Unbreak My Heart By Melissa C Walker:

Unbreak My Heart Melissa Walker, 2012-05-22 You can't help who you fall in love with. It's a lesson Clementine Williams knows all too well. She's headed into the summer with a broken heart and zero social life. So even though her parents plan to spend the summer trapped on their sailboat, should make Clem break out in hives, she doesn't really mind the chance to float away for a while. Even if it means most of her social interaction will be with her nine-year-old sister. Then she meets James at one of their stops on the Great Loop, a classic sailing track in the US. He and his dad are sailing the same track, and he's just the distraction Clem needs. But will he be able to break down Clem's walls and heal her broken heart? Told in alternating chapters that chronicle the year that broke Clem's heart and the summer that healed it, Unbreak My Heart is a wonderful dual love story from magazine writer, editor, and rising star Melissa Walker. **Unbreak My Heart** Melissa

Walker, 2013-05-28 Sophomore year broke Clementine Williams' heart. She fell for her best friend's boyfriend, and long story short, he's excused, but Clem is vilified, and she heads into summer with zero social life. Enter her parents plan to spend the summer on their sailboat. Normally, the idea of being stuck on a tiny boat with her parents and little sister would make Clem break out in hives, but floating away sounds pretty good right now. Then she meets James at one of their first stops along the river. He and his dad are sailing for the summer, and he's just the distraction Clem needs.
