Touched By Cyn Balog:

Touched Cyn Balog, 2012-08-14 Nick Cross always listens to the voice in his head Because if he doesn't Things can go really really wrong Like the day he decided to go off script and saved a girl from being run over and let another one drown Trying to change the future doesn't work But this summer at the Jersey Shore something's about to happen that Nick never could have predicted He meets a girl named Taryn and finds out about the Book of Touch Now the path that he thought he was on begins to shift and there's no way to stop things from happening Or is there In a life where there are no surprises nothing has prepared Nick for what he's about to discover or the choice he will be forced to make Starstruck Cyn

Balog, 2011-07-12 Gwendolyn Dough X doesn't think she has much going for her she carries a few extra pounds her family struggles with their small bakery in a town full of millionaires and the other kids at her New Jersey high school don't seem to know that she exists Thank the stars for her longtime boyfriend Philip P Wishman or Wish He moved away to California three years ago when they were 13 but then professed his love for her via e-mail and he's been her long distance BF ever since At the beginning of her junior year though Wish e-mails that he's moving back to Jersey Great right Well except that Dough has gained about 70 pounds since the last time Wish saw her while Wish according to his Facebook photos has morphed into a blonde god Convinced that she'll be headed for Dumpsville the minute Wish lays eyes on her Dough delays their meeting as long as she possibly can But when she sees Wish at school something amazing happens He looks at Dough like she's just as gorgeous as he is But Wish is acting a little weird obsessed with the sun and freaked out by rain And the creepy new guy working at the bakery Christian is convinced that there's more to Wish's good looks than just healthy eating and lots of sun He tells Dough that a mark on Wish's neck marks him as a member of the Luminati an ancient cult of astrologers who can manipulate the stars to improve their lives Is Wish and Dough's love meant to be or are they star crossed Dead River Cyn

Rodriguez, Candace Ganger, Sara Zarr, Cynthia Hand, Francisco X. Stork, 2019-04-09 Who better to raise teens awareness of mental illness and health than the YA authors they admire Booklist starred review A much needed enlightening book School Library Journal starred review Your favorite YA authors including Ellen Hopkins Maureen Johnson and more recount their own experiences with mental health in this raw real and powerful collection of essays that explores everything from ADD to PTSD Have you ever felt like you just couldn't get out of bed Not the occasional morning but every day Do you find yourself listening to a voice in your head that

says you re not good enough not good looking enough not thin enough or not smart enough Have you ever found yourself unable to do homework or pay attention in class unless everything is just so on your desk Everyone has had days like that but what if you have them every day You re not alone Millions of people are going through similar things However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers It s easier to have a broken bone something tangible that can be fixed than to have a mental illness and easier to have a discussion about sex than it is to have one about mental health Life Inside My Mind is an anthology of true life events from writers of this generation for this generation These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more The goals of this book range from providing a home to those who are feeling alone awareness to those who are witnessing a friend or family member struggle and to open the floodgates to conversation

L. Anderson BSM MSM,2019-03-05 Lou Anders was a young girl who lived a teeming life but was an adolescent who suffered many nights of anguish from her recurring nightmares At times her dreams would become so terrible and consuming that she would lose touch with reality and her immediate surroundings Lou grew up to see some of her dreams become startling realities as she would travel to many of the places that she had dreamed about Many of her mental innovations would startle even her family and friends Her parents had not a clue that she would grow up to become a very rich and famous personality Ms Anders gives many elaborate and celebrated accounts and reports of the distress the loneliness and the torment that she had to face on a nightly basis Even though her dreams were just dreams they would often leave her dejected hopeless and traumatized After the death of her husband Butch who was her number 1 supporter and after the death of their romantic interlude her life changed for the worse **Touched** Lilly Wilde,2015-04-24 Touched the sequel to the debut novel Untouched continues with the emotionally provocative journey of Aria Cason and Aiden Wyatt Aria had meticulously constructed her world both in the boardroom and in the bedroom Her life was exactly as she wanted it and everything made sense before Aiden After Aiden was an entirely different story Aiden s disarming and unrelenting allure eventually stripped Aria of her protective shield allowing Aiden emotional and sexual access that she d considered forbidden to any man Aiden forced emotions to the surface that Aria had rebuked since childhood touching a part of her that she found disturbingly unfamiliar She now finds herself in a unique position as she shuffles to regain her balance and reassemble the pieces that Aiden left in his wake But how will she suppress what Aiden somehow managed to awaken Led by career aspirations Aria reluctantly maneuvers within Aiden s orbit and their forced pairing eventually hits several hurdles Is Aria strong enough to fight her instincts and remain in Aiden s world Will her initial reservations resurface confirming her convictions that love can only result in tragedy Or will Aiden ultimately convince Aria that love isn t the disaster she always thought Regardless of the option Aria chooses Aiden s past and other secrets will unfold forcing Aria down a path she never saw coming
