succumb to their despotic tendencies But will they in this brave new world still be able to have the last word **Interesting Times** Terry Pratchett,2013-07 The oldest and most inscrutable empire in the Discworld is in turmoil brought about by the revolutionary treatise What I Did On My Holidays Workers are uniting with nothing to lose but their water buffaloes Warlords are struggling for power War and Clancy are spreading throughout the ancient cities **The Wit and Wisdom of Discworld** Terry Pratchett,2007 A marriage is always made up of two people who are prepared to swear that only the other one snores From The Fifth Elephant Inside every old person is a young person wondering what happened From Moving Pictures The Discworld is filled with a vast and diverse population from witches to vampires and from the fiendish to the foolish it is a world in which magical books can devour the unsuspecting and Death can escape to the country for some time off The Wit and Wisdom of Discworld is a collection of the wittiest pithiest and wisest quotations from this extraordinary universe dealing one by one with each book in the canon Guaranteed to transport you back to your favourite or forgotten Discworld moments it is the perfect book for die hard Pratchett fans as well as anyone coming to the Discworld for the first time **Small Gods** Terry Pratchett,2008-12-26 Discover the gloriously inventive and funny fantasy novel from bestselling author Terry Pratchett a standalone Discworld novel An intriguing satire on institutionalized religion corrupted by power Independent Thought provoking comic fantasy Sir Terry is a master satirist 5 star reader review You should do things because they re right Not because gods say so They might say something different another time Religion is a competitive business in the Discworld Everyone has their own opinion and their own gods of every shape and size all fighting for faith followers and a place at the top So when the great god Om accidentally manifests himself as a lowly tortoise stripped of all divine power it s clear he s become less important than he realised In such instances you need an acolyte and fast Enter Brutha the Chosen One or at least the only One available He wants peace justice and love but that s hard to achieve in a world where religion means power and corruption reigns supreme The Discworld novels can be read in any order but Small Gods is a standalone Praise for the Discworld series Pratchett s spectacular inventiveness makes the Discworld series one of the perennial joys of modern fiction Mail on Sunday Pratchett is a master storyteller Guardian One of our greatest fantasists and beyond a doubt the funniest George R R Martin One of those rare writers who appeals to everyone Daily Express One of the most consistently funny writers around Ben Aaronovitch Masterful and brilliant Fantasy Science Fiction Pratchett uses his other world to hold up a distorting mirror to our own he is a satirist of enormous talent incredibly funny compulsively readable The Times The best humorous English author since P G Wodehouse The Sunday Telegraph Nothing short of magical Chicago Tribune Consistently funny consistently clever and consistently surprising in its twists and turns SFX Discworld is compulsively readable fantastically inventive surprisingly serious exploration in story form of just about any aspect of our world There s never been anything quite like it Evening Standard Nation Terry Pratchett,2008-09-30 After a devastating tsunami destroys all that they have ever known Mau an island boy and Daphne an aristocratic English girl together with a

small band of refugees set about rebuilding their community and all the things that are important in their lives **Thud!** Terry Pratchett, 2005-09-13 It s a game of Trolls and Dwarfs where the player must take both sides to win It s the noise a troll club makes when crushing in a dwarf skull or when a dwarfish axe cleaves a trollish cranium It s the unsettling sound of history about to repeat itself THUD It s the most extraordinary outrageous provocative insightful and keenly cutting flight of fancy yet from Discworld s incomparable supreme creator Terry Pratchett Commander Sam Vimes of the Ankh Morpork City Watch admits he may not be the sharpest knife in the cutlery drawer he might not even be a spoon But he s dogged and honest and he ll be damned if he lets anyone disturb his city s always tentative peace and that includes a rabble rousing dwarf from the sticks or deep beneath them who s been stirring up big trouble on the eve of the anniversary of one of Discworld s most infamous historical events Centuries earlier in a gods forsaken hellhole called Koom Valley a horde of trolls met a division of dwarfs in bloody combat Though nobody s quite sure why they fought or who actually won hundreds of years on each species still bears the cultural scars and one views the other with simmering animosity and distrust Lately an influential dwarf Grag Hamcrusher has been fomenting unrest among Ankh Morpork s more diminutive citizens with incendiary speeches And it doesn t help matters when the pint size provocateur is discovered beaten to death with a troll club lying conveniently nearby Vimes knows the well being of his smoldering city depends on his ability to solve the Hamcrusher homicide without delay Vimes s secondmost pressing responsibility in fact next to being home every evening at six sharp to read Where s My Cow to Young Sam Whatever it takes to unstick this very sticky situation Vimes will do it even tolerate having a vampire in the Watch But there s more than one corpse waiting for him in the eerie summoning darkness of the vast labyrinthine mine network the dwarfs have been excavating in secret beneath Ankh Morpork s streets A deadly puzzle is pulling Sam Vimes deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself **The Last Hero** Terry Pratchett, Paul Kidby, 2002-08-20 Cohen the Barbarian He s been a legend in his own lifetime He can remember the good old days of high adventure when being a Hero meant one didn t have to worry about aching backs and lawyers and civilization But these days he can t always remember just where he put his teeth So now with his ancient yet still trusty sword and new walking stick in hand Cohen gathers a group of his old very old friends to embark on one final quest He s going to climb the highest mountain of Discworld and meet the gods It s time the Last Hero in the world returns what the first hero stole Trouble is that ll mean the end of the world if no one stops him in time **The Last Continent** Terry Pratchett, 2014-04-29 There s big trouble at the Unseen University Ankh Morpork s lone institute of higher learning A professor is missing and the one person who can find him is not only the most inept magician the school ever produced but currently stranded on the unfinished down under continent of Fourecks As the UU faculty tries to bring him back Rincewind is having troubles of his own thanks to a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans who are out to hang him All his problems would be solved if he could just make it rain for the first time

