Twenty Boy Summer By Sarah Ockler:

Twenty Boy Summer Sarah Ockler, 2009-06-01 For fans of A Thousand Boy Kisses and You've Reached Sam don't miss this emotional and beautiful novel about love, grief, and making the most of every moment. Don't worry, Anna, I'll tell her okay. Just let me think about the best way to do it. Okay. Promise me. Promise you won't say anything. Don't worry, I laughed. It's our secret, right. According to her best friend Frankie, twenty days in Zanzibar Bay is the perfect opportunity to have a summer fling, and if they meet one boy every day, there's a pretty good chance Anna will find her first summer romance. Anna lightheartedly agrees to the game, but there's something she hasn't told Frankie: she's already had that kind of romance, and it was with Frankie's older brother Matt just before his tragic death one year ago. Beautifully written and emotionally honest, this is a debut novel that explores what it truly means to love someone and what it means to grieve, and ultimately how to make the most of every single moment this world has to offer.

Fixing Delilah: A Young Adult Romance Sarah Ockler, 2010-01-01 We all long for what could have been. Things in Delilah Hannaford's life have a tendency to fall apart. She used to be a good student, but she can't seem to keep it together anymore. Her boyfriend isn't much of a boyfriend, and her mother refuses to discuss the fight that divided their family eight years ago. Falling apart, it seems, is a Hannaford tradition. Over a summer of new friendships, unexpected romance, and moments that test the complex bonds between mothers and daughters, Delilah must face her family's painful past. Can even her most shattered relationships be pieced back together again?

In Honor Jessi Kirby, 2012-05-08 A devastating loss leads to an unexpected road trip in what Sarah Ockler calls a beautiful, engaging journey with heart, humor, and just a pinch of Texas sass. Three days after learning of her brother Finn's death, Honor receives his last letter from Iraq. Devastated, she interprets his note as a final request and spontaneously sets off to California to fulfill it. At the last minute, she's joined by Rusty, Finn's former best friend. Rusty is the last person Honor wants to be with: he's cocky and obnoxious, just like Honor remembers, and she hasn't forgiven him for turning his back on Finn when he enlisted. But as they cover the dusty miles together in Finn's beloved 1967 Chevy Impala, long-held resentments begin to fade, and Honor and Rusty struggle to come to terms with the loss they share. As their memories of Finn merge to create a new portrait, Honor's eyes are opened to a side of her brother she never knew, a side that shows her the true meaning of love and sacrifice.

Between the Lines Michael Anthony, Joan F. Kaywell, 2016-09-23 Michael Anthony, 20-year reading workshop practitioner at the secondary level and Joan Kaywell, acclaimed author and advocate for young adult literature in learning, present *Between the Lines*, a creative paradigm shift for the English Language Arts workshop classroom. In contrast to the traditional sustained silent reading and individual conferencing model, an impractical commitment for most teachers, *BtL* invites collaborative engagement and active inquiry among students as well as on-demand writing and integrated YA literature, all designed to support existing middle and secondary level ELA classroom curriculum instruction and national academic learning standards while empowering English educators toward improved student literacy achievement and the creation of lifelong readers. The classroom activities with student-friendly names like Book Chat, Check and Pop Goes the Question, promote animated discussions in social learning contexts and produce writings supported by textual evidence from student-selected texts. Clear step-by-step directions for facilitation and authentic models of resulting student writing are shared along with a standards-based lesson plan suitable for grades 6-12. Ongoing teacher-student journal conversations validate independent reader thought processes and provoke differentiated learning experiences. The book includes Common Core State Standards-based strategies for responding to students meaningfully and for inviting extensions beyond the book, motivating increasingly complex and connective writings. Sample dialogue journal entries are shared along with insightful commentary and practical analysis. Everything needed for implementing *Between the Lines* is contained within these pages, including a user-friendly appendix filled with fully reproducible classroom workshop materials, tips for reducing the teacher reading and writing loads, and suggestions for building an enviable classroom library stocked with award-winning adolescent literature.
