Things Not Seen Andrew Clements, 2006-04-20 Winner of American Library Association Schneider Family Book Award Bobby Phillips is an average fifteen year old boy Until the morning he wakes up and can't see himself in the mirror Not blind not dreaming Bobby is just plain invisible There doesn't seem to be any rhyme or reason to Bobby's new condition even his dad the physicist can't figure it out For Bobby that means no school no friends no life He's a missing person Then he meets Alicia She's blind and Bobby can't resist talking to her trusting her But people are starting to wonder where Bobby is Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out He has to find out how to be seen again before it's too late *Disability Awareness for Children Pre-K Through Sixth Grade*, 2016 *Writing Through the Tween Years* Bruce Morgan, Deb Odom, 2005 It's not easy being a tween A lot of us are either in a tunnel or a bridge A lot of us don't know who we are Instead of following Barney's advice we end up doing what popstars do Kelley age 10 No longer little children but not yet teenagers tweens are beginning to see themselves as autonomous while still struggling to understand where they fit in It can also be an awkward time for teachers who cherish the hilarious and poignant personalities of tween writers but feel pressured by a new emphasis on testing in the intermediate grades Many teachers have virtually abandoned writers workshops in favor of formula writing and prompts even though these workshops may be essential for understanding the emerging competencies and personalities of eight to twelve year olds Bruce Morgan and Deb Odom teach together at a school where formula writing and test preparation led to stagnant writing scores student boredom and teacher discouragement They worked with their colleagues in grades 3-6 to make some dramatic changes in their collective writing instruction These changes included a return to their roots as writing workshop teachers but with new twists The teaching staff drew up new common standards for writing assessment and achievement The revised writing programs also involved integrating insights from reading strategy instruction with a renewed emphasis on the basics of writers workshop student choice teacher modeling revision and using quality children's literature as mentor text *Writing Through the Tween Years* documents how teachers can get back to the joys of teaching writing in a literature rich thoughtful environment There may be no better way to understand and reach tween writers **Making the Match** Teri S. Lesesne, 2003 Explains how teachers and librarians can steer students to the literature they love by focusing on three key areas knowing the readers knowing the books and knowing the strategies to motivate students to read *Braille Book Review*, 2011-03 **School Library Journal**, 2009 **Gateway to Reading** Nancy J. Polette, 2013-04-08 Get young readers hooked on some of the best titles in juvenile literature ranging from humor to mystery to fantasy with unusual and effective methods like games Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians Determining which are the right books that can spark a child's mental awakening is also difficult This book from prolific author Nancy Polette furnishes interesting and fun games to pique students interest in junior novels that are

worth reading carefully selected titles that will contribute to their educational and emotional growth Gateway to Reading 250 Author Games and Booktalks to Motivate Middle Readers is a powerful tool for luring middle school students away from the distractions of 21st century media and introducing them to junior or tween novels that they won't be able to put down By presenting children with a challenge to engage their minds racing to decode book titles or using their creativity to come up with titles of their own for example students are naturally drawn towards reading these books from well known children's authors
