Walk On Water The Miracle Of Saving Childrens Lives By Michael Ruhlman:

Walk on Water Michael Ruhlman, 2004-03-30 Described by one surgeon as soul crushing diamond making stress surgery on congenital heart defects is arguably the most difficult of all surgical specialties Drawing back the hospital curtain for a unique and captivating look at the extraordinary skill and dangerous politics of critical surgery in a pediatric heart center Michael Ruhlman focuses on the world renowned Cleveland Clinic where a team of medical specialists led by idiosyncratic virtuoso Dr Roger Mee work on the edge of disaster on a daily basis Walk on Water offers a rare and dramatic glimpse into a world where the health of innocent children and the hopes of white knuckled families rest in the hands of all too human doctors

A Force of Will Mike Stavlund, 2013-03-01 When Mike Stavlund's four month old son suddenly died a flood of cards flowers meals phone calls and gifts let his family know that they were loved and cared for What was less welcome were the books and particularly the religious ones Often impossibly upbeat saccharine sweet and with all kinds of confident promises they increased the pain rather than soothing it Though Mike could plainly see that these writers meant well their preoccupation with defending pristine ideas about God from the suddenly obvious truth of God's unkindness created a cognitive dissonance of such scale that he simply put them away They were too painful to read and too offensive to bear Instead he wrote his own book one week at a time during that first terrible year A book that embraced the stark reality of loss the sense of alienation from all of life the feelings of suffocation at the hands of the well meaning people gathered around and the new awareness of feeling abandoned by God A Force of Will helps anyone who is going through difficulty to honestly confront their feelings without being made to feel guilty With heartfelt honesty Mike shows that there is hope even when there is no happy ending
