation Featuring contributions by established scholars in the fields of military history and the history and literature of both Russia and Japan this book offers for the first time a comparative perspective on the symbolic meaning of the conflict *The Special Campaign Series: 1904 THE RUSSO-JAPANESE WAR: First Period - The Concentration* F. R. Sedgwick,2020-02-25 The Russo Japanese War was fought during 1904 and 1905 between the Russian Empire and the Empire of Japan over rival imperial ambitions in Manchuria and Korea **Rethinking the Russo-Japanese War, 1904-5** ,2007-05-17 Despite the growing number of publications on the Russo Japanese War an abundance of questions and issues related to this topic remain

unsolved or call for a reexamination This 30 chapter volume the first in the two volume project Rethinking the Russo Japanese War provides a comprehensive reexamination of the origins of the conflict the various dimensions of the nineteen month conflagration the legacy of the war and its place in the history of the twentieth century Such an enterprise is not only timely but unique It has benefited from a multinational team of thirty two scholars from twelve nations representing a broad disciplinary background The majority of them focus on topics never researched before and without exception provide a novel and critical view of the war This reexamination is of course facilitated by a century long perspective as well as an impressive assortment of primary and secondary sources many of them unexplored and in a number of cases unavailable earlier

An Outline of the Russo-Japanese War 1904, 1905 Charles Ross, 2014-03-25 The Russo Japanese War 8 February 1904 5 September 1905 was the first great war of the 20th century It grew out of rival imperial ambitions of the Russian Empire and the Empire of Japan over Manchuria and Korea The major theatres of operations were Southern Manchuria specifically the area around the Liaodong Peninsula and Mukden and the seas around Korea Japan and the Yellow Sea Russia sought a warm water port on the Pacific Ocean for their navy as well as for maritime trade From the end of the First Sino Japanese War and 1903 negotiations between Russia and Japan had proved impractical Japan offered to recognize Russian dominance in Manchuria in exchange for recognition of Korea as a Japanese sphere of influence Russia refused this so Japan chose war to counter what it described as Russian aggression in Asia After discussions broke down in 1904 the Japanese Navy attacked the Russian eastern fleet at Port Arthur a naval base in the Liaotung province leased to Russia by China which led to war The Japanese defeated the Russians in a series of battles on land and at sea The resulting campaigns in which the Japanese military attained victory over the Russian forces arrayed against them were unexpected by world observers Over time the consequences of these battles would transform the balance of power in East Asia resulting in a reassessment of Japan s recent entry onto the world stage The author in his study of war has been impressed by the numberless apparently trifling facts which appear in memoirs and reminiscences but which seldom appear in histories and which nevertheless often show up events in a perfectly new light This publication provides a recap of the events The original text and artwork have been used in this publication occasionally there may be instances of imperfections with these old texts i e blurred or missing pages poor image quality

Rethinking the Russo-Japanese War, 1904-5, 2007-12-13 This second volume in the two volume series Rethinking the Russo Japanese War 1904 5 comprises nineteen chapters and is largely based on the papers presented at a special conference convened at Nichinan Kyushu Japan in 2005 Importantly it brings together a set of original essays by Japanese Korean and Chinese scholars together with analyses by Russian US and European specialists thereby reflecting the multinational mix of contemporary influences forming the international vortex of the war The contributions are thematically structured into six topics The Force of Personality Facets of Neutrality The Power of Intelligence Interior Lines Gender and Race and Global Repercussions Above all through the use of primary sources which could not be readily accessed by

contemporaries the contributors have sought to highlight the setting of the conflict in the development of international politics and strategic thinking in the twentieth century but at the same time eliciting fresh perspectives on the human experiences and dilemmas which impacted on different individuals and groups during the course of the war
