Your Story Joanne Fedler, 2017-07-25 We either think our lives are so special that everyone should be interested in what happened to us or so ordinary that we can't imagine anyone would care. The truth lies somewhere in between: yes, we are all special, and no one will not care unless we write with them in mind. Joanne Fedler, a beloved writing teacher and mentor, has written *Your Story* to help all people, even those who don't necessarily identify as writers, value their life stories and write them in such a way that they transcend the personal and speak into a universal story. This book shows how to write from your life but for the benefit of others. Each human life is unique, and the meaning we each make from our joys and suffering can, if written with a reader in mind, be an act of generosity and sharing. Filled with practical wisdom and tools, the book tackles mindset issues that prevent us from writing: ways to develop trust in yourself, the process, the mystery, triggers or prompts to elicit our own stories. Joanne's original techniques for lifewriting, developed over a decade of teaching and mentoring, and much more. Joanne understands the writer's loneliness; says one such writer whose life she's touched, the award-winning Israeli author Nava Semel: "In this book, she has created a menu of encouraging possibilities on how to overcome our fears and dig deep into our souls so that our true voice can emerge." To the Islands Anne Schuster, 2014-09-25 *To the Islands* is a practical guide for writers, beginners and seasoned explorers alike. Discover five imaginary islands that lie waiting for you in the sea of creativity, each with an itinerary specially devised to lead you on writing adventures. Using poetry and prose, the 25 excursions in this workbook will encourage you to experiment and cultivate a writing habit, even if you only have half an hour a day to spare. There are many approaches to learning creative writing. The approach that underpins this workbook is inspired by practice. It is founded on the idea that what writers need most is to write. Writers find their feet by writing. They tune their voices by writing. To write frequently and with abandon allows you to explore the palettes and scenery of your creative universe. It is through writing that you discover your own islands. Based on a course designed by acclaimed writing facilitator Anne Schuster, *To the Islands* is a practical and invaluable sourcebook for individuals, for writing groups, and for facilitators of creative learning processes. *Writers in the Spirit* Carol J. Rottman, 2004 With more than 184 Christian writers' groups and 155 conferences, thousands of writers are looking for encouragement and insight. Yet every Christian who writes faces the same issue: finding daily inspiration and creativity. Designed to be both encouraging and practical, *Writers in the Spirit* guides writers from the novice stage to becoming dedicated authors, something that Carol Rottman achieved when she put aside all other paying work to write full time. Included in these pages are insight and practical tips on such topics as Writing Realism. Take yet another scroll and write on it all the former words that were on the first scroll. Jeremiah 36:27 Popular media have romanticized writers' lives to be devoted entirely to making beautiful stories. *Writers in the Spirit* explains the practical issues that writers face and shows how it is possible to overcome dry spells, endless revisions, and even self-doubt. Writing with Fervor Much of the Apostle Paul's writing was done in prison. Paul's passion to win people to Christ

overcame any obstacle While many new writers feel restrained Writers in the Spirit shows how to find the passion that fuels the writing process Writing in the Spirit This is what we speak not words taught by human wisdom but in words taught by the Spirit 1 Corinthians 2 13 Rottman shows that a personal relationship with God is the best source of inspiration Mediating on God's word will yield creativity from the Creator Many of us are called as witnesses to the life experiences God has entrusted to us If your witness takes the form of the written word this book will go with you as a trusted companion traveling the same path Former President Jimmy Carter Author Statesman and Thirty ninth President of the United States Writers in the Spirit helps connect me to God while reminding me that writing is a gift from Him and a calling to be both treasured and nurtured Sally Stuart Editor Christian Writers Market Guide
