Vasisthas Yoga By Swami Venkatesananda:

Vasiṣṭha's Yoga Swami Venkatesananda, 2010-03-18 This is Swami Venkatesananda's longer Yoga Vasiṣṭha. His two volume book is here offered between two covers. Its purpose is to provide a means to eliminate psychological conditioning and to attain liberation. Containing the instructions of the sage Vasiṣṭha to Lord Rama, this scripture is full of intricately woven tales the kind a great teacher might tell to hold the interest of a student. **The Supreme Yoga** Swami

Venkatesananda, 2010-01-01 The Yoga Vasistha has been a favourite book of spiritual seekers in India these several centuries. Its special appeal lies in its thoroughly rational approach and in its presentation of Vedanta as a philosophy to bridge the gulf between the secular and the sacred action and contemplation in human life through a comprehensive and lofty spirituality. This monumental scripture is the greatest help to the spiritual awakening and the direct experience of the Truth. This is certain. If this is what you want, you are welcome to the Yoga Vasistha. An oft recurring expression in this scripture is *kakataliṣa* a crow alights on the coconut palm tree and at that very moment a ripe coconut falls. The two unrelated events thus seem to be related in time and space though there is no causal relationship. Such is life. Such is creation. But the mind caught up in its own trap of logic questions why invents a why and a wherefore to satisfy itself conveniently ignoring the inconvenient questions that still haunt an intelligent mind. Vasistha demands direct observation of the mind, its motion, its notions, its reasoning, the assumed cause and the projected result and even the observer, the observed and the observation and the realization of their indivisible unity as the infinite consciousness. **The Supreme Yoga [2 Volumes]** Swami
