causes of suicide and to the formation of suicide prevention organizations A century later we still keep on trying to reach such an understanding of suicide the nature and nuances of its modern conceptualization to prevent suicidal behaviors The question of what suicide means in and for modernity is not an overcome one Suicide is an act that touches all of our lives and engages with the incomprehensible and unsayable Since the turn of the millennium a fierce debate about the state's role in assisted suicide has been adopted Beyond the discussion as to whether physicians should assist in the suicide of patients with unbearable and hopeless suffering the scope of the suicidal agency is much broader concerning general people wanting to die

Stranger at the Door Kristjana Gunnars, 2011-04-07 At the beginning of a new writing project whether it's the first page of a new novel or a less ambitious project writers often experience exhilaration fear or dread For Kristjana Gunnars the call of a new project is like someone you don't know knocking on your door you either choose to let the person in or not It's both exciting and dangerous to start a new manuscript This book is an engagement with that stranger called writing Creative or imaginative writing is a complex process that involves more than intellect alone Writers make use of everything their sensibilities history culture knowledge experience education and even their biology These essays seek out and gather into a discussion what writers have said about their own experiences in writing Although the writers are from around the world and of very different backgrounds the commonality of their remarks brings home the realization that writers everywhere are grappling with similar problems with the seemingly simple problems of when where why and what to write but also larger questions such as the relationship between writer and society or issues of privacy appropriation or homelessness While none of these questions can be definitively answered they can be fruitfully discussed Originating as questions posed in creative writing seminars these essays have grown into companion texts for both writers and readers who want to participate in a conversation about what writers do

Embodying Adaptation Christina Wilkins, 2022-08-04 This book explores the impact of the body on the mediation of character in adaptations Specifically it thinks about how identity is shaped by the body and how this alters meanings of adaptations With an increasingly digital world the importance of the body may be seen as diminishing However the book highlights the different political and social meanings the body signifies which in turn renders character Through a discussion of adaptations of sexuality race and mental difference the mediation of character is shown to be tied to the physical The book challenges the hierarchies in place both for the understanding of character which privileges the actor and in adaptations which privileges the original The discussion of the body character and adaptation asserts that the meanings the physical has in its shaping of and by character in adaptations reflect the way in which we position our own bodies in the world