ever And if the time traveling professors can get to the right millennium Mort Terry Pratchett,2013-01-29 New York Times bestselling author Sir Terry Pratchett makes Death a central character in Mort his fourth sojourn to Discworld the fantasy cosmos where even the angel of darkness needs some assistance When inept but well intentioned Mort gets only one offer for an apprenticeship with Death he can't exactly turn it down But Mort finds that being Death's right hand man isn't as bad as it seems until he falls back to his old bumbling ways With more than 80 million books sold worldwide Pratchett has solidified his place next to Mark Twain Kurt Vonnegut and Douglas Adams as one of the top satirists of all time Mort offers readers an unlikely set of heroes and a comical yet poignant look at life through the lens of its antithesis **Feet of Clay**

Terry Pratchett,2014-01-28 It's murder in Discworld which ordinarily is no big deal But what bothers Watch Commander Sir Sam Vimes is that the unusual deaths of three elderly Ankh Morporkians do not bear the clean efficient marks of the Assassins Guild An apparent lack of any motive is also quite troubling All Vimes has are some tracks of white clay and more of those bothersome clue things that only serve to muck up an investigation The anger of a fearful populace is already being dangerously channeled toward the city's small community of golems the mindless absurdly industrious creatures of baked clay who can occasionally be found toiling in the city's factories And certain highly placed personages are using the unrest as an excuse to resurrect a monarchy which would be bad enough even if the king they were grooming wasn't as empty headed as your typical animated pottery *Moving Pictures* Terry Pratchett,2005 Holy wood is a different sort of place People act differently here Everywhere else the most important things are gods or money or cattle Here the most important thing is to be important People might say that reality is a quality that things possess in the same way that they possess weight Sadly alchemists never really held with such a quaint notion They think that they can change reality shape it to their own purpose Imagine then the damage that could be wrought if they get their hands on the ultimate alchemy the invention of motion pictures the greatest making of illusions It may be a triumph of universe shaking proportions It's either that or they're about to unlock the dark terrible secret of the Holy Wood hills by mistake **Going Postal** Terry Pratchett,2004-09-28 Arch

swindler Moist Van Lipwig never believed his confidence crimes were hanging offenses until he found himself with a noose tightly around his neck dropping through a trapdoor and falling into a government job By all rights Moist should have met his maker Instead it's Lord Vetinari supreme ruler of Ankh Morpork who promptly offers him a job as Postmaster Since his only other option is a nonliving one Moist accepts the position and the hulking golem watchdog who comes along with it just in case Moist was considering abandoning his responsibilities prematurely Getting the moribund Postal Service up and running again however may be a near impossible task what with literally mountains of decades old undelivered mail clogging every nook and cranny of the broken down post office building and with only a few creaky old postmen and one rather unstable pin obsessed youth available to deliver it Worse still Moist could swear the mail is talking to him Worst of all it means taking on the gargantuan money hungry Grand Trunk clacks communication monopoly and its bloodthirsty piratical head Mr Reacher

Gilt But it says on the building neither rain nor snow nor glo m of ni t Inspiring words admittedly some of the bronze letters have been stolen and for once in his wretched life Moist is going to fight And if the bold and impossible are what s called for he ll do it in order to move the mail continue breathing get the girl and specially deliver that invaluable commodity that every human being not to mention troll dwarf and yes even golem requires hope **Only You Can Save Mankind** Terry Pratchett,2006-07-25 It s just a game isn t it The alien spaceship is in his sights His finger is on the Fire button Johnny Maxwell is about to set the new high score on the computer game Only You Can Save Mankind Suddenly a message appears We wish to talk We surrender But the aliens aren t supposed to surrender they re supposed to die **Thief of Time** Terry Pratchett,2013-10-10 Time is a resource Everyone knows it has to be managed You mess with it at your peril You can let it move fast or slowly but what you mustn t do is allow it to stop On the Discworld time management is the job of the Monks of History who store it and pump it from the places where it s wasted like the underwater how much time does a codfish need to places like cities where there s never enough time But the construction of the world s first truly accurate clock starts a race against well time for Lu Tze and his apprentice Lobsang Ludd Because it will stop time And when time stands still everything stops with it Then there really is no future **Light Fantastic** Terry Pratchett,1986 As it moves towards a seemingly inevitable collision with a malevolent red star the Discworld has only one possible saviour Unfortunately this happens to be the singularly inept and cowardly wizard called Rincewind who was last seen falling off the edge of the world
